Germany Mukes Surgestion That W1 son Can Ask Powers for Special Peace Negotiations at Washington.

(Carl Ackerman.) BERIAN, Oct. 9,-ft is not imposthie that Gerard may be conveying peace proposals to America. Before eaving Berlin, Gerard held important conferences with Hollweg, Jagow and several leading members of the Reich-

It is believed now is the time for Washington to make peace. Now is the psychological moment. If peace is not made now the war must last

It is suggested that Wilson can ask the powers to send special representatives to Washington for peace nego-

Motion Picture News

What the Picture Theaters Have to Tell You.

TODAY YOUR LAST CHANCE TO SEE WILLIAM FARNUM IN "MAN FROM BITTER ROOTS"

Exactly nine hundred Pendleton people took the tip from advance Pastime advertising and were on hand Rome either Sunday afternoon or evening thance to see this big production, shown in the city for some time. William Farnum in "The Man from Bitter Roots" certainly made a hit, as did Gladys Brockwell and the big fat ater.—Adv

an who was always ready to The play is of the west, with its miners and mining life and the Bitter Root country of Montana is the background for the play. If you weren't one of the lpeased ones yester-day don't fail to wait the background for the play of the pl day don't fail to visit the Pa-time to-day. ♦ be one of generally fair weather ♦ • except that rains are probable •

"Sudden Riches" at Cosy. The attraction at the Cosy theater tomorrow will be Robert Warwick, Clara Whipple and Gerda Holmes in "Sudden Riches," an original photo-play written by E. Richard Schayer, dealing with an unusual theme, that of a rich old man making his nephew his sole heir, that it might disrupt his family, cause strife between the neph-

ew and his wife, and otherwise bre up the little family. How the lit child brought about a reconciliati after two years of dissipation by the father and mother, affords a great climax for this unusually (ascinating

Child stowawny in "Pillars of Society" other cruption break out-1 just put on One of the group of thrills with which Ibsen's "Pillurs of Society," as out the itching and burning instantly, picturized for the Triangie program, at the Temple tonight, comes to at stirring climax is provided by Karston's small son Olar. He slips away from home, climbs aboard a ship and stows away in the hold. You hee him do it. And the autlence knows that ile ship belongs to his father and Kalad Committee and

that the owner's plan is to destroy it before it reaches port. Then the ship is seen to sail with the small boy

aboard and shortly thereafter it is dis-covered afire off the coast, great vol-

hatches. There is or course, a rescue but the suspense is sustained at Tevel

heat until the very last minute. It is not a bit like the average idea of an

Ibsen play, but it is truly Ibsen never-
