"Mad? I ain't mad. I's jüst dinking. 'Dinking' vot comes us too, me und Heinie und the utter boys." It was Mary Pickford, the world's greatest motion picture star, who was doing the thinking and the talking. Heinie and the boys were her pals in the latest production she has made for the Paramount Program and which little Mary declares most emphatically is the best piece of work she has done since she has appeared in Famous Players productions. "Vot is de name of dot pitcher. Dot blay, she is called 'Hulda From Holland,' and I want you to member dot name Heinie Iust jüst twice years old. He is klein Haral Hollacker. SWINE PRICES CLOSED WEAKER

PORTLAND, Ore., Oct. 9.—The week closed with a showing of weakness in the swine division of the North Portland market. There was a further small increase in the total marketing here for the six days as compared with the previous six days. The extreme weakness in the eastern trade had its effect upon local price sentiment. While it is true that local values are still below what the eastern trade is quoting for swine, the decline there has been far more severe than here.

General hog market: Choice light weights \$9.60@9.64 Good light weights 9.40@9.54 Medium weights 9.25@9.35 Tough, heavy 8.50@9.00 Cattle About Steady. While there was a fairly liberal increase in the volume of cattle marketed at North Portland during the week, the trend of the trade was generally steady. Real good quality was quoted steady to firm all week, the only weakness indicated was in ordinary to poor quality.

HUGHES ODDS DROP AFTER HE TALKS TO PITTSBURG CROWD

PITTSBURG, Oct. 7.—Odds that Hughes will be elected receded today to 7 to 5 against Wilson. The betting commissioner who quoted the 7 to 5 said that unless Hughes money soon puts in an appearance the odds will drop to even and to odds on President Wilson. He has held \$5000 Wilson money for two weeks with no takers at two to one. The commissioner said the republicans haven't "peeped" in a betting way since Hughes' visit here.

"Contentment abides with the truth," says the old adage, but very few men are in a position to vouch for the truth of it.

LASSEN ERUPTION SPREADS

REDDING, Cal., Oct. 6.—A great streamer of smoke, miles long, spread today from Lassen Peak, which was in eruption two hours, spitting steam and smoke from the northern part of the crater. The eruption today was much more pronounced than that of yesterday.

Lassen Peak erupted May 31, 1914, after years of sleep. Once in a while a large man looks for work out of idle curiosity.

NEGROES WANT LYNCHING MADE A FEDERAL OFFENSE

WASHINGTON, Oct. 7.—Resolutions urging that lynching be made a federal offense and that persons prosecuted for it be tried in another state from their own were adopted today by the annual Equal Rights league in a convention here attended by negro delegates from 25 states. Another resolution criticized President Wilson for permitting segregation of negro civil service employees and declared for Charles E. Hughes for president.

They are indicated especially for these ailments and are excellent. Easy to take and most agreeable in effect. Obtainable everywhere.—Adv.

FOUR BATTLESHIPS IN TEXAS WITH NEW RECORD

NEW YORK, Oct. 7.—The battleships Texas, Arkansas, Wyoming and New York of the Atlantic arrived at New York yesterday from short-range target practice off the Virginia Capes. The Texas, officers said, not only upheld her position as holder of the gunnery trophy and battle efficiency pennant, but broke her record of last year. Some of her 14-inch gun pointers never have missed a target since the ship went into commission two and a half years ago. The crews of one 14-inch turret and of three 5-inch guns were awarded the Navy E for their exceptional work. The men will have \$6000 prize money divided among them. The sailors attribute the success of the Texas to their mascot, Buster, a Boston bull terrier, which was sent to the ship with regular enlistment papers when the Iowa was sold to Greece.

Convalescence after pneumonia, typhoid fever and the grip, is sometimes merely apparent, not real. To make it real and rapid, there is no other tonic so highly to be recommended as Hood's Sarsaparilla. Thousands so testify. Take Hood's.—Adv.

She Weeps Real Salt Tears

LOUISE HUFF, FAMOUS PLAYERS STAR IN PARAMOUNT PICTURES. No wonder Louise Huff can melt an entire audience by her tears! As the cello from the Famous Players-Paramount production "The Reward of Fidelity" the dainty little player really sheds bona fide tears, which not even Theodore Roosevelt could brand as a bit of nature-faking! In the role of a woman who has just learned the death of her father—hence the copious flow of brine.

An adage that cuts all round must be a circular saw.

Catarrrhal Deafness Cannot Be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c. F. J. CHENEY & CO., Toledo, O.

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.

BIG EATERS GET KIDNEY TROUBLE

TAKE SALTS AT FIRST SIGN OF BLADDER IRRITATION OR BACKACHE.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headaches or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jod Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jod Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
