

A GOOD OVERCOAT is Better for You Than the Price Thereof

But you'd better be sure it's good; the price will be quite clear to you, but you may not know how to be sure of the quality.

We'll tell you a way to be sure; drop in here and ask us to show you one of Hart, Schaffner & Marx Varsity Six Hundred overcoat models.

Their name in any garment means all-wool fabrics; the best tailoring ever put in clothes; the smartest styles conceived by the best designers in the country. We don't have to discuss quality as to these clothes; they're known to be right.

Pay \$20, \$25, \$30, \$35 and get big money's worth.

For those who do not care to pay so much we have other makes at \$15.00 to \$20.00.

Good clothes cost no more than poor ones; the cheap price as a rule represents the cheap quality. You can measure your idea of quality these days by the price you pay for it. The best thing about our Hart, Schaffner & Marx clothes is that you'll get more real quality-value for every dollar than in any others.

BROAD VALUES in wide silk four-in-hands. There are some whose brilliancy of colorings duplicate that of the autumn leaves. Some are more "sedate" for the tastes of conservative men. Altogether it is a most fascinating display.

AT 75c we have an assortment not equaled in eastern Oregon.

AT 50c and 25c you'll not find their equals. Come and see.

IT'S SWEATER TIME

Cold nights, chilly mornings call for warm warmers. Nothing can quite take the place of a nice warm sweater. We are better than ever prepared to please you this season. Every style, every weight, many colors and combinations of colors. Priced from \$3.50 to \$8.50

CLOTH DRESSES That are Stylish and Practical

NOTHING CAN POSSIBLY TAKE THE PLACE OF A CLOTH DRESS AT THIS SEASON OF THE YEAR.

We have a complete stock of these desirable frocks in a full range of sizes and most attractive styles.

Possibly the newest styles featured is that called the "Billie Burke," a straight line dress that is pleated to a yoke or hangs full from the shoulders, the only indication of a waist line being given by a tailored sash of the same material that crosses and ties in a number of unique methods.

Serge, that durable fabric, in a good grade is the material used.

The Colors are black, navy, blue, green, purple and burgundy.

Some are trimmed with the new yarn embroidery, others with novelty buttons.

The prices are most reasonable, ranging from \$10.75 to \$35.00

SOME SHIRTS AT \$1.00

And we speak the absolute truth in saying so. "Best" because no other shirts we have sold have been so good

AT A DOLLAR.

In them are smart and clever touches that make them entirely distinctive in pattern and coloring. In them, too, is the greatest dollar's worth of value that made-on-honor shirts can possibly give at a dollar each.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
