NEW YORK, Oct. 24.—Following is the record of two and a quarter hours yesterday in the life of Andrew Uhr, twenty one, who has spent most of his years as a cowboy in the west:

5:30 P. M.—Decides to visit the Gas House District.
 5:45 P. M.—Meets two affable strangers at Fifteenth street and Avenue T, who tell him they will wager they can show him some steers he can't throw. He accepts the def.

COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients costing about 50 cents a large bottle, at drug stores. Known as "Wyeth's Sage and Sulphur Compound," thus avoiding a loss of time.

White gray, faded hair is not natural, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear many years younger.
 Wyeth's Sage and Sulphur Compound is a delightful toilet preparation. It is not intended for the cure, mitigation or prevention of disease.

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.
 Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!
R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

Buy Prince Albert every-where tobacco is sold in tippyred bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that cooling fine crystal-glass humidors with sponge-moistener top that keeps the tobacco in such cleaver trim—always!

purchase \$12,000,000 worth. Colonel Eben Swift, stationed at the army service school at Fort Leavenworth, will succeed General John J. Pershing, who becomes major general in succession to the late Major General Albert L. Mills. Colonel Charles G. Treat, of the field artillery, will become a brigadier to succeed General F. W. Sibley, retired. He is now of the general staff and vice president of the war college.

What, by the way, has become of the old-fashioned crime of 1873? President Wilson finds Chicago in a listening attitude.
 Don't think because you have taken many remedies in vain that your case is incurable. Hood's Sarsaparilla has cured many seemingly hopeless cases of scrofula, rheumatism, kidney complaint, dyspepsia and general debility. Take Hood's.—Adv.

"YOU KNOW MORE OF RAISING HOGS THAN REARING CHILDREN"
 Woman Tells Dry Farming Delegates Men Are Indifferent to Women's and Children's Needs.
 EL PASO, Tex., Oct. 25.—A little country woman told the International

Dry Farming delegates today that they knew more about raising hogs than they did about rearing children, that the government spent \$40,000 to study children's diseases and \$800,000 to study diseases among hogs.
 She was Mrs. W. A. Warner of Claude, Tex., who spoke on "The Farm Woman's Viewpoint."

"The perpetuation of the human race has never cost a man a single physical pain," she said, "and that is why men who make all the laws are so indifferent to the needs of women and children," she said.
 It isn't always the best looking woman who tries to look her best.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets
 That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.
 Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.
 Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.
 No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.
 If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.
 Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

 Ours is a government by checks and balances and many of the checks go to the gentlemen managing the campaign.

WHY I AM FOR WILSON

By Henry Ford
 Automobile Manufacturer.

I'm for Wilson because he is "onto" the "interests"—the "unseen hands"—that seek to control Government—and is holding them off. That he is "onto" them and is holding them off is proved by his refusal to rush into war with Mexico.

For purely business reasons the welfare of the country demands Wilson's re-election. I say—and I say from experience, not from guesswork—that the Eight-hour Law will help business. Business men and employers who are hostile to the eight-hour day do not know their business.

I'm for Wilson because I believe he can do more to enhance the prosperity and assure peace for this nation than any other candidate.

He who steals a watch should not be surprised if he has to do time later.

IF BACKACHY OR KIDNEYS BOTHER

EAT LESS MEAT ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back-ache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritant, thus ending bladder weakness.
 Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
