# GREAT WILSON OVATION PUTS REPUBLICANS IN A PANIC

## Frightened by Tremendous Greeting Given President in New York Leaders Send Out S. O. S. Calls.

### ASK FOR \$250,000 MORE

Campaign "Slush" Fund of \$1,200,000 Insufficient to Pay for Monster Advertising System Being Carried on in Attempt to Befuddle Public.

NEW YORK, Nov. 3.—Surpassing even the famous Bryan 1896 demonstration and the Roosevelt reception of 1912 in Madison Square Garden, President Wilson last evening aroused New York to its highest pitch of enthusiasm. No old timer used to political demonstrations remembers such a succession of ovations, such a sincere tribute of devotion as was showered here upon the president from the time he reached the metropolis until he wound up his day and evening of appeals for votes.

Madison Square Garden, rich in the history of political meetings was a bedlam inside and outside. The crowd swept the police aside, swarmed into the reserved seats and choked the streets outside for a square mile by seven thirty. The holders of reserved seat tickets found they could not even approach the Garden.

Above all of the sincere enthusiasm stood out plain to the trained observer, the fact that President Wilson has reached the heart of the masses. It was apparent even to the inexperienced eye that Wilson has impressed the ordinary man and woman that he is their president and their friend.

Alarmed by the overwhelming proof of President Wilson's popularity demonstrated by New York yesterday the representatives of special privileges in Wall Street issued this morning a hurried call for a secret conference at 3:30 this afternoon, having already according to published reports raised a "slush" fund of \$1,200,000 to "put Hughes over" in the closing days of the campaign. The call today is for an additional quarter of a million in New York city alone.

Paid advertising in the daily papers on Thursday cost the republican committee, or its various dummies \$15,000 and this advertising campaign is being conducted on this scale throughout the states which the republicans hope to win for Hughes, through the purchasing power of the organized wealth of the country that has fallen on special privilege under republican rule at this rate the expenditure for the purpose of befuddling the voter and twisting public opinion in the closing hours of the campaign must amount to not less than \$1,000,000 for advertising alone.

## ROOSEVELT PROMISES SPEECH "WITH A KICK"

Will Attack President Wilson's Foreign and Mexican Policies in Address at Cooper Union.

ABOARD ROOSEVELT'S SPECIAL, Buffalo, Nov. 3.—Roosevelt promised an "antirely new speech with a kick" when he appears at the Cooper Union tonight. The theme will be Americanism. He plans to attack Wilson's foreign and Mexican policies and his fine words. He declared Wilson feared to name him in speeches.

"He always speaks of me in the third person plural. Is he too timid to use my name?"

WE PROGRESSIVES.

(From NEW YORK WORLD)

## WHY HAVE THESE BLOOD THIRSTY FELLOWS NEVER GONE NEAR THE ENLISTMENT OFFICES?

- 1.—Why is Wall street for Hughes?
- 2.—Why is Hughes supported by those financiers who still wish to supplant the beneficial federal reserve system with a central bank under New York control?
- 3.—Why are the champions of military conscription supporting Hughes?
- 4.—How can Hughes expect support from farmers when he fights the new shipping law and advocates a ship subsidy which is what the shipping trust wants?
- 5.—Why are the advocates of war on Mexico—including those having shaky investments there—all supporting Hughes?
- 6.—In this day of high prices how can the Hughes workers expect people to vote for a high protective tariff policy so as to make prices still higher?
- 7.—If you do not want the nation involved in war how can you fall to support Wilson whose courage and diplomatic skill have kept us in honorable peace?
- 8.—If Hughes writers and orators hate peace and love war as much as they pretend how did they refrain from enlisting when soldiers were asked for to fill out the regiments on the border? While we have such heroes in our midst why is it that during many weeks past the enlistment offices in Pendleton and elsewhere have been so noted for their lack of business?
- 9.—How can any progressive minded citizen vote for Hughes after his declaration, made at Milwaukee Sept. 20, that the whole democratic legislative accomplishment must be wiped off the books?

## BOTH PARTIES ARE CLOSING STRUGGLE

Final Rally for Wilson at Oregon Theater Tomorrow Night—Woman Speaks.

The final rally of the Wilson campaign in Pendleton is to be held Saturday evening at the Oregon theater with Mrs. Alexander Thompson of The Dalles as the speaker of the occasion. There is interest in the coming of Mrs. Thompson as she has acquired a reputation as a speaker and during the campaign has had a standing challenge for a debate with Hughes orators of her sex.

For the republicans A. J. Moulton of Portland is taking the itinerary of Col. Washburn in this county. He was at Freewater last evening and is to speak at Umapine tonight and at Weston tomorrow night. At Pilot Rock the county republican candidates, with Frederick Steiner as speaker, will hold a final rally Saturday evening.

He left immediately enroute for San Francisco, whence he sails for New Zealand to join the Aurora expedition, in an attempt to rescue ten companions marooned in Ross sea.

"I will return to England after the expedition. I propose to enlist and fight until the end. If I survive the war, I intend to resume exploring. I may try again to cross the south polar continent. The first two considerations are to rescue my companions and help Britain win."

## NORMAL SCHOOL DAY PRODUCES RESULTS AT O. A. C OPENED

Pendleton's Normal School Day proved very productive of results for the amendment establishing a school here, if the reports brought back from the various sections of the county are an index. The twenty or more auto loads of local citizens who canvassed the county report favorable sentiment almost everywhere. Some little opposition was encountered but it was found to result from misunderstandings and was easily eradicated by a true statement of the situation.

Today the committee is seeing to it that all of the Pendleton vote is gotten out. Men are being sent from house to house to ascertain if all of the voters are registered.

Reports coming in from over the state are most encouraging but the committee is urging every citizen to spend the next few days in sending out letters and circulars.

Pendleton is now the permanent recruiting headquarters of the United States army for eastern Oregon. Col. Charles A. Varnum of Portland having formally opened the station this morning at 627 Main street over the Pastime theater.
