

should know considerable campaign is not creditable to

That Wonderful "Pendleton Spirit"

IS SPELLED C-O-O-P-E-R-A-T-I-O-N

It's a beautiful habit of all getting together, with our shoulders to the wheel, for the betterment of the town we live in.

Every true Pendletonian believes that part of his or her time belongs to their town.

They all realize that they must give back to their town some portion of what it has given to them.

Cooperation means growth, strength and prosperity for us all.

Lots of business is leaving Pendleton from mere indifference on the part of Pendleton people.

It is going toward developing other cities who do nothing for Pendleton but solicit our business.

Lets keep these dollars at home and build a bigger, better Pendleton, with the money we spend going around a circle in our own corporate limits and every laboring man and business man getting a portion of it.

We can do it.

Investigation will prove that Pendleton products are the best to be found. Saving transportation charges makes them cheaper.

The only benefits worth having are the benefits we can share with our neighbors. Individual benefits count for little.

It is the cooperative effort that accomplishes the real good.

THE PENDLETON MEAT CO.

SOLICITS YOUR PATRONAGE AND COUNTS ON KEEPING IT ON MERIT ALONE

It is an institution of local interests,—of us, with us and for us in service as well as business betterment. The livestock from which its products are made is raised on bunch grass, wheat and corn in this section, the healthiest country in the world. It is carefully selected, prepared in a modern, clean concrete abattoir, and distributed to the public from the best public markets to be found in the inland empire.

Insist on getting PEMECO MEATS and LARDS, sold by these modern markets

Daily Chats With the Housewife

ODDITIES IN NECKWEAR.
 Each season sees a new crop of separate collars, fichus, jabots, chemisettes and guimpes which make one wonder at their novelty and beauty. This fall the counters are full of the daintiest of neckwear, in all sorts of material—crepe, satin, or tulle, heavy cream-colored broad-

cloth, leather, batiste, chiffon and net. One may have anything one wishes from the stoutest of suede for the outside sport coat to the finest of laces for the velvet afternoon dress. Indeed, lace is being used much more this year than usual, and such ornaments are used as beads, tinsel, tiny bows of ribbon, fancy buttons, rush-

ing and bits of colorful embroidery. One white Georgette collar has a fringe of silver beads and another collar of broadcloth has a fringe of the same material, finely slashed to form the long fringe. An odd novelty is a collar of white satin which has epaulettes over the shoulders and hemstitched straps down the back, holding in a pleated collar of crepe trimmed with polka dots in V shape through the center. The finish is picot edge throughout. Combinations of taffeta and broadcloth, georgette and satin, velvet and broadcloth and satin and broadcloth are seen. Many of the collars are capelike in effect, one of dull blue taffeta being lined with white silk.

PIPPIN PUDDING.
 Eight fine pippins, pared, cored and sliced, breaking them as little as possible; one half cup of very fine bread crumbs; two tablespoons of melted butter; five eggs, yolks and whites separate; three quarters cup of sugar; one ounce of finely-shredded citron; one teaspoon of nutmeg, and a dozen whole cloves; one cup of milk or cream.
 Soak the bread crumbs in the milk, cream the butter and sugar, and beat into this the egg yolks. Next, adding the milk and softened bread, stir until very light and smooth. Put in the nutmeg and citron and fold in the stiffly beaten egg-whites lightly. Butter a deep dish, and put in the sliced apple, sprinkling each piece well with

sugar and scattering the cloves among them. Pour the custard you have prepared over them and bake three quarters of an hour in a moderate oven. Sift powdered sugar over the top and eat cold.
ORANGE DELIGHT.
 Two large oranges, 1 large lemon, both sliced thin. Soak in 11 glass measuring cups of water for 24 hours; boil 1 hour. Let stand 24 hours; then add 8 measuring cups of sugar and boil 1 1/2 hours. Pour into glasses.
TO MAKE MANY CAKES FROM SAME INGREDIENTS.
 Cream 1-2 cup of butter with 1 cup sugar. Add alternately to the creamed butter and sugar 2 cups of flour mixed and sifted with 2 teaspoons baking powder and 1 scant cup milk. Then fold in the stiffly beaten whites of four eggs. Flavor to taste. If baked in layers, in a moderate oven, allow about 15 minutes; if in a loaf, 30 to 40 minutes. This will make a 3-layer cake or 1 loaf of plain cake; it may be sprinkled on top with coconut or chopped nuts, or a cup of mixed fruit may be added and the whole baked in shallow gem pans. Whipped cream, jelly or custard may be used for filling the layer cake. This cake may be used for pudding by steaming and using with a frothy sauce.

EGGS ARE TOSSED AT WOMEN CAMPAIGNERS
 CHICAGO, Nov. 2.—Women who arrived here today on the women's transcontinental train met opposition at an afternoon meeting in a downtown theater. Decisive jeers which interrupted the speakers began the

heckling which culminated when eggs were tossed at them as they left the theater. None of the eggs struck the women or the automobiles in which they rode. The Hughes women finished their speeches in spite of interruptions. The special train left in the afternoon for Baltimore.

A Laxative for Babies Good for Everybody

DR. CALDWELL'S SYRUP PEPSIN
 A SAFE AND EFFICIENT FAMILY REMEDY.

Every member of the family is more or less subject to constipation and every home should always be supplied with a dependable remedy to promptly relieve this condition. Whenever the bowels become clogged and the natural process of elimination thereby disturbed, the entire system is affected, and readily subject to attack by disease. Constipation is a condition that should never be neglected.
 Mrs. E. R. Gilbert of Millbro, Va., says that Dr. Caldwell's Syrup Pepsin is a splendid laxative for children because they like its pleasant taste, and it acts so easily and naturally without griping or pain, and she finds it equally effective for the rest of the family.
 Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that contains no opiate or narcotic drug. It is mild and gentle in its action, and does not cause pain or discomfort. Druggists everywhere sell this excellent remedy for fifty cents a bottle.
 To avoid imitations and ineffective

substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 458 Washington St., Monticello, Illinois.

Amazingly Comfortable
 They like its power—it's the world's most powerful low priced car.
 Everybody concedes its beauty.
 It wins on economy.
 But its roomy seats, deep upholstery and easy riding cantilever springs—
 These things make it so amazingly comfortable that people can hardly believe their senses.
 You wouldn't think that a small, light, economical, low priced car could be so comfortable.
 But come in and let us prove it to you

As yet no way has been discovered to make breakfast food out of the wheat shortage.
ICE CREAM CONES AND HOT DOGS UP, BOYS PLAN STRIKE
 NEW YORK, Nov. 4.—The rising cost of food has now extended to "hot dog" sandwiches and ice cream cones. That this one of the reasons why the A. D. T. messenger boys have called a meeting to vote on a strike. With these necessities of life going up the boys believe they ought to have more money. Dissension broke out in their ranks today, however when some of the chiefs started a movement to postpone action until after election.

There is just one way to make a satisfactory election bet and that is to make it with one's wife or husband.
 Love is responsible for some hard frosts in summer and some hot waves in winter.
 Catarrh is an excessive secretion, accompanied with chronic inflammation, from the mucous membrane. Hood's Sarsaparilla acts on the mucous membrane through the blood, reduces inflammation, establishes healthy action, and radically cures all cases of catarrh.—Adv.
 Book production has declined, but thus far there have been no book riots.
