BROILED OYSTERS.

Wipe on a cloth 24 freshly opened oysters. Mix on a plate a tablespoonful oil, teaspoonful salt and half teaspoon pepper. Repeatedly turn oysters in seasoning, then roll in bread crumbs; arrange on double broiler, broil four or five minutes on each side. Have 6 freshly prepared toasts on a hot dish; place 6 oysters on each toast, evenly divided celery sauce over them.

CELERY SAUCE.

Cut into very small dice 4 branches white celery and place in a small saucepan with 3-4 to 1 pint cold water and 1-4 teaspoon salt, boil for 15 minutes. Drain on a sieve and keep the water and celery separate. Heat 1-2 tablespoons melted butter in a small saucepan, add 2 tablespoons flour; stir while heating for two minutes; then pour in half the quantity of celery water. Season with 2 saltspoons salt, 1 saltspoon cayenne and a saltspoon ground nutmeg, adding 1 gill light cream. Mix well with a wooden spoon; then add the celery, lightly mix, slowly boil five minutes and use as required.

WOVEN FLOWER FORMS

Little woven flowers are simple to make and are an effective way to develop small flower forms. They should not measure more than one-half inch when finished, and if made in different colors and grouped together will be wonderfully attractive. Mark little half inch circles as a guide and then carry the thread back and forth, dividing the circle, until ten radii are formed. An extra radius is added to make the number uneven. The needle is then brought up in the center where the threads cross and woven over and under each thread for a fourth of an inch. Yellow lines, with the weaving in broken, lavender,

with yellow center, and pink and light green, are some of the attractive combinations that will make an attractive grouping of these flowers. It is an excellent way to develop wreath and festoon designs.

CRETONNE COVERS.

Scarfs of cretonne are neat and especially attractive for a girl's room. The pincushion and nap pillow should be covered to match. A scarf made to fit the top of the dresser should be scalloped all around, but one that hangs at the sides need have only the ends scalloped, the sides being hemmed. Rather heavy embroidery floss should be used for working the scallops. The heavy floss not only facilitates the work but is more in harmony with the material than a fine cotton would be.

RUSSIAN TURBANS.

Russian effects are marked in millinery at present. The Cossack turban of velvet or fur is as smart as one could wish, and becoming to a large percentage of women. A Russian embroidered motif is set at the front of the hat, and the soft crown is sometimes slightly peaked or merely high and rounded.

WHITE KIDS WASHABLE.

Much to millady's gratification, smart white kid boots, which are so fashionable today, are washable, just as the gloves she may scrub with pure white soap and warm water. Before going to bed she puts shoe trees in her boots and bathes them and in the morning, presto, behold, they are spotless and fresh as new.

THE JERSEY PROCK.

It is popular and chic. Comes in woolen or silk. Is best liked in the darker shades. And is variously trimmed with fur braid and metal embroidery.

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

BEST FOR LIVER AND BOWELS, FOR BILIOUSNESS, SOUR STOMACH AND CONSTIPATION.

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

RELATIVES TO VOTE FOR WILSON EVEN IF RAILROADERS CANT

CHICAGO, Nov. 6.—"Wives, mothers, sisters and sweethearts of railroad employes in the woman suffrage states will take the places of the men who are absent on runs and vote for Wilson," declared Joseph McQuaid, grievance chairman of the Friends of the Rock Island, last night in answer to republican claims that only 40 per cent of the railroad vote would be where it could cast its ballot election day.

EVEN DEATH COSTS MORE; WAR JUMPS PRICE OF COFFINS

NEW YORK, Nov. 6.—The European war is held responsible for the increase in cost of burial supplies and a consequent advance announced by undertakers for funeral services. Undertakers' hardware—name plates and coffin handles—have risen in price from 20 to 40 per cent. The cheapest coffins cost \$5 more than formerly.

The Weakly Bulldogger

MONDAY, NOVEMBER 6, 1916.

"Linked Sweetness Long Drawn Out" They were discussing marriage from every angle. "I think," said Fred Steiner, "that it is generally acknowledged that married men live longer than single men."

"No," said Jim Estes, "it only seems longer." Hay! The editor of the Bulldogger has an acute attack of hay fever. Inasmuch as this is not the accepted season for hay fever attacks, we can only explain our attack by the fact that we have been handling a good many straw votes lately.

It Costs Money to Be in Politics. Dr. Best, republican candidate for representative, attended the basket social and has the distinction of paying the highest price bid for a basket. —Helix Advocate.

Book Reviews. One of the recent masterpieces of political fiction is the illustrated autobiography of C. P. Strain entitled, "From Plowboy to Assessor, or the Self-Rising Flower of Civic Virtue." Just off the presses last week. Details briefly the home-spun career of a public official. Characterized by touches of pathos climax depicting the triumph over hydra-headed corporate privilege and an underlying note of impending tragedy. Concluding chapters yet to be written. Paper bound, distributed free in Umatilla county until Nov. 7.

Take Your Choice. Say the republicans: "The prosperity is caused by the war but the high prices are caused by the democratic administration." Say the democrats: "The high prices are caused by the war but the prosperity is caused by the democratic administration."

Newton's Discovery. Newt Martin had a meerschmum

pipe which he had nursed for years until it had a beautiful ebony coloring. He rooms with a couple of other young bachelors and they have a lady come in each morning to tidy up their rooms. Last week the lady discovered Newt's pipe and, thinking it a shame it should have become so discolored from usage, she rubbed and scrubbed it for an hour until the dark hue had faded entirely away. Judging from Newt's remarks, he doesn't appreciate the act of service.

A Cheap Commodity. Bill Lane says he's going to get a barrel and pickle down some of the "I told you so" stuff that will be spread over the community Wednesday.

Wonder Where They Got This? If you think Baker has a hot political campaign, you should visit Pendleton. There the battle is so hot that republicans are accusing democrats of hiring men to march in a Wilson and Chamberlain parade held on Wilson Day. —Baker Herald.

Kickapoo worm killer kills and removes the worms and has a tonic effect on the system. Does your child eat spasmodically? Cry out in sleep or grind its teeth? SUNDAY SERVICE WELL ATTENDED

RECORD AUDIENCES HEAR EVANGELIST FAGAN AT CHRISTIAN CHURCH.

Sermon on Sunday Night Declared One of the Greatest Ever Delivered in Pendleton.

Sunday was a great day in the special meetings at the Christian church. Evangelist Fagan gave two of his very best sermons to record audiences and preached at the Union S. S. at Riverside at 8 o'clock in the afternoon. The meetings are showing vital interest in the great moral and spiritual topics being discussed. In fact they have every promise of doing much good in the community. Among the most enjoyable features of these meetings is the music. The inspirational congregational singing led by Mr. Fagan gets everyone to participate and the special songs by Mr. Fagan are spoken of in the highest terms. Miss Georgia Kess's violin solo at yesterday evening's meeting was a rich treat to all. A new feature will be added to the music this week, a number of instruments will be used, adding much power and harmony.

Evangelist Fagan's sermon Sunday night to almost a capacity house was said by many to have been one of the greatest sermons ever preached in Pendleton. His subject was "The Battle Over the Empty Grave," in which was treated in an able and thorough way the evidences of a virile faith in the resurrection of Jesus of Nazareth from the dead. The au-
