**Backache Just Like a Toothache!**

**Dear Mr. Editor**—Sometimes ago I had backache very bad; it would ache just like a toothache. I tried a new discovery of Doctor Pierce's, called "Anuric." This is for kidneys and backache. I soon felt relieved of all backache and had no more pain, and I hope others troubled in the same way will try this wonderful new remedy.  
Yours sincerely,  
Mrs. LINCOLN STRAINS.

**Note:** It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anuric," has been discovered by Dr. Pierce, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anuric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues. Dr. Pierce, who is director and chief physician at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has been testing this wonderful medicine for the relief of over-worked and weakened kidneys. The relief obtained by sufferers has been so satisfactory that he determined to place "Anuric" with the principal druggists in town where people could get this ready-to-use medicine. "Anuric" is not harmful or poisonous, but aids nature in throwing off those poisons within the body which cause so much suffering, pain and misery. Scientists assert this remedy is 37 times more potent than lithia.  
For Diabetes and Bright's Disease this remedy is building up a reputation as good as Dr. Pierce's other well-known medicines which have been proven reliable during nearly fifty years, such as Doctor Pierce's Favorite Prescription for the ills of women, Doctor Pierce's Pleasant Pellets, the liver regulator, and Doctor Pierce's Golden Medical Discovery for red blood.

at Prices Surprisingly Low

Nothing but the best of its kind is ever knowingly admitted to this store. When we announce a concession in price it means on the same excellent quality you always expect.

We and hundreds of other Hallmark Stores combined and imported direct an enormous lot of selected diamonds of good quality and mounted them in solid gold rings. To appreciate just how this co-operative Hallmark Store buying gives your dollar extra purchasing power, you have only to see these Diamond Rings at their exceptionally low prices.

Measured by values elsewhere—even in big New York stores—experts will know that, as priced by us, part of these diamonds cost you nothing.

Better come early, as these rings are sure to go fast. Diamonds, you know, are inclined to increase in value and are therefore considered a good investment.
