SALESMANSHIP CLASSES

Work in All Classes Is Admirably Performed Under Direction of Prof. McAuslan.

The subject considered at the short course in salesmanship at its fifth session which is the last for this week, was the one hundred points of salesmanship as applied to actual sales by demonstrations before the class. Prof. G. R. McAuslan, who is field expert for the University of Oregon and has charge of this course, showed first an example of skillful salesmanship and then asked numbers of the class to take part. In the first demonstration, Mr. Edward Gualtney took the part of the salesman, assisted by C. R. Martin, who acted as the customer buying a shaving outfit. The second demonstration sale was conducted by Miss E. Kinman and Miss Virginia Todd, the articles sold being gloves and veils, and in a third demonstration Mr. C. E. K'nersly sold men's furnishings to Mr. Ed Gualtney. The work in all cases was most admirably performed on the part of each participant.

Alleged Grain Thief Caught.

Ed Vandevere alias Bert Smith, is the pitcher that went to the well once too often. Recently, it is alleged, he hired a team and wagon, went to the Ira Perkins ranch on Stage Gulch, stole 20 sacks of wheat and sold them to a local mill for \$54. He then decamped. The theft was reported to Sheriff Taylor. This morning the sheriff learned that a man was offering ten sacks of grain to a mill and he questioned him. Investigation led the sheriff to the belief that he was the same who had robbed Perkins and he was taken into custody. He had hired a team at the same place as before but Sheriff Taylor was not yet learned where he got the grain. Vandevere sometime ago escaped from the penitentiary at Walla Walla and while walking along the road toward, was overtaken by Deputy Sheriff J. H. Estes in an auto. Vandevere, not suspecting he was an officer, asked for a ride and was brought to jail.

picture of the church of God in the world today. Every experience of the church is set forth in the life of Israel.

The next session of the class will be at 8 o'clock Monday evening and the general subject for the week will be the fundamentals of fabrics. SUNDAY BIG DAY AT THE REVIVAL

EVANGELIST FAGAN ANNOUNCES
TWO OF HIS MOST POPULAR
SERMONS.

"Watchers at the Cross" Subject of Morning Service, "Where the Devil Goes to Church" Is Evening Theme.

Sunday will be full of interest to all who attend the evangelistic services at the Christian church. Mr. Fagan announced two of his most popular subjects. On the morning he will preach on the theme "Watchers at the Cross" and the evening subject will be "Where the Devil Goes to Church."

Last night Mr. Fagan preached a great sermon study on Moses as a type of Christ. Moses, the law giver and leader of Israel prophesied that God would raise up a prophet unto them like unto me. In Jesus of Nazareth the Mediator of a better covenant we have the fulfillment of the prophecy. Mr. Fagan in a very striking manner pictured the bondage of the son of Jacob in Egypt, a symbol of the bondage of all men in sin, then going forth from Pharaoh, led by Moses through the red sea with the wilderness, each feature of which sets forth corresponding steps in God's pardon of men and their liberation from the bondage of sin. Paul makes like comparison in the tenth chapter of 1 Cor., when he says, "For I would not, brethren, have you ignorant, that our fathers were all under the cloud, and all passed through the sea, and were all baptized with Moses in the cloud and in the sea."
