Diamonds

Diamonds are constantly increasing in value, and as fine stones become more and more rare and the cost of obtaining them increases, the fortunate owner of a fine diamond may consider that he holds security that is perfectly safe, and will yield a good return at any time.

Our stock is carefully selected. Anticipating an advance in the price of diamonds we bought early and heavily.

We have the largest stock of diamonds in Eastern Oregon.

We will be glad to have you see our collection.

NEWS OF PENDLETON

Drunk is Jugged.
Eli Parr was arrested last night on a charge of drunkenness.

New Electric Sign.
The Cozy Theater has installed a new electric sign to attract the attention of the movie fans.

New Machine Installed.
A new little cancelling machine has been installed at the post office. The machine is such as is being used in only the larger federal offices of the country.

To Attend Football Game.
Among the Pendleton fans who went to Walla Walla this morning to attend the W. S. C. Whitman College football game were Alvin Knight, Roy Alexander, Marshall Spell, Hans Struve and Carl Cooley.

Improving Very Slowly.
Mrs. Claude Penland, who has been bedfast with a nervous breakdown for the past month, continues to show signs of improvement though very slowly. She is now conscious about half the time. Two nurses are still in attendance upon her.

Students Hold Rally.
A large number of high school students joined in the rally last evening to advertise the football game this afternoon between the school team and the "All Stars." Their parades formed at the corner of Main and Eluff and was led by the military corps. Other students carried banners and noise-making instruments.

Light Co. Submits Contract.
The Pacific Power & Light Co. last evening submitted an agreement to the city council, the purpose of which is to substitute for the present 550 arc lights 600 candlepower Mazda lamps at the same price now being paid. The agreement, if adopted, would extend the company's contract from 1917 to 1926. The agreement was referred to the city attorney and light committee.

Brought Back Nine Turks.
D. D. Phelps and J. J. Hamley were among the sportsmen who attended the big turkey shoot at Helix yesterday and they brought back nine turkeys. They report a great number of sportsmen present from all over the country. Seventy five turkeys, 50 geese, 50 ducks and four quarters of beef were among the trophies. A barbecue was served at noon free of cost to all present.

Will Put Walk In.
After trying vainly to ascertain upon whom to affix the cost of putting in a sidewalk along the piece of property at the corner of West Webb and Chestnut streets, the council last evening decided to put the walk in and fund the owner afterwards. The property belonged to the N. P. but when the street was paved, the railroad company refused to claim it, turning it over to the Warren Construction Co. The latter company, however, now refuses to claim it, preferring to turn it over to the city rather than pay the costs of building a sidewalk.

City Buys a Studebaker.
A Studebaker auto truck was ordered purchased for the fire department by the council last evening. The fire committee, which had been considering the bids, reported recommending three cars. Its first choice was a Reo speed truck for \$1180, second choice a Studebaker truck for \$985, and third choice a Dodge Bros. truck for \$790. The council did not wish to spend over \$1000 and finally settled upon the Studebaker after the fire committee had conferred for a few moments. The purchase price includes a body for the truck. The company will guarantee the car for a year.

Dies at Hospital.
Edward Fleming of Echo passed away at St. Anthony's hospital last night after a short illness from pneumonia. Mr. Fleming was brought to

the hospital last evening and died about an hour after his arrival here. He has been in this county since last April. He is known to have relatives in Michigan and it is probable the body will be shipped there for interment.

Finishes Moving Store.
J. L. Vaughan has almost finished the task of moving his stock of electrical fixtures into his new location next to the new offices of the Pacific Power & Light Co. on Court street.

City Attorney Given Help.
The city council last evening authorized City Attorney Fee to secure assistance in representing the city in the \$16,000 damage suit brought against the city, The Peoples Warehouse and Gibson & Cole for the injury to Miss Grace Hoch when she was caught under the false front to the Peoples Warehouse when it fell during a wind storm. The council instructed the city attorney that no compromise would be considered.

28 Years Ago Today

(From the Daily East Oregonian, Nov. 30, 1888.)

The house movers commenced their work of despoilments this afternoon in the back yard of the old Golden Rule, tearing up things generally. When it is removed Court street will be 50 feet wide from Main street to the city brewery.

The ticklish job of driving the traction engine to be used temporarily in the operation of Byer's electric lights, across the Main street bridge, was safely accomplished by "Rock" Bostwick and Ben Hagen, although the structure shook and quivered like a living thing during the operation.

Henry Richardson and company have received complete and reliable assays from their Greenhorn mountain ledges. The Sultana shows a yield in gold of \$400 per ton, the Sultan \$90 in free gold.

R. H. Simpson, Helix merchant is in town today.

Masons Take Notice.
Members of Pendleton lodge No. 52, A. F. & A. M., will meet at Masonic hall at 2 p. m. tomorrow (Friday) to attend funeral of J. Henry Kunzie. S. H. FORSHAW, W. M.

RHEUMATISM usually yields to the purer blood and greater strength which

SCOTT'S EMULSION

creates. Its rich oil-food enlivens the whole system and strengthens the organs to throw off the injurious acids. Many doctors themselves take Scott's Emulsion and you must stand firm against substitutes.
