

OREGON IS DRY WHEN LEGISLATURE ACTS

ATTORNEY GENERAL BROWN WILL ADVISE ALL DISTRICT ATTORNEYS AND OFFICIALS.

Dry Amendment As It Now Stands Is Unenforceable Since It Lacks a Penalty—Attempts Would Only Result in Confusion.

SALEM, Dec. 1.—Oregon will operate under the prohibition law now in effect until additional legislation to cover the "bone-dry" amendment adopted at the recent election, is passed by the legislature, early in January, Governor Withycombe and Attorney General Brown said today. That all doubt among district attorneys and other state and county officials may be removed in respect to the effect of the new constitutional amendment, Attorney General Brown within the next few days will issue a statement to such officials, advising them against trying to enforce the "bone dry" amendment until the legislature has acted.

Amendment Now Unenforceable. As the amendment now stands, the attorney general declared today that it was unenforceable, since it lacks a penalty clause for any infractions. Attempts to enforce the new amendment before the legislature has passed an act to make it effective it was said would only cause confusion.

The complete canvass of the vote on the different amendments and candidates for office will be completed next Tuesday, December 5, Secretary of State Olcott said today, and Governor Withycombe will then issue his proclamation declaring the "bone dry" amendment a part of Oregon's constitution.

Penalty Not Now Provided. "To make this amendment effective however," said the attorney general, "there must be a penalty for its violation. The amendment reads that 'no intoxicating liquors shall be imported into this state for beverage purposes.'"

ELDERLY COUPLE SUFFERED FROM COLD. Mrs. Margaret Smale of Bishop Cal. takes the quickest and best way to cure herself and husband of a cold. She writes: "Foley's Honey and Tar is a grand remedy for all you claim for it. I was suffering from a cold and used Foley's Honey and Tar. It acted like a charm. We are both in perfect health now, but if there is any evidence of a cold, we soon overcome it by the use of your wonderful medicine. "Before the importation of intoxicating liquors for beverage purposes into the state can be punished criminally, it is necessary for the legislature to enact some law, such as exists in the state of Idaho, where the shipment, sale, importation, delivery, respect or possession of intoxicating liquor is unlawful, except in specifically enumerated instances."

"IDLE HANDS ASSIST ENEMY," SAYS HOLLWEG

Reichstag Leader Urges German Citizens to Mobilize to Assist Munition Making.

BERLIN, Dec. 1.—(Via Sayville.)—Hollweg told the Reichstag that Germany is ready for a peace guaranteeing her existence and future. Since the enemy is undetermined of

peace yet, German's armies will go forward. Hollweg introduced a bill for a national auxiliary service and "mobilization of civilians."

"The war continues its destructive forces," said Hollweg. "Thus our enemies desire it. They celebrate the last summer as a victory period. But they have not obtained what they wanted. Our lines are unbroken. Romania atones for its deeds. God helped us and will help us further. Our troops display almost superhuman heroism."

Hollweg said the whole world gave the allies munitions. He argued that Germany must do everything possible to manufacture war material.

He urged mobilization of all civilians to assist in munition making and said: "Idle hands assist the enemy."

O. A. C. DEFEATS U. OF S. C. 16-7

GAME WAS MARRED BY ROUGH PLAYING ON BOTH SIDES.

Washington University Beats California to the Tune of 14 to 7—U. of O. Is Victor Over Multnomah by a 27 to 6 Score.

LOS ANGELES, Dec. 1.—Oregon Agricultural College defeated the University of Southern California eleven here, 16 to 7, in a game marred by rough playing, for which both sides were penalized frequently and which resulted in McNell, of Oregon, being sent to the sidelines by Referee Kralholz.

Oregon took the lead at the beginning of the second period when McNell's touchdown after U. S. C. had held them scoreless in the first period by breaking through the heavy Aztec line and stopping plays before the backs got started.

Near the end of the second period Conn kicked a goal from the field. Both teams scored a touchdown and goal from touchdowns in the final period.

Washington 14, California 7. UNIVERSITY OF WASHINGTON, Seattle, Wash., Dec. 1.—Before a turkey day crowd of 10,000 on a beautiful day and a fast field, Washington scored a 14 to 7 victory over California, but playing the Golden Bear at her own game, composed mostly of an aerial attack, and finished for Doble and Washington nine successive years of victories and no defeats. It was an even battle for the first two quarters, California being the aggressor during the first period, keeping the Doble goal in constant danger. The Washington backfield found itself in the second period and Noble and Hainsworth ripped the California line for big gains.

OREGON 27, MULTNOMAH 6. PORTLAND, Ore., Dec. 1.—Polishing up for its New Year's game with Pennsylvania, the University of Oregon football machine ran rough-shod over the Multnomah Athletic Club men yesterday and won, 27-6, in the annual turkey-day game. For the second successive year Oregon sent out a team on the field which was individually superior to the clubmen. An Oregon victory was expected but hardly one so lop-sided. Sheer power and ability turned the trick. Multnomah's linemen could not cope with the well-trained and husky college lads.

While Oregon made few first downs consecutively from scrimmage the collegians found it an easy task to break through the fine line and block punts, furnished the way to the scoring yesterday.

GENERAL TREPOFF BECOMES PREMIER

LONDON, Dec. 1.—Despatches from Petrograd today announce the retirement of M. Strumer, premier of Russia, and the assumption of the office by his successor, General Alex-

ander Trepoff. An imperial ukase immediately appointed M. Strumer grand chamberlain of the imperial court, without loss of his functions as a member of the council of the empire.

W. S. C. 46, Whitman 0. WHITMAN COLLEGE, Walla Walla, Wash., Dec. 1.—After Washington State College had, with the breaks in luck, piled up an 18-point lead in the first three periods of the game here they opened up in the fourth quarter for 28 more and won, 46 to 0.

Walla Walla 27, Baker 14. BAKER, Ore., Dec. 1.—Walla Walla high school eleven won from the Baker high school, 27 to 14, before the largest crowd of the season on the Valley-avenue grounds yesterday. Walla Walla put up a brilliant game and its superior weight greatly aided in its victory. Sax and McGrew put up a star game for the victors while Kelley and Tanney had a part in the glory.

In the first quarter McGrew worked forward passes with Jones, Hollman and Tenney. Kelley went through the line twice and Sax skirted right end for a touchdown and kicked goal.

SIGN OF SEVERE WINTER SEEN IN ACTION OF COYOTES

DELPHOS, Kan., Dec. 1.—Local weather "prophets," most of them pioneers who have observed conditions in Kansas for 40 years or more,

are predicting a severe winter for the Solomon River valley country.

When the coyotes in early fall begin running in packs, they claim it is an unfailing sign. This these "varmints" have been doing for weeks and already have grown so bold they invade barnyards and carry off turkeys and other poultry.

The unusually large number of rabbits is said to be another indication. They have begun to gnaw the trees in young orchards.

There was a heavy snowstorm in October and also a recent cold spell with the mercury only five degrees above zero. There have been largely increased purchases of coal among the farmers.
