

The Dean Tatom Co.

Don't forget that as long as you buy on credit you pay more than the one that pays cash, the big part of this high cost of living is caused by the way people buy their groceries. You ask a merchant to accommodate you by opening up an account, he can not get bookkeepers and stationery for nothing, so it's up to you to pay for these. Not only these items but some one has to pay for the fellow that does not pay, and it's not the one that pays cash.

CARDINAL GIVES HIS CAP, TOKEN TO PAPAL COUNTESS

Gibbons, Receiving Large Delegation of Catholic Women, Especially Honors One of Them.

BALTIMORE, Dec. 2.—A thousand women attended the reception given after high mass today by Cardinal Gibbons to the delegates to the International Federation of Catholic Alumnae. The Cardinal surprised the assemblage when the Papal Countess Spottiswood-Mackin of New York and Paris was presented to him. She wore a black dress on the waist of which were pinned her decorations. "I am delighted to see you," said the Cardinal.

Then while scores were in line waiting to be presented the Cardinal removed the little red skull cap emblematic of his rank and presented it to the Countess. "Keep this as a remembrance of me," he said.

The Countess, kneeling, accepted the gift. "If you will allow me after the reception I will present you with an autographed photograph," the Cardinal added.

GEN. WOOD CONGRATULATES MISS RUTH LAW

MISS RUTH LAW GEN. LEONARD WOOD

When Miss Ruth Law, twenty-eight years of age, dropped down on Governors Island, New York City, in her aeroplane from Chicago, she had broken two American endurance records, and General Leonard Wood, commander of the department of the east, was one among many to recognize the importance and daring of her flight. She flew Sunday, Nov. 19, from Chicago to Hornell, New York, 590 miles without a stop, and the following day she flew from Binghamton to New York City, 217 miles. She had made the whole distance of 807 miles in 8 hours, 55 minutes and 30 seconds. Her flight to Hornell broke American no-stop records, and her completed flight to New York City broke all distance records for the time.
