WHEN CIVILIZED WAR RULES ARE FOLLOWED

LONDON, Dec. 5.—The admiralty makes announcement of an incident, which, it says, "is interesting as showing what happens when the commander of a German submarine departs from the custom of sinking all ships he meets and follows in a particular instance the procedure of civilized war fare."

On Nov. 13, according to the statement, a German submarine captured the Norwegian steamship Oelder, bound from Newport for Gibraltar, and placed a prize crew aboard the vessel. For a time the submarine accompanied the prize and "continued acts of piracy on other ships," but eventually the Oelder separated, apparently intending to make for a German port. She was intercepted by a British warship, recaptured, despite an attempt to blow her up, and brought to a British port, where the prize crew are now prisoners.

County Superintendent Young has received from the standard high school districts. Last year there were 105 non-resident students attending standard high schools and this year, with one school yet to report, there are 145. These districts are paid the actual cost of educating these pupils from a county fund derived from a tax levied on the districts having no standard high schools. Last year this sum amounted to \$8137.44 and this year it will run over \$12,000.

PREFERS BRIGHT LIGHTS TO FARM LIFE

Miss Mary Smith, a Chicago stenographer, has returned to Chicago after a fifteen months' stay on the farm as the adopted daughter of Mr. and Mrs. Pankhurst, a wealthy couple of Amboy, Ill. Miss Smith was offered a home, \$3 a week, and \$10,000 when the old couple she was brought up to be the "daughter" to died. Miss Smith was selected from 1500 girls who had applied for the position, and later, returning to Chicago after thirteen months of farm life on the Pankhurst farm, declared that farm life was intolerable. One of the terms under which Mary took the job stipulated that she was to see no men and not marry until after the death of the Pankhursts.

HIGH SCHOOL NEWS

The girls' forum of the high school will be held on Thursday evening of this week. A banquet will be served after which a talk will be given by some well known speaker.

A structural body meeting was held at the high school this morning. A list of the names of those eligible to hold positions on the staff of the high school paper was read, but it was decided to hold the election over until the next meeting. A motion was made and passed that the school elect a baseball manager. Harry Hays, Wade Grant, Balfe Ulrich and Roy Duff were nominated for the office. The election was held at the close of the meeting, the results to be posted later.

Chicago is going to have a horse show next month and the horse will not be shown as a curiosity, either.
