### SPEAKER MAY MANAGE CLEVELAND INDIANS

TRIS SPEAKER. (APRIL 1916)

CLEVELAND, O., Dec. 4.—Reports are still being circulated to the effect that Tris Speaker, the great infielder and champion batter of the American league, is to succeed Lee Pohl as manager of the local team. Speaker and President James G. Dunn, of the Cleveland American league club arrived in town at the same time, which was enough to start the gossip. Dunn's statement that he shortly would have several important announcements to make didn't tend to overcome the rumor any.

Public resorts which cultivate commercialized vice intensively ought to go on the garbage heap.

### RESIDENTS OF 30 STATES VISIT CAMP GROUNDS

Eagle Creek is Mecca for 15,000 Visitors During Summer Season.

PORTLAND, Dec. 2.—The Eagle Creek Camp Grounds on the Oregon national forest attracted 15,000 visitors from thirty states and a dozen foreign countries during the outing season of 1916, according to T. H. Sherrard, supervisor of the Oregon National forest. This is the first season these camp grounds have been easily accessible to the public.

The grounds have been developed under a carefully devised plan of the forest service to make them both attractive and convenient to campers and visitors. Nearly one hundred campsites with safe fireplaces and other conveniences have been prepared. Excellent water has been piped to the grounds and a sewer system installed. A public comfort station is centrally located where it is accessible from all parts of the grounds. A short loop road from the Columbia highway makes it possible for automobile parties to drive directly to a campsite, thus making the packing of equipment and supplies unnecessary.

A forest officer was stationed at the camp grounds during the season who assisted visitors in finding a satisfactory campsite and park place for their machines. He saw that a fire was kept burning in a large concrete stove for the convenience of transient parties in making coffee or cooking food without having to start a fire. A supply of fire wood was kept ready for visitors' use, and garbage cans were conveniently placed about the grounds.

Among the fifteen thousand visitors at these camp grounds were parties from Alaska, Canada, China, England, France, Germany, Hawaii, Japan, New Zealand, Scotland and Switzerland, besides thirty of the states of the union.

In preparing for the winter, the pipe lines have been disconnected and the comfort station locked. The tent occupied by the ranger as a temporary headquarters has been taken down. It is planned to build a permanent ranger station on the grounds the coming season.

A topographic survey of the grounds has just been made, and a large number of new camp sites on the west side of Eagle creek are planned. An automobile bridge across the creek is part of the plan to make the new campsites more accessible.

The trail up Eagle creek has been completed for four and a half miles to a bridge site a mile and a half above the Punch Bowl. Here a bridge will be built 50 feet long and 125 feet above the creek. It is expected to complete this trail to Wahtum Lake next season.

The excellent cooperation of visitors in keeping the camp grounds in a neat and attractive condition is appreciated by the forest officers who have charge of the grounds.

Because public camping grounds of this sort meet a real need, says Mr. Sherrard, the forest service is planning to develop several suitable sites on the national forests of Oregon and Washington in 1917. According to present plans, a camp ground near Rockdale on the Snoqualmie forest will undergo the most extensive development next year.

Nick Longworth goes back to congress, but his eminent father-in-law is headed for the land of the head-hunters.

### PILOT ROCK HAS GAY THANKSGIVING

BIG BALL IS GIVEN ON NIGHT BEFORE AND DAY IS CELEBRATED WITH FAMILY PARTIES.

Minstrel Show Much Enjoyed—Elizabeth Hoffman Ill With Typhoid Fever—Town Now Well Supplied With Fuel—Other News Notes.

(East Oregonian Special.)

PILOT ROCK, Dec. 4.—The Thanksgiving eve ball given at the Odd Fellows hall on November 29 was a success in every line. The fact that the music was furnished by Albrecht's orchestra brought an extra large crowd. People came from out in the country and about four carloads of young people from Pendleton were out too.

The largest crowd that has ever filled the opera house turned out at the minstrel show Thanksgiving night. Every seat was sold and extra chairs had to be brought up to accommodate the crowd. The show itself did justice to its audience by giving a line of the best comedy in songs, dancing, recitals. A dance was given afterwards.

Thanksgiving day was much enjoyed in Pilot Rock. Families came together to eat "the" dinner, and many baskets of goodies were taken to the sick and old.

Elizabeth, the small daughter of Mr. and Mrs. James Hoffman, is ill with typhoid fever.

M. Gilbert is at present working at Casteel & Stanley's.

Oliver Knotts has purchased a new Dodge car.

Tom Belts was down from Nys Friday. He hauled in several cords of wood.

Pilot Rock is now well supplied with coal, several carloads came in on Thanksgiving.

Mrs. E. R. Lester is reported to be slightly worse. She has been sick with the grippe.

Winnie Smith spent part of Thanksgiving day at Pendleton.

Miss Mary Schlegel visited Pendleton Friday.

L. W. Owens is the possessor of a new Ford car.

Chas. Lightfoot and family were in town Saturday.

Ester Wisdom has resumed her position as telephone operator. She has been visiting her parents the past week.

Vivian Gibbs, who is attending high school in Pendleton, spent Thanksgiving with her aunt, Mrs. Walter Smith.

Miss Ida Eldridge spent Thanksgiving season with her parents. She attends school in Pendleton.

Miss Fay Hinkle was another home comer for Thanksgiving.

T. P. Gilliland from east of town, was in Pilot Rock Saturday.

Mr. Hooper and family have moved into the house that the Shock family just vacated.

The Parent-Teacher's meeting will be held December 8 and all members are urged to be present. A program will be given before the business meeting, and visitors are welcome.

### TWO POLICEMEN'S GRIT SAVES A DYING MAN

NEW YORK, Dec. 2.—Exhausting first aid work kept up by two big policemen for a full hour and a half last night, under the direction of Dr. Irving D. Siris of Bellevue hospital, brought a young attempted suicide from apparent death to life in a hall room at No. 437 East Sixteenth street.

Walter Ladislav Switalski, twenty-three years old, had placed a gas tube in his mouth and when Patrolman Michael O'Donnell, summoned by another lodger, broke into the room, Switalski had every appearance of having undergone complete asphyxiation. His face was purple and he had "swallowed his tongue"—the usual sign of death in such cases, O'Donnell sent the other lodger to

### Why "Anuric" is an INSURANCE Against Sudden Death.

Before an Insurance Company will take a risk on your life the examining physician will test the urine and report whether you are a good risk. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or the twinges and pains of lumbago, rheumatism and gout. The urine is often cloudy, full of sediment; channels often get sore and sleep is disturbed two or three times a night. This is the time you should consult some physician of wide experience—such as Dr. Pierce of the Invalids' Hotel and Surgical Institute, Buffalo, N. Y. Send him 10 cents for sample package of his new discovery, "Anuric." Write him your symptoms and send a sample of urine for test. Experience has taught Dr. Pierce that "Anuric" is the most powerful agent in dissolving uric acid, as hot water melts sugar; besides being absolutely harmless it is endowed with other properties, for it preserves the kidneys in a healthy condition by thoroughly cleansing them. Being so many times more active than lithia, it cleans the heart valves of any sandy substances which may clog them and checks the degeneration of the blood-vessels, as well as regulating blood pressure. "Anuric" is a regular insurance and life-saver for all big meat eaters and those who deposit lime-salts in their joints. Ask the druggist for "Anuric" put up by Dr. Pierce, in 50-cent packages.

### STRENGTH AND BEAUTY

Come with Dr. Pierce's Golden Medical Discovery. This is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart, nerves, brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and vigorous instead of tired, weak and faint.

fetch Policeman Jack Walter on the next post and tell him also to call an ambulance.

Then O'Donnell, a huge man, stripped himself of his great coat and went to work to induce artificial respiration. Walter and O'Donnell are the largest men of the East Twenty-second street station. When Walter arrived he too stripped to his shirt sleeves and both men were working over Switalski when Dr. Siris arrived.

The physician made a bridge to keep the man's jaws apart and then, with a forceps, lifted the tongue back into normal position, making a passage for air.

For more than an hour the task

the big policeman had set for themselves seemed hopeless. Their faces were steaming, their clothing soaked in perspiration.

At length the physician's stethoscope could detect a flutter of the youth's heart. At the end of an hour and a half the policemen and doctor had the reward for their aching muscles. Switalski began to breathe again and at last opened his eyes.

An envelope addressed "Mr. Fedockki, Twentieth street, 234, New York," inclosed a note asking that Switalski's mother be told he was thinking about her in his last moment. A postscript said "I'd like to live but like a man."

# Manualo

The Instrument You were Born to Play

You play the Manualo through the pedals in the same sense that an artist plays it through the keys. Just as he secures musical effects by giving his feeling full sway in the fingering, so does one at the Manualo secure equally intimate effects through the instinctive expression of his musical impulses in the pedaling. The Manualo is controlled from the pedals as from the keys. It is a piano to you who cannot play by hand as to those whose fingers have years of training. Come in and try it. ## MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

LOOK AT TONGUE! MOVE POISONS FROM LIVER AND BOWELS AT ONCE.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Co."
