## VISION OF LASTING PEACE IS MUNSTERBERG FINAL MESSAGE TO THE WORLD

WHOLE WORLD ON GOOD TERMS, WITH HATED FORGOTTEN, AT END OF EUROPEAN WAR. PREDICTED BY HARVARD PROFESSOR BEFORE SUDDEN DEATH.

NEW YORK, Dec. 21.—The last public message of Professor Munsterberg, who died suddenly in his classroom in Cambridge, Mass., contains a vision of peace and good will and in it the writer indicated that he believed such a peace was near. The message was sent to a weekly magazine here and made public today upon receipt of news of his death. Of the war the message says:

No trace will remain; those who hated most hotly will forget most quickly. Men will look one another

in the face with astonishment; the spell will be broken. They simply will not believe that they could misjudge and maltreat their friends so grossly. The subtle power of our mind to forget will become mankind's blessing. As soon as peace is secured we shall keep the peace, not only by harsh methods of enforcing it but by the hundred times better method of making it natural. And it can become natural because all the scorn of today will fall off like a scab of a healing wound.

Unless all psychological signs deceive us, after this war ends peace really will be lasting—and I feel sure the end of the war is near, the world Christmas tree will be glistening tomorrow, the fragrance of its candles already pervades the world.

## REFUSED TO SWEEP UP AUTO'S REMAINS

Owner Whose Car Was Stolen Found Wrecked and Is Held for Littering Street.

NEW YORK, Dec. 19.—Every since William J. Popp of No. 14 Ninth Avenue, Astoria, bought a popular brand of automobile several weeks ago the going has been rough for him.

He visited a friend at Broadway and Second Avenue Saturday night and tied his car to a post. When he came out a few minutes later it was gone. He reported the loss and Policeman Mohrmann soon found William Wolff, twenty-three, of No. 54 Wilson avenue, Long Island City, sitting in Broadway in a dazed condition. A car in which he had been riding had struck something and was piled up like an accordion. When the policeman questioned him he smilingly said some one had planted a tree in the road.

About this time Popp came along

and recognized the remains of his auto. Policeman Shales Sold also happened along and ordered Popp to remove what was left of the car.

"Me remove that junk? Not on your life," he rejoined, whereupon he was arrested.

"It's pretty rough to have your machine stolen and wrecked and then get arrested," he said to Magistrate Conway in Long Island court yesterday.

"It certainly is," agreed the magistrate. "I'll parole you for further hearing tomorrow."

Wolff was held in \$1500 bail on a charge of grand larceny.

## EVE FIRST "NEW" WOMAN.

NEW YORK, Dec. 20.—It is foolish to be worried over the "new" woman. Dr. Anna Howard Shaw assured the Institute of Arts and Sciences at Columbia University last night, for she is not as "new" as she is painted. In

fact, she traces her descent from Eve

"Eve," Dr. Shaw assured her audience, "took the first step toward feminism in partaking of the fruit of the Tree of Knowledge. Though overcome, retarded and sidetracked on

the way, through the sex degeneracy of some women, nevertheless there has been ever present in women that aspiration."

Feminism Dr. Shaw defined as "aspiration for true humanism."

## Suffered the Agony of a Dozen Deaths

MR. F. GIFFORD

In a letter to friends at Saskatoon, Mr. F. Gifford, of the Ball Rock Farm, Maymont, Saskatchewan, Canada, says: "Thanks to Fruittola and Traxo I am alive. I lay on my back for sixteen days, suffering the agonies of a dozen deaths. I began taking Fruittola and was relieved of a great many gall stones. My health is now fully restored."

Fruittola and Traxo are compounded from the original Edsall formulas at the Pinus Laboratories in Monticello, Ill., and can be purchased in Pendleton of Tallman & Co., 621 Main street; a doctor's prescription is not necessary. Fruittola is a pure fruit oil and acts as an intestinal lubricant and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alterative that is most effective to rebuild and restore the weakened, rundown system.

A booklet of special interest to those who suffer from stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.
