Did you ever hear of a woman's giving to charity the money she had saved up to buy a new bonnet?

WOMEN SHOULD GET THIS HABIT AS WELL AS MEN

DON'T EAT A BITE OF BREAKFAST UNTIL YOU DRINK GLASS OF HOT WATER.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver kidneys and ten yards of bowels the previous day's indigestible waste sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

Danger Signal.

If the fire bell should ring would you run and stop it or go and help out out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere. —Adv.

DOGS PURCHASED TO HUNT OUT COYOTES

R. A. Booth Brings Trained Animals to Eugene to Try Out As Aid to Sheepmen.

ROSEBURG, Ore., Dec. 20.—R. A. Booth, of Eugene, arrived here last night with two trained coyote dogs which he recently purchased in Kentucky. The dogs were taken to the timbered districts today for their first tryout in this section of the state.

Sheepmen have lost heavily from coyotes during the past few months, and a combined effort is being made to exterminate the animals here.

NO BLOODHOUND NEEDED.

Trapper Runs Down His Stolen Property Without Aid.

AUBURN, N. Y., Dec. 21.—Roy Walter of Cayuga was found guilty by a jury before Justice of the Peace Candee in the town of Aurolis today of stealing a skunk. Sentence of $20 fine or twenty days in jail was imposed, but an appeal wil lbe taken.

Walters took the "critter" from a trap owned by Fred Weeks. The owner followed the scent without the use of bloodhounds.

One never knows how foolish some men can act until they break into the new father class.

TWO SHOT IN A LOVE AFFAIR.

John Budziak, 19, Kills His Rival Then Tries to Take Own Life.

CHICAGO, Dec. 20.—John Budziak, 19, and boyishly enthusiastic, sat down in his room last night and wrote an ode to "the girl in the next room." His was an untrammeled, robust love. But it was no greater than that of Oscar Helbig's—though Oscar's, no doubt, had a mortal tinge of jealousy.

John and Oscar met on the threshold of Pauline Buidzek's room today They all lived in the same building a rooming house at 759 Milwaukee avenue. In fact, Oscar, 65 years old kept it. The two men exchanged hostile glances Oscar spoke bitter words. Impulsive John whipped out a revolver and killed his rival. Then, in remorse, he shot himself. His condition is serious.

"I should have told John before that I loved him," sobbed Pauline.

UNITED STATES ORDERS 4000 MACHINE GUNS

Additional Contracts Will Soon Be Let for Nearly As Many More of the Vicker's Type.

WASHINGTON, Dec. 20.—The war department today let contracts for 4000 Vickers machine guns and accessories at a cost of $5,500,000, and announced that additional contracts would soon be let which would bring the sum to be expended on such weapons for the regular army and the national guard up to about $9,500,000

The department's decision was construed as finally disposing of the suggestion that the Lewis machine gun should be adopted as the army standard. In announcing the award, the department let it be known that the machine gun board had been reconvened to consider the Lewis gun and after holding extensive hearings had adhered to its original recommendation.

The board recommended that all funds available for the purchase of machine guns, except about $1,500,000, should be expended for Vickers guns and accessories.

The man behind the gun is all right—if he doesn't invite you to hold up your hands.

A WOMAN'S BACK.

The Advice of This Pendleton Woman Is of Certain Value.

Many a woman's back has many aches and pains.

Ofttimes 'tis the kidneys' fault.

That's why Doan's Kidney Pills are so effective.

Many Pendleton women know this

Read what one has to say about it:

Mrs. James B. Jacoba, 300 E. Bluff st., Pendleton, says: "I could never speak too highly of Doan's Kidney Pills, for I have never found anything their equal. When I take a hard cold or overdo, it always seems to settle in my back and kidneys. My back gets to aching so badly that I can hardly get around. My kidneys also get out of order and I can hardly do my housework. After I have taken Doan's Kidney Pills for a few days, my kidneys act regularly. That awful misery in my back lets up and in every way I feel as well and strong as ever."
