FLY OUTFLIES BEAR WHEN GUN FAILS HIM

John Chases Animal Half a Mile, Pulls Trigger, Then Finds Rifle Not Loaded.

NEW YORK, Dec. 21.—John Fly, of Westchester, N. J., chased a black bear for more than half a mile early yesterday morning. The course finally became too strenuous for the animal and he came to a stop. As he did so Fly pulled the trigger. He discovered he had forgotten to load his rifle and returned home, covering the course back in about half the time he made going and missing his hat and gun.

Fly was awakened by the barking of his six dogs. He went to a window, looked out and saw them giving battle to the bear which was in the poultry yard trying to get into the hen house. The battle between the dogs and bear lasted long enough for Fly to dress. Then he grabbed his gun and when the animal saw him he chose down a country road began.

"I never got close enough to fire until we reached some woods," Fly said, "when the bear stopped. By then I found I had forgotten to load my gun. I knew home was the place for me, and started. The bear made after me, but gave up after he saw the speed he was up against."

Mrs. Fly said the only manner in which she could account for her husband's loss of his hat was that his hair stuck up on end and lifted it off.

LAMBS TOUCH SEASON'S HIGH MARK

PORTLAND, Dec. 22.—The highest price of the season was reached for lambs on the North Portland market when sales of Willamette valley offerings were made at \$10 per hundred pounds.

This is a sheer advance of 25c over what similar quality stuff has sold in the yards to date this season and shows the famished condition of the market in general. East of the mountain stuff has been quoted recently at the \$10 mark because of the sales of valley tops at \$9.75; therefore on this same basis east of the mountain stuff should be moved to \$12.25.

General mutton and lamb market: Best east of mountain lambs none Best valley lambs \$9.75@10.00 Ewes \$9.50@10.00 Goats \$8.50

Cattle Market Is Higher.
With actual sales of steers in the North Portland yards at \$7.75, the top price for sales on the open market has been lifted a dime on the local market.

There was only a small run of cattle reported in overnight and the general sentiment was extremely firm.

General cattle market range: Best beef steers \$7.75 Good beef steers 7.00@7.50 Best beef cows 6.25@6.50 Best heifers 6.25@6.60 Ordinary to good 6.00@6.25 Bulls 5.50@5.00 Calves 5.00@5.00 Stocker-feeder steers 5.00@5.25 Stocker-feeder cows 4.00@5.50

Only a nominal showing of hog supplies was reported at North Port-

MEAT INJURIOUS TO THE KIDNEYS

TAKE A TABLESPOONFUL OF SALTS IF BACK HURTS OR BLADDER BOTHERS.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
