NEWS OF PENDLETON

Audits Round-Up Books.
C. K. Cranston has completed his audit of the books of the Round-up directors and found them in perfect condition with the exception of two minor inaccuracies.

Asks How Round-Up Does It.
The Cowboys' Reunion Association of East Las Vegas, N. M., has written to the Pendleton Commercial Association asking for information as to how the Round-Up raises the money which it gives as cash prizes each year.

Cost Him \$50.
It cost Jap Gulliford \$50 to carry liquor into a public place. He pleaded guilty yesterday afternoon and that was the amount of the fine. He was arrested on a charge of bootlegging but lack of evidence caused a change in the charge made against him.

Buys Two Quarters.
For a consideration given at \$11.00, Mrs. Marie Anna Eggers has purchased two quarter sections of farmland between Athena and Helix from John Witt. One section lies just north of the other. The deed of transfer was filed yesterday.

Wants List of Industries.
H. E. Miller, dean of the school of industrial and commercial services of the University of Oregon, has written the Commercial Association for a list of the industries and resources of Umatilla county for inclusion in a survey of Oregon which the department will publish.

To See Big Game.
Carl E. Engdahl, manager of the Farmers' Union Grain Agency at Helix, left today for Portland and expects to go on down to Pasadena for the big football game on New Year's day between Oregon and Pennsylvania. He will be gone about two weeks.

Gets New Wheel Chair.
Thanks to eight of his friends, Jimmy Carden, whose crippled condition makes it necessary for him to get about in a wheel chair, received a new chair for Christmas. His old one had been used so long that it was almost worn out. The new one has pneumatic tires and is of the same general design as the old.

To Ship Carload of Paper.
The local W. C. T. U. is preparing a carload of old papers and magazines for shipment to Portland and expects to derive a profit for the organization from the shipment. It is anticipated that the car will be ready by the last of January. Anyone having old papers is asked to notify the organization.

Decrees Are Entered.
Decrees of divorce for the plaintiffs in the following cases: Lillian V. Waddle, Willis J. Hillman vs. Martha Hillman, and Mary Elizabeth Stockton vs. James Lee Arthur Stockton, were signed today by Judge Phelps. Decrees were also entered in the cases of Louis Scholl vs. J. W. Sweson, Maxwell Land & Irrigation Co. vs. Modley Hough and Maxwell Land & Irrigation Co. vs. F. B. Roscoe.

Attends Manager's Meeting.
F. J. Armstrong, manager of the Pendleton Fruit Co., left this morning for Portland to attend the annual get-together meeting of all the branch managers together with the officers of the parent company, the Oregon Fruit Co. Besides the reports of the branch managers and a review of the year's business, plans for the extension of the Growers Marketing Agency, that is operated in connection with the Oregon Fruit Co. will come up for general discussion.

Docket Cleared of Deadwood.
Circuit Judge Phelps, Clerk Frank Saling and the attorneys of the local bar have been putting in the day clearing the docket of deadwood. More than a hundred cases had accumulated in the past five or six years which have been left by the attorneys with out either action for dismissal or prosecution. Inasmuch as Clerk Saling leaves office at the end of this week it was deemed advisable to get these cases out of the way. Nearly all of them were dismissed.

Wants Delegates Appointed.
The privilege of having two delegates at the annual Commonwealth Conference which is to be held at Portland January 3 and 4 has been extended to the Commercial Association of Pendleton by Dean F. G. Young of the department of economics and commonwealth service of the University of Oregon. Dean Young is the father of F. H. Young of the Pendleton high school faculty. He writes that one of the principal works of the conference this year is to draw up a modern highway code for submission to the legislature.

Wrestling Bout postponed Week.
The wrestling match between Frank McCarroll and Fred C. Crabbe, set for January 3, has been postponed until January 10, a telegram coming this morning from Crabbe and stating that he could not get here before that date as he had other bouts already scheduled. Meanwhile McCarroll will continue his workouts at the Jost gymnasium. The Pilot Rock Commercial Club has engaged the McCarroll brothers to put on an exhibition bout in Pilot Rock on January 9, and sometime before that date they will give an exhibition before the La Grande Elks.

Book Team Beats McDevitt's.
In a match bowling game at the Rungelow pool hall last evening the team captained by Fred Book defeated the Pat McDevitt team 2609 to 2534. Book made high score of 544

while high single game score was made by Bob Wheeler, who scored 221 in the first game. The following are the scores rolled by the two teams: Book, 584, Eggers 514, Butler 424, Baum 539, McMonies 546, total 2609; McDevitt 568, Newquist 483, Wheeler 567, Hanavan 432, Hoover 542, total 2584.

Charged With Bootlegging.
Jap Gulliford has been arrested by the police on a charge of bootlegging.

Elmer Knight Quite Ill.
Elmer Knight, son of John Knight, is reported quite ill at his home, 1109 East Court street.

Ten Above Last Night.
The mercury sank to ten above zero last night and has never been above 23 all day today. For a short while last evening there was a flurry of snow. Indications point to a colder night tonight.

"CAN" ROAD SOLD FOR JUNK.
TO BE RE-LAID IN ENGLAND

Owner Reaps Handsome Profit From Material on Line Thirty-Eight Miles Long.

NEW YORK, Dec. 27.—Bought as "junk" the Chicago, Anamosa & Northern, otherwise known as the "Can" road, has been resold and will be torn up and with its rolling stock shipped to England and re-laid, according to its president, Herman Sonker, attending the quarterly session here of the National Association of Waste Material Dealers. The price of old rails and iron has reached such heights, Sonker said, that the sale of the "Can" road realized a very handsome profit. The road is 36 miles long.

There have been extraordinary increases in the price of waste materials during the last year. It was announced. Used Sunday 5-cent newspapers are now worth 1 cent; old black stockings bring 1 cent a pair and woolen rags are worth 16 cents a pound to dealers.
