Dunne, Ill.; (8) Arthur Capper, Kan.; (9) Emerson C. Harrington, Md.; (10) Samuel W. McCall, Mass.; (11) Carl E. Milliken, Me.; (12) J. Franklin Fort, N. J.; (13) Frank M. Byrne, S. D.; (14) Roland H. Spalding, N. H.; (15) William Spry, Utah; (16) David I. Walsh, Mass.; (17) Marcus H. Holcomb, Conn.; (18) James P. Goodrich, Ind.

GOVERNORS, ex-governors and representatives of American states held their annual meeting in Washington and one of the most important things they did was to have their photographs taken all together. They stood on the White House grounds and posed. Some of them have been in this annual photograph for years but there are many new faces, showing how many men have risen to power.

Daily Chats With the Housewife

SKIRTS TO BE LONGER.
The edict has gone forth, having been recently decided upon by the Designers' Association of Women's Clothes in session at Chicago, that skirts are to be much longer. Moreover, it is said that the whole motif in dressing is to be different—artistry in design and long flowing lines being emphasized.

INDIAN MOTIFS MUCH USED.
The Indian motif is an important consideration in the fashion world just now. Beautiful designs in bead work or embroidery are used on one-piece frocks and afternoon suits. Mohawk, Cherokee, and Indian reds are prominent in these motifs.

EMBROIDERED ARM HOLES.
In some of the choicest gowns seen in the shops, the armholes are embroidered in curiously formed lines. Instead of following the line of the sleeve, an embroidered inset is placed at both front and back, entirely breaking the line of the armhole.

WELSH RABBIT.
One pound of cheese (medium), 2 tablespoons butter, yolks of 4 eggs, 1 cup of milk, 1-4 teaspoonful salt, 1-8 teaspoon pepper, 1-4 teaspoon mustard and a few drops tabasco or Worcestershire sauce. Melt the cheese in a chafing dish, add the salt, pepper, mustard, mixed together, then the yolks of eggs and the milk beaten together. When it thickens add the tabasco or Worcestershire sauce, and serve on toasted crackers.

RICE A LA PASCO.
Prepare a highly seasoned tomato sauce in the blender of the chafing dish, with 2 cups of strained tomato juice, 4 tablespoons of butter and 2 of flour, 1-2 teaspoon salt, 1-4 teaspoon pepper. Melt the butter, stir in the flour, add the tomato juice and season highly. Add to this 2 cups of cooked rice (Chinese style) 1-2 cup of cooked mushrooms, 1-2 pimiento and 1-2 green pepper, sliced. Serve from the chafing dish with grated Parmesan cheese.

MILK VEGETABLE SOUP.
Two quarts of boiling water, 4 or 5 potatoes, 2 leeks, 2 sprigs celery, 2 turnips, 2 ounces butter, small pieces of mace. Boil these to a pulp, add 1 teaspoon salt and 1-4 teaspoon pepper, and a teaspoonful of white sugar. Pass through a sieve. Soak 1

ounce crushed tapioca in a little boiling water, and add to the soup; boil a few minutes, and add 1 pint of warm milk, after which the soup must be boiled.

SAVORY CAULIFLOWER.
Boil the cauliflower in the usual way, drain it, and break it in pieces. Lay the pieces in a buttered pie dish, pour over a white sauce, sprinkle with pepper and salt; then grate a layer of cheese, and a good covering of breadcrumb on top of the cheese. Put a few lumps of butter on the top and bake in a hot oven for about 15 minutes, or until crumbs are a golden brown.

LONG-HANDLED TOASTING FORKS.
For those who like to toast marshmallows in front of the fireplace, or cook sausages in the blaze of the outdoor fire, a special fork has been designed, with a handle something over a yard long. It is of aluminum and has three capable prongs. The toaster may sit at a respectful distance from the fire, and avoid being toasted himself, while browning marshmallows, apples, chops, or bread to a turn.

FROZEN FRUIT SALAD.
Cut in medium pieces 1 pineapple, 1 grapefruit, 4 oranges, 1 cup of white cherries and 1-2 cup of red preserved cherries, and put in an enamel colander to drain. When drained, mix with a plain gelatine; just before it begins to congeal, put in a mold and rack in ice and salt. When frozen, serve in slices on lettuce, with mayonnaise. Be sure to cover the mold with oiled paper before fitting on the cover.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

SAVE YOUR HAIR! DOUBLE ITS BEAUTY IN A FEW MOMENTS—TRY THIS!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. It eventually—why not now?

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal-action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.
