GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

25-CENT BOTTLE DESTROYS DANDRUFF AND DOUBLES BEAUTY OF YOUR HAIR.

Within ten minutes after an application of Dandurine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Dandurine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Dandurine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Dandurine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Dandurine.

BEST RESULTS FROM GOOD KIDNEY PREPARATION

Within the past four years I have had two severe attacks of bladder trouble, causing me more or less bother from my work, and at night. My trouble was brought on by drinking bad water. On each attack I used from two to three bottles of Dr. Kilmer's Swamp-Root, and was entirely cured. I have recommended Swamp-Root to several of my friends who have been benefited by it. I am well-known in E. Oakland, having lived here for 45 years.

Very truly yours,
JACKSON ALONZO SWEET,

Personally appeared before me this 25th day of October, 1915, Jackson Alonzo Sweet, who subscribed the above statement and made oath that the same is true in substance and in fact.
