NEW BUNGALOWS BUILT AT RIETH

D. W. JACKSON AND R. A. BENNETT WILL OCCUPY THEM; MISS PERRY BACK AT SCHOOL.

New style of Pass issued to Railroad Employees and Families for 1917; J. M. Harrison purchases Fine New Delivery Wagon.

(East Oregonian Special.)

RIETH, Jan. 4.—Mr. and Mrs. R. A. Rudd have returned from a short holiday visit at Eugene, Oregon.

Mrs. R. J. English returned Sunday from a 3 weeks sojourn in California, visiting friends and relatives at Fresno and other points.

Mr. and Mrs. Clarence Powell are the proud parents of an 8-pound daughter, born December 28th, at the Pendleton hospital. Mother and babe are doing well while daddy steps high.

Mr. Geo. R. Roberts made a business trip to the west end of the county last week, returning home Tuesday evening.

Mr. Cash E. Powell and family spent the holidays in Idaho visiting at Nampa, Boise and Pocatello, arriving home on Sunday. Mr. Powell resumed work as assistant yardmaster January 2.

Miss Jennie Perry is again on duty as assistant teacher in our school after an absence of nearly two months on account of serious illness that kept her in the hospital for a short time. We are glad to see her back amongst us again.

Mr. Grigsby of Barnhart is a daily visitor to Pendleton at present, being a member of the grand jury now in session at the county seat.

Percy Polson of Barnhart passed through Rieth Wednesday en route to Pendleton, returning home the same evening.

Operator C. A. Barry of the local telephone office is enjoying a visit from his father and mother who came in from Payette, Idaho Sunday morning.

Yardmaster O. J. McKee spent Wednesday and Thursday in La Grande and Baker combining business with pleasure in making the trip.

Contractor T. H. Ford is building a 4-room bungalow for D. W. Jackson and will soon have it ready for occupancy. It is rumored several engineers of the west end will rent this bungalow for sleeping rooms.

Mr. J. M. Harrison, our local butcher, has purchased and put into service a brand new delivery wagon which will enable him to give prompt and efficient service at all times.

The employees and their families have been supplied with a new style of pass for the year 1917, same being what is called a term pass, and is only good for three months and for 60 rides and no slips to be filled out by the passenger for delivery to the conductor.

Mr. R. R. Bennett, a fireman between Rieth and Portland, has shipped in his lumber for the erection of a bungalow next to the Jackson bungalow, but active building operations have not been gotten under way as yet.

The Greatest of All: Puppy Love

JACK PICKFORD AND LOUISE HUFF, FAMOUS PLAYERS STARS IN PARAMOUNT PICTURES.

The happiest days of any man's life were those of long ago, when he could bow, doff his hat and kiss the hand of the girl he loved. In most cases also he carried the other fellow, but the days of "puppy love" were best and dearest despite that fact.

TELLS OF PLIGHT OF POLISH CHILDREN

NEW YORK, Jan. 3.—Miss Zofia Naimska of No. 50 Morningside Drive returned recently from a five months investigation into the needs of Poland. Mrs. Herbert L. Satterlee, Mrs. Samuel Thorne and Mrs. Hartley Winslow of California are co-operating with her in raising funds to build homes for children in Poland. Mrs. Satterlee is treasurer and checks may be sent to her at her home, No. 23 East Thirty-sixth Street.

In the appeal of the Polish women it is announced that because of the lack of food the death rate of children in Poland since the war began has increased 60 per cent, and epidemics have flourished unchecked.

"A child can be saved and well cared for at the cost of \$50 a year, outside of Warsaw I saw children living in barrels," said Miss Naimska.

"Others had made their homes in tranches which had been dug by their parents for the storage of potatoes. A great many of the children have been injured by bombs, while hundreds have had their nerves shattered by their frightful experiences."

Whole populations, Miss Naimska found, have been wiped out by typhus. "During the evacuation of Eastern Poland last year," Miss Naimska went on, "many babies could not stand the weary traveling and died from weakness, while others were crushed to death in the crowds."

Keeps Her Children In Perfect Health

DR. CALDWELL'S SYRUP PEP-SIN THE FAMILY LAXATIVE FOR MANY YEARS.

Mrs. Aug. Doellefeld of Carlyle, Ill., recently wrote to Dr. Caldwell, at Monticello, Ill., that she has used Dr. Caldwell's Syrup Pepsin in her home for a number of years, and would not be without it, as she has been able to keep her four children in perfect health. Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts on the bowels in an easy, natural way, and regulates the action of this most important function. Nearly all the sickness to which children are subject is traceable to bowel inaction, and a mild, dependable laxative, such as Dr. Caldwell's Syrup Pepsin should have a place in every family medicine-chest. It is pleasant to the taste and children like it, and take it readily, while it is equally effective for adults.

Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See

that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle free of charge can be obtained by writing to Dr. W. R. Caldwell, 455 Washington St., Monticello, Illinois.
