SWEET EXPLAINS ESTATE TAX LAW

A Return of the Gross and Net Inheritance Must Be Filed With the Collector Within a Year After the Death of the Decedent.

Relative to the new inheritance tax or estate law of the federal government, Thad T. Sweet, general deputy collector who is here, makes the following explanation:

"As return of the gross and net estate must be filed with the collector by executor or administrator within one year after decedent's death and before distribution of the tax payment is made. The return must be upon form No. 704, and all information called for upon the blank form must be given. If the administration of the estate is in such incomplete condition that correct information as to the value of the net estate cannot be given, a tentative return may be filed, showing an estimate of the net and gross estate, and the tax law, and such estimated tax may be paid at the time the return is filed. Where a tentative return has been filed a final and complete return must be made on or before the date of final payment of the tax in full. Wherever there is a partial payment of the tax in advance a tentative return must be filed before the collector will accept the partial payment. The return must be made and filed with the collector in duplicate, one copy to be obtained by the collector and one forwarded by him to the commissioner."

Relative to corporation returns, the law provides: "Every corporation, joint-stock company, organized in the United States for profit and having a capital stock issued and outstanding, represented by shares of the market value of \$25,000 or over, and not exempt as indicated in article 2, shall make a return on form 707, irrespective of the par value of its capital stock, unless such corporation, joint-stock company, or association, or insurance company was not engaged in business during the preceding taxable year, which for the return due January 1, 1917, shall be the fiscal year July 1, 1915, to June 30, 1916."

John McCormack in Philadelphia Abjures British Allegiance.

PHILADELPHIA, Jan. 17.—John McCormack, tenor, a native of Ireland accompanied by his wife, visited the Naturalization Bureau here today and, renouncing allegiance to King George, declared his intention of becoming a citizen of the United States.

When asked the necessary technical questions, McCormack became nervous and several times had to appeal to his wife for the exact dates of the various happenings. The ordeal over he and Mrs. McCormack quickly left the building.

The declaration disclosed these facts: John McCormack, vocalist, born in Athlone, Ireland, June 14, 1884, aged thirty-two years. Residence Ritz-Carlton Hotel. Arrived in this country at the port of New York April 23, 1904. Height 5 feet, 10 inches; weight, 220 pounds; complexion, dark.

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

HAIR STOPS FALLING OUT AND GETS THICK, WAVY, STRONG AND BEAUTIFUL.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25-cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

Meanwhile the automobile is preparing to make its very particular annual bid for the attention which it gets all the time.

Do everything reason tells you to do—Unless conscience vetoes it.

Itching Pimples Kept Mr. Simpson Awake for Hours. Suffered Badly. Healed By Cuticura.

"I suffered very badly with my head which came out in little white pimples. They would go away in a week and then come back again. They festered and came to little white heads and my scalp was sore. It itched and burned so badly I would just lie awake for hours with the pain and I used to have big eruptions on my head from scratching. My hair was also thin and dry.

"I was told to wash my head with salt and water, but it did no good and I tried—but with no relief. Then I sent for a free sample of Cuticura Soap and Ointment. I afterward bought more and when I used two large boxes of Cuticura Ointment and two bars of Soap I was cured." (Signed) Charlie Simpson, Oak St., River Grove, Ill., June 7, 16.

When Cuticura has cleared your skin of pimples and redness keep it clear by using the Soap assisted by the Ointment for every-day toilet purposes. Absolutely nothing better. For Free Sample Each by Return Mail, address post-card "Cuticura, Dept. R, Boston." Sold everywhere.
