Lateral Your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacobs Oil." Rub it right on your painful back, and instantly the soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacobs Oil" from your druggist and limber up. A moment after it is applied you'll wonder what became of the backache or lumbago pain.

Rub old, honest "St. Jacobs Oil" whenever you have sciatica, neuralgia, rheumatism or sprains, as it is absolutely harmless and doesn't burn the skin.

**TO DARKEN HAIR
APPLY SAGE TEA**

LOOK YOUNG! BRING BACK ITS
NATURAL COLOR, GLOSS AND
ATTRACTIVENESS.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time, by morning all gray hairs have disappeared, and, after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet regent and is not intended for the cure, mitigation or prevention of disease.

**BIG EATERS GET
KIDNEY TROUBLE**

TAKE SALTS AT FIRST SIGN OF
BLADDER IRRITATION OR
BACKACHE.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoon in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

What the press agents say about Pendleton's present and coming attractions.

Griffith's Masterpiece to Show at the Oregon, January 21-22; Popular Prices This Time; Veterans Approve of the Scenes in the Birth of a Nation.

In the list of accurate battle scenes and maneuvers in Griffith's "Birth of a Nation," noted pictorial drama of the civil war, which visualizes the problem of slavery and state sovereignty, now attracting large audiences in several of the large cities, and which Managers Kem and Wright are bringing here for a return engagement at the Oregon January 21-22, is an accurate reproduction of Sherman's march to the sea. It depicts realistic views of the union troops passing through Georgia, the burning of Atlanta, etc.

Sherman's move was one of the decisive acts of the long, hard-fought war as it divided the south and took away food supplies which were needed for the support of the confederate army.

The siege of Atlanta and the flight of the population to the country is also a realistic reproduction of a historical event. In this and in all of the battle scenes, D. W. Griffith, the producer, obeyed the directions of military experts who mapped out the movements of the union and confederate armies as described in the accurate reports in the possession of the United States government. In fact, many weeks were spent in the acquirement of data for the staging of the battle scenes.

Many old soldiers have witnessed and approved of these reproductions, saying that they recalled with vivid impressiveness the hazardous experiences which they endured in army service.

Portions impress one with a lasting sense of the suffering due to hunger, showing confederate soldiers on the firing line eating sparingly of short rations of parched corn—in another, the capture of a supply train is an impressive lesson of the hardships of war.

NEGRESS KILLS HER LOVER.
SAN FRANCISCO, Jan. 16.—Blaine McClure, a negress, fatally stabbed Frank Moran, a cafe entertainer during a quarrel in the woman's apartment. She used a butcher knife. Moran fell dead with blood spurting from his heart. The woman's screams aroused the tenants. The girl attacked the police but was finally overpowered and jailed on a charge of murder. She told detectives she had lived with Moran for five months. They quarreled over a trivial matter.

\$12 LAMB MARKET POSSIBILITY

PORTLAND, Jan. 17.—All lines of livestock continued to show extreme strength at North Portland. Overnight there was only a nominal showing of supplies, in fact there was nothing in sight with which to even give extreme quotations any sort of test.

The position of the sheep and lamb market is so strong that it is considered likely that a very sharp advance will be forced in values here before supplies begin to roll in this direction. Some are talking of a \$12 market for selected east of the mountain hams, but this is merely a guess, because none have been received at late.

**STORY OF JOSEPH
SERMON SUBJECT**

DR. HINSON USES TALE TO ILLUSTRATE POWERFUL ADDRESS AT BAPTIST CHURCH.

Only Three More Days of Services Left; Much Good Is Being Accomplished; Large Audiences Attend.

(E. R. C.)

Last Night Dr. Hinson gave us the truth as illustrated in the story of Joseph. It was clear and forceful as are all his sermons.

Three things were emphasized. The first of which is memory. His brothers when they came to Egypt and were cast into jail as spies immediately found memory going back over the years that had intervened to the time when they had dipped Joseph's coat into the blood of a kid and sent it to their father and sold Joseph into bondage. This is what they said: "We are verily guilty concerning our brother; Nothing had happened to remind them of that day of evil doing but it is a way with men when they begin to suffer to hark back in their memories to the time when they sinned. Memory will not give the sinner rest.

But there was another thing shown at work here and that was conscience. "We are verily guilty." What was it that told them so? It was conscience. And what is conscience? You know as well as I do and I know as well as you do but no one can define it. But it holds us up and shows us what is right and in doing so shows us how grievously we have sinned.

Then again, the idea of retribution is seen here for they said it is because we sinned against our brother that this trouble has come upon us. Jacob had deceived his father and by doing so had stolen his brother's blessing. Then in after years his heart was broken by his own boys' deceiving him.

Whatever a man soweth that shall he also reap, is the statement of scripture and the bitter grief of the parent is often in seeing his own sin perpetuated in the life of his child.

And friends there isn't anything in all the universe that can destroy the deadly effects of sin in us but the blood of Jesus.

There are only three more nights of this meeting. Friday night will be the last. Let us make these the best of all the series.
