

### MRS. KIESO SICK SEVEN MONTHS

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my household work, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own household work. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for themselves how good it is."—Mrs. CARL A. KIESO, 596 North Ave., Aurora, Ill.

The great number of unsolicited testimonials on file at the Pinkham Laboratory, many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.

They're the same—yet different.  
They're both hats-on-heads.  
Don't judge by externals.  
Several kinds of tobacco come in tins. VELVET tobacco is put up in tins. But that doesn't make it like other kinds.

The finest selected leaf from Kentucky's richest Burley fields is only the beginning of VELVET. Then a full two years' ageing in wooden hogsheads—a matter of large storage and investment expense. Then a careful manufacturing method employing the widest experience of life-long tobacco men.

What goes into the tin governs the pipe satisfaction that comes out of it. And we believe you will prefer VELVET to any other pipe tobacco at any price.

**A Reliable Remedy for Kidneys and Bladder**

**Foley Kidney Pills Also Do Remarkable Work Where There Are Urinary Irregularities**

Irregular, painful bladder action is another convincing evidence of kidney trouble. The urine becomes concentrated, causing great irritability of the bladder. There is a desire to pass water frequently with a painful burning sensation. This irregularity becomes a serious nuisance at night, causing loss of rest and sleep to one already weakened by kidney trouble. There is also the added danger of chilling the body, a condition to be very carefully avoided at such a time.

Foley Kidney Pills control this situation promptly and effectively. They cause a normal, healthy flow, relieving the concentrated condition that produced the irritability and burning sensation. The bladder action is regulated to avoid the too frequent calls, and easy restful nights, without pain or backache, without loss of sleep or bad dreams, is a quick result.

**Gregory Rasputin**  
Gregory Rasputin, called the "Sacred Devil of Russia," whose influence over the royal family, particularly the czarina, became obnoxious, was quietly assassinated by several relatives of the czar and high officials. He was one of those strange mystical characters who have floated through

whispering and laughing. In Japan nobody laughed.  
"If you encouraged various modes of dress your country would be more picturesque. Do not try to Americanize every alien.  
"Your women have more leisure than any women in the world. They could use it well in study and improvement. Do they?"

all Russian history. Rasputin had gained such power over the royal family that it was feared he would interfere seriously with the conduct of the war. At any rate he interfered with officials of such importance that the Russian police fear to prosecute the men who killed him.
