## SNOW PLOW DOES HARM AT KAMELA

HEAVY CHUNKS OF ICE AND SNOW BREAK WINDOWS IN RESTAURANT AND RESIDENCE.

Many Visitors at Mountain Town During Week; Dance Saturday Night is Much Enjoyed; Other News and Social Notes of Interest.

(East Oregonian Special.)  
KAMELA, Jan. 28.—Glen Smith was a visitor in town from Pendleton last week, having walked up the railroad track from Meacham in hopes of obtaining a view of the elk. He was accompanied by Jack Dockweiler.

The rotary snow plow was on the hill Tuesday and while at work clearing the track, threw snow and ice such a distance that the windows in the restaurant and the residence of Mrs. B. F. Cook were broken and furniture damaged. The little grandchildren of Mrs. Cook narrowly escaped injury. There was also some damage done to the Cook & Watson store building.

Mrs. C. W. Hillman recently returned from Portland, where she has been staying since November. She is much improved in health.

Giles Harndon, the genial salesman for the La Grande Grocery Co., was in town Wednesday from La Grande.

Ed Wetzel, well-known O-W roadmaster was here Thursday attending to business.

C. L. Damerell and wife, W. B. Watson, B. Savage and L. B. Kidder, were among those going to La Grande, Tuesday.

Miss Pugh, the teacher, went to Union, Friday night on No. 18 and returned Sunday after a pleasant visit with relatives.

Mr. Nichols, the popular salesman of the Oregon Grocery Co. of La Grande, was calling on patrons here Saturday.

Eilmer Earle went to La Grande Monday to transact business.

N. H. Neilson of "Promise Land" visited friends here Saturday. He made the trip on skis.

A brother and sister of Mrs. W. H. Pidecock are visiting with her from Enterprise. Although Enterprise is about the same altitude as Kamela, they report only about one foot of snow, while we have six feet.

James Baker of Meacham, spent Sunday with his sister Mrs. Frank Hansen.

G. W. Hillman has some good snap shots of the elk which he is feeding. He has found tracks of either a lynx or young cougar, near the feeding place, and says he fears for the safety of the elk. It seemed alarmed and came towards him as if seeking protection, when he made his last visit.

Quite a crowd gathered at the gymnasium Saturday night and enjoyed dancing till a late hour. Sandwiches and coffee were served at midnight and a pleasant social hour spent after which all adjourned to their homes. Among those attending from out of town were Rhoda Mangers, Ruby Hilyard, Will Hilyard, Guy Wetzel and James Baker of Meacham and L. B. Kidder and family.

### LET'S SEE! HOW OLD WAS ANN? ANYWAY HERE IS THE NEWEST BAD 'UN

ZION CITY, Ill., Jan. 28.—Here's a question in mental calligraphy.

A freight brakeman on the Northwestern line started on a train which was south bound and was just a mile long, and he walked the whole length of his train, arriving at the front end just as the freight pulled into Waukegan. Now, the distance from Zion City to Waukegan is six miles as the crow flies, and the train was traveling at the rate of twenty miles an hour. The question is, how far did the brakeman travel, and what speed was he traveling?

Zion City youths have been puzzled ever this perplexing problem. One young man says that the brakeman traveled seven miles, the train traveled six and he walked one. Others say this is not true; that he traveled only six, which of course sounds queer, too, because if he walked one mile and rode six, he might just as well have stayed where he was.

Then comes the question as to whether he made any progress at all, inasmuch as the train was traveling at twenty miles an hour in the direction he was going.

One pupil says he was going faster than the train, which of course would be absurd, too, for in that instance would arrive at Waukegan before the train did. In other words, the young man figured that he was going 24.5 miles faster than the train.

Just how far did that brakeman travel and at what speed was he going?

## MOTHER SAID TRY IT

**Lydia E. Pinkham's Vegetable Compound Cured Mrs. Copner after Doctor's Failed.**

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."

—Mrs. JOSEPH COPNER, 1608 Harrison Ave., Fairmount, Cincinnati, Ohio.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.
