SEVERE TREATED AS SLAVES BY BULGARS

PARIS, Jan. 30.—The following statement from the Serbian press bureau is forwarded from Corfu by the Havas correspondent:

"Todor Javanovitch, escaped from Bulgarian slavery, has reached our lines. He recounted that he, with other peasants, was deported by force before the Bulgarian retreat and compelled to labor in trenches under the artillery fire of the Serbians and their allies. Every male above boyhood was taken from all the villages into slavery. Fifteen hundred were so taken from Soubotel, under control of German officers."

WASHINGTON SEES ONE HORROR OF WAR

It's Gray, Sometimes Only in Spots, Whereas It Used to Be Blond, Auburn or Black.

WASHINGTON, Feb. 1.—Don't let Bernhardt try to preach to Washington women who conveniently forget their birthdays that war is anything other than a horrid old thing!

It has betrayed to the public eye of the capital that many women of fashion hitherto unsuspected have gray hair or hair streaked with gray—women who always with perfect blond, auburn or raven black hair had easily defied the years.

A prominent Washington hair-dresser revealed the awkward situation by announcing: "Impossible to get German dyes, and other than the German dyes are of such inferior quality and some positively injurious that we have advised our clients against their use—to brave the world with the marks of time upon their coiffures."

But schoolgirls and debutantes are having their troubles, too. Principals of fashionable schools have issued ukases against rouge, beauty spots and other facial decorations, and at the smart parties given at the schools no girl shall be so gay as to appear décollete. This, the principals say, is to teach their charges the right principles of economy, even if their fathers are rich.

Another social note: This season's belle must go back to the simple white frock she used to wear at her birthday parties in her early teens.

SCENT COUNTERFEITING IN AN OLD LADIES HOME

Mould for Half Dollar Found in Engine Room—Up Innocent, Says Engineer.

SYRACUSE, Feb. 1.—Edward F. Dennis, the engineer at the Old Ladies Home, was arrested this morning by Secret Service Agent John A. Adams and Syracuse detectives after an investigation into an alleged counterfeit plot at the institution.

While no counterfeit money was discovered, the authorities seized a half dollar mould and a plumber's furnace in the engine room. It was the purchase of the equipment that led to the discovery.

Dennis denies intent of any wrong, claiming he was setting up some paper weights with the impression of a half dollar on them. He says he did not know that making such an impression was in violation of the federal statute.

Port Fairfield, Maine.—"For many months I suffered from backache caused by female troubles so I was unable to do my house work. I took treatments for it but received no help whatever. Then some of my friends asked why I did not try Lydia E. Pinkham's vegetable Compound. I did so and my backache soon disappeared and I felt like a different woman, and now have a healthy little baby girl and do all my house work. I will always praise Lydia E. Pinkham's Vegetable Compound to women who suffer as I did."—Mrs. ALTON D. OAKES, Fort Fairfield, Maine.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, it is not reasonable to believe that it is an article of merit. If you want special advice write to Lydia E. Pinkham Medicine Co. (containing), Lynn, Mass. Your letter will be opened and read by women only.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
