

DO YOU EVER STOP TO THINK
The habits you get into? You call up the meat market and order meat and say "charge it, please," the grocer the same way, but when you go to the railroad ticket office, you do not say "charge it, please." (if you did you would not get very far). When you go to the post office you have the cash. Now why don't you pay cash for every thing, just get the habit, and you will like it.

THEY WERE RUNDOWN

How often we hear it said of a man or woman that "they were rundown in health" which accounts for their present sickness. For that reason it is important that when you find you tire easily, when your nerves are troublesome or your work is irksome, you should strengthen your system immediately with the blood-enriching, tissue-building food in Scott's Emulsion which contains pure Norwegian cod liver oil and is free from alcohol.

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED

IF CROSS, FEVERISH, SICK, BILIOUS, CLEAN LITTLE LIVER AND BOWELS.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless, children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here (get the genuine, made by "California Fig Syrup Company," Refuse any other kind with contempt.

BAD ROADS HARD ON MEACHAM WOOD TRADE

YARDS ARE ALMOST EMPTY OF CORD WOOD; CUTTERS CAN'T GET IN TO FELL TREES.

(East Oregonian Special.)
MEACHAM, Feb. 12.—The whole past week gave every one the idea that spring was near, every day being so pleasant and the snow melted quickly, but Sunday dawned with a light snow falling. Every one has now changed their minds and will wait patiently for spring. The snow beginning so early this season is giving us a long dreary winter.

Wood business has been poor lately owing to the bad roads, shortage of cord and in some places wood cutters can't possibly get to the places to even fell the trees. The yards are almost empty of cord wood, every one having wood, has shipped it long ago.

Measles has broken out at the Baker home, 8 miles from here, so it seems the little school of that district must close for the time being.

Miss Elsie Demos is teacher and claims she has only one pupil attending.

Geo. Hilyard who recently moved to a ranch at Telecast, returned here on Tuesday to get his daughter, Miss Mary Hilyard, who had remained here.

Mr. James Baker went to Pendleton on Tuesday to transact business and has not returned yet.

GIRL'S PIU PITSU PUTS YOUTH IN CELL
Twist! Biff! Slam! and Young Man She Accuses as Thief Lands on His Back.

NEW YORK, Feb. 8.—On the upper level elevated platform of the Brooklyn Rapid Transit at Myrtle avenue and Broadway last evening Morris Mauman, seventeen, of No. 55 Varot street, Brooklyn, put his hand into the coat pocket of Miss Clarice Gunsteth, nineteen, a stenographer, who lives at No. 15 Goodwin Place, Queens.

Miss Gunsteth grabbed the youth's wrist, gave a jiu jitsu twist and Mauman was on his back.

Mauman got to his feet, when Miss Adelaide McGregor of No. 1115 Deatur street, Miss Gunsteth's companion knocked him down again with two well directed blows on the head with a book.

A motorman's whistle brought Detectives Woodie and Kaufman.

SUFFERED FROM BACKACHE AND KIDNEY TROUBLE FOR YEARS.

Dear Readers—I wish to tell you that I suffered from backache and kidney trouble for years. I heard of Doctor Pierce's Anuric Tablets and I tried them. They cured my backache. I hope people that are troubled with backache will give them a good trial. I am sure they will not fail to benefit.

Yours sincerely,
Mrs. Geo. Deming.

NOTE: Folks in town and adjoining places are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and cures headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "Anuric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery" which makes the blood pure, his "Favorite Prescription" for weak women and his "Pianon-Fellata" for liver ills. All Dr. Pierce medicines can be had in Tablets form by mail or at drug store.

"It's an outrage!" Bauman was saying to a crowd as the detectives approached.

"We remember him," both detectives told the passengers.

In the Hamburg Avenue Station, where Bauman was locked up on a charge of grand larceny, the police say he admitted that he was on parole for a previous job.
