## TAKE YOUR MEDICINES

REGULARLY—Hood's Sarsaparilla Before Meals—Pepsin Pills After.

This combination is having wonderful success everywhere. It is sweeping poor health and fear of mental and physical breakdown out of many homes.

It is restoring lost appetite, giving the glow of health to the cheeks, making faces bright and complexions clear, and literally giving worn-out, brain-fagged people the strength of iron.

For it combines that most useful of all metals—iron—in a course of medicine that is peculiarly effective.

Hood's Sarsaparilla is made from an unsurpassed formula of blood-purifying and stomach-toning remedies, including sarsaparilla, mandrake, dandelion, yellow dock, wild cherry, gentian and other valuable alteratives, and kidney and liver remedies.

Pepsin Pills, named from pepsin and iron, include these with nux and other blood and stomach tonics—just what physicians prescribe.

WOMEN WHO FADE EARLY. How often we hear the expression, "How she has faded!" or "Hasn't she grown old!" Her friends see it. Her husband sees it. She realises it herself with a pang. Often she knows the reason, some female derangement has fastened itself upon her and makes it almost impossible for her to drag around from day to day. Such women should remember there is one tried and true remedy for their condition, and that Lydia E. Pinkham's Vegetable Compound, for more than forty years has been restoring women to health and happiness. Try it!—Adv.
