#### TURNIP PATTIES.

One quart mashed turnips, 1 pint mashed potatoes, 2 beaten egg yolks, 1 teaspoon sugar, 2 rounding table-spoons butter, pepper and salt to taste. Put through a sieve and mix well. Form into flattened patties, roll in cracker or bread crumbs, dip in beaten egg, then crumbs again, and fry in a hot, buttered spider. Serve on hot platter, garnished with bits of celery.

The turnips must be dry after mashing. This is quickly and thoroughly done by making a hole down the center of the kettle and laying in a clean cloth to absorb the water.

#### TOASTED SANDWICHES.

For a filling for white bread sandwiches, use equal proportions of butter and Underwood's deviled ham, creamed together. Remove the crusts, cut the sandwiches diagonally, and when ready to serve toast on both sides. Serve hot.

#### DINNER EN CASSEOLE.

Line the bottom of a casserole or bake dish with 1-2 pounds round steak, cut in pieces. Cover with a layer of sliced onions, about 1-2 box of boiled macaroni, and a layer of po-

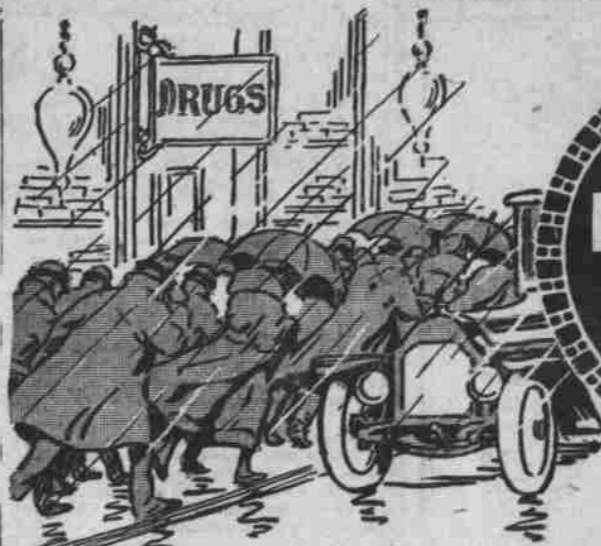

tatoes peeled and quartered. Sprinkle salt, pepper and flour on top of each layer. Cover all with 1 quart of strained tomatoes. Bake 1-1 1/2 hours. Keep covered during first hour, then remove cover and brown. This will serve 6 persons.

#### FIG WHIP.

Steam 4 large figs until soft, then cut into small pieces. Beat the whites of 3 eggs until dry, then beat in alternately 1-3 cup powdered sugar, a pinch of salt and figs, with 1 tablespoon lemon juice. Pour into buttered ramekins and bake until firm. Decorate with small pieces of uncooked figs. May be served with cream and sugar.

#### RISSOLETS OF FISH.

Mix 2 cups cooked fish with 1-2 cup white sauce, 1 teaspoon chopped parsley, 2 tablespoons grated cheese, 1-2 teaspoon salt and 1-4 teaspoon pepper. Roll out pastry, cut into large rounds with a cutter. Place a portion of the mixture in the center of each, wet the edges with water and fold over the pastry. Brush over with beaten egg, roll in bread crumbs and fry in deep hot fat. Drain and serve, garnished with parsley.

# DR. KING'S NEW DISCOVERY FOR COUGHS AND COLDS

They're a couple of cold spreaders. When they get you, it's snuffle, sneeze, sore, raw throat, tight chest and you feel all stuffed up—you know. Get busy! Don't wait till you get flat on your back and lose several days from your work, it's expensive and dangerous.

Go right into the first drug store you come across and ask the man behind the counter for a bottle of Dr. King's New Discovery for coughs and colds. He'll know; chances are he has sold it ever since the day he opened up.

Dr. King's New Discovery has been recommended and sold by druggists for nearly half a century—that's some record!

But the satisfaction it gives is what makes it so popular and you'll like it too. Dr. King's New Discovery eases your cough, soothes your tired throat and bronchial tubes, checks the cold and makes you feel like yourself again. Try it to-day.

## HIGH SCHOOL NEWS

The first night of track season saw fifteen men out on the turf, among them some very promising material for the high school team this year. Olen Huoy, veteran track man, and one of the team's best point winners is rapidly recovering from his recent illness and it is hoped he will be able to take part in the big meet to be held here this year.

As a shocking example the old, unimpaired congress should prove of material assistance to the new congress.

### TRY IT AND SEE!

Lift your corns or calluses off with fingers! Doesn't hurt a bit!

A noted Cincinnati chemist discovered a new ether compound and called it freezeone and it now can be had in tiny bottles as here shown for a few cents from any drug store.

You simply apply a few drops of freezeone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can just lift it off with the fingers.

No pain, not a bit of soreness, either when applying freezeone or afterwards and it doesn't even irritate the skin. Hard corns, soft corns, or corns between the toes, also toughened calluses just shrivel up and lift off so easy. It is wonderful! Seems magical. It works like a charm. Genuine freezeone has a yellow label. Don't accept any except with the yellow label.

## HOG SHORTAGE GREAT; DEMAND HEAVY

PORTLAND, March 15.—With the greatest shortage in the run of hogs at American livestock centers, and with the greatest demand for pork products, packing interests of the country are today facing a condition unparalleled in the history of the industry.

Here in the Pacific coast, that a few years ago was a buyer of several million dollars worth of provisions from the east, each year, the east is vying with the coast buyer for the supplies of packers. Huge sales of pork products to the eastern states have been made not only by Portland but other Pacific coast packers of late, and a continuation of the demand is generally expected for an extended period.

The country is facing its greatest famine in hog products, and packers are today unable to fill the demand promptly. Withdrawals from storage are the heaviest in the history of the industry; the surplus now being nominal.

Hogs Sell at \$14.55. There was really just one load of top quality hogs on the North Portland open market for the day, although some Willamette valley stock came forward on guaranteed prices. Robert McCrow, of Goldendale had in the good stuff, and it was quickly snapped up by packers at \$14.55, the former extreme price here. Trend of the entire hog trade at North Portland is extremely strong, and full prices are continued. Bulk of the recent sales of ordinary quality have been around \$14.10.

General hog range:  
Heavy packing ..... \$14.25@14.25  
Best light ..... 14.00@14.15  
Rough heavy ..... 13.00@13.00  
Pigs ..... 12.75@12.80  
Stockers ..... 12.00@12.50

Cattle Situation Steady. Situation in the cattle trade is steady, with a small run reported in the North Portland yard over night. Demand for cattle is best in months quality stuff. There is no real weakness for any offerings, although killers are keen about taking hold of extremely select stuff or very poor quality.

General cattle market range:  
Prime heavy beef steers ..... \$9.50@ 9.75  
Prime light beef steers ..... 8.50@ 8.65  
Choice beef cows ..... 7.75@ 8.00  
Best heifers ..... 8.00@ 8.25  
Ordinary to good cows ..... 5.00@ 5.25  
Prime heavy butcher bulls ..... 6.75@ 7.25  
Light bulls ..... 5.00@ 5.25  
Calves ..... 1.00@1.25  
Stockers-feeding steers ..... 5.75@ 6.50  
Stockers-feeding cows ..... 5.00@ 6.00  
Sheep Run is Nominal. Only a very nominal run of stock was shown in the custom division of

Mixed stuff—W. S. Jones, Washougal, Wash., 1 load cattle, calves and hogs; F. B. Decker, Silverton, 1 load cattle, calves and hogs; A. S. McFee, Cores, Wash., 1 load cattle and sheep.

Gum Shoe Bill is evidently the stone that the builders of national policy ought to have rejected but did not.
