IT IS A RELISH FOR THE PALATE OF A JADED MOTION PICTURE PUBLIC.

WHAT THEATRE MANAGERS IN OTHER PARTS OF THE COUNTRY THINK OF "JACKIE OF THE NAVY."

Miss Jackie of the Navy, with Margarita Fischer. (Mutual)—"Without restrictions of any kind I think 'Miss Jackie of the Navy' is the most delightful of anything I ever screened."—H. W. Barnes, manager Forum Theater, Hillsboro, Ohio.—Middle class patronage.

Miss Jackie of the Navy, with Margarita Fischer. (Pollard-Mutual)—"One of the most pleasing pictures of the season. It pleased our patrons immensely. Proved a good box-office attraction. I have arranged for a return booking."—Charles E. Hagen, Kenmore Theater.—High class patronage.

Miss Jackie of the Navy, with Margarita Fischer. (Pollard-Mutual)—"This went over great. This is the class of films which brings good business."—E. W. Thomas, Star Theatre, Jacksonville, Florida.

The story of Miss Jackie of the Navy carries us from the center of attraction of an exclusive circle of high society to the tropical islands of Verania among the savages of the interior.

There are sensation after sensation; thrills upon thrills, and a startling climax.

What the Picture Theaters Have to Tell You.

Margarita Fischer in Miss Jackie of the Navy.

Pastime today. As Jackie Holbrook, the beautiful daughter of Nouveau rich parents in Alfred Solman's fascinating story "Miss Jackie of the Navy," the versatile star, Margarita Fischer gives a splendid performance of one of the most unusual characters she has ever been called upon to create. From the center of attraction in an exclusive circle of high society she suddenly finds herself on board a United States battleship dressed in the fancy dress ball costume of a sailor and forced to pose as one of the crew. From this exciting position with its accompanying thrills and clever comedy situations, the charming little actress is transported to Verania where among the savages of the interior she is the leading figure in an intensely interesting series of sensational events which bring this extraordinary drama to a thrilling climax.

Margarita Fischer in "Miss Jackie of the Navy" is an elaborately staged production in which the talented star is surrounded by a splendid cast of notable players.

In addition the clever comedian George Ovey in Perry's Strategy. This is a program that comes highly recommended and Manager Matlock guarantees it to his patrons. Your money back if you don't like it. Adults 15c, children 5c.

"Threads of Fate" Makes Anti-Vivisectionist of Viola Dana, the Star.

When Viola Dana was playing the role of Dorothea in "Threads of Fate," the new Metro wonderplay which comes to the Alta theater on Tuesday and Wednesday, she became interested in several of the devices that were used by Dr. Grant Hunter (Richard Tucker) in scenes in which he appeared. When she learned that

### A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

IF CROSS, FEVERISH, SICK, BILIOUS, GIVE FRUIT LAXATIVE AT ONCE.

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver, and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the "Tongue, Mother! If coated, give a teaspoonful of this harmless "Fruit Laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach-ache, diarrhoea, indigestion, colic—remember, a good "inside cleanser" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeiters sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

Some men are born great and others roll up their trousers and wade right into greatness.

"Yes," we will carry full stocks of hosiery, ribbons, hat shapes, flowers and hat braids in our new store and none priced higher than 15 cents. Taylor-Knobel Co., Inc. Next door to where post office used to be.—Adv.

### IN FIVE MINUTES! NO INDIGESTION, GAS OR SOUR, ACID STOMACH

THE MOMENT "PAPE'S DIAPESIN" REACHES THE STOMACH ALL DISTRESS GOES.

"Really does" put upset stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness due to acid fermentation in five minutes—that—just that—makes Pape's Diapesin the largest selling stomach antacid and regulator in the world. If what you eat ferments and turns sour, you belch gas and eructate undigested food or water; head is dizzy and aches; breath foul; tongue coated; your insides filled with indigestible waste, remember the moment "Pape's Diapesin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapesin is worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest antacid for the stomach in the world.

### Physician's Eczema Remedy

Dr. Holmes, the well-known skin specialist, writes: "I am convinced that the D. D. D. Prescription is as much a specific for Eczema as quinine for malaria. I have been prescribing the D. D. D. remedy for years. This soothing combination of all of the best ingredients, including the healing ingredients called D. D. D. Prescription is now a favorite remedy of skin specialists for all skin diseases. It penetrates the pores, gives instant relief from the most distressing itch. Its soothing oils quickly heal the inflamed tissues. Druggists are glad to recommend this soothing, healing remedy. It penetrates the pores to the very heart of the disease. This remarkable remedy. Your money back if you do not see the first bottle relieve you. D. D. D. Soap keeps your skin healthy. Ask about it. TAYLOR-KNOBEL COMPANY."

many of them were used in vivisection, which plays an important part in "Threads of Fate," she devoted a great deal of time and study to this much-discussed branch of scientific research.

The result was that Miss Dana became an anti-vivisectionist. She addressed communications to the various societies opposed to vivisection, and offered her services in any campaign that would prevent the mutilation of dumb animals.

Miss Dana, who despite her youth has a decidedly mature appreciation of the problems of science, gave out an interesting interview, in which she outlined her views. This has been published throughout the world, and she has been made honorary member of numbers of human organizations in this country and abroad.

Paid to Commit Murder.

The role of a New York gunman, paid by the organization of which he is a member to commit murder, is usually one with which the audience can feel little sympathy. But Chuck Connelly, the hero of the Red Feather photoplay, "The Terror," though he has killed four men, and accepted offers to put the fifth to death, will offer to put the sixth to death, and uncertainly win the sympathy and understanding of the spectators, whose fine picture comes to the Cozy theater on Tuesday and Wednesday.

We discover before the end that environment and circumstance have had more to do with his taking the downward path than natural character, and the exciting climax in which he dies in the moment in which he cheerfully offers his life as reparation for his crimes. Realistic scenes from underworld life in New York add strong interest to the intensely interesting story.

Temple Tuesday and Wednesday.

The principal role in "The Last of the Ingrams" is played by Kay Bee, who from the studios of Thomas H. Ince, which will be seen at the Temple later Tuesday and Wednesday, is allotted to William Desmond. The story has to do with one Jules Ingram, the last of a family of well known settlers in a bleak Cape Cod community. Jules has inherited a genial and pleasant loving disposition from his French mother, but his inhospitable surroundings depress him so thoroughly that he becomes a drunkard just to be different from his neighbors. Mercy Reed, a girl who has made one great mistake which has led to her ostracism, shows her sympathy with Jules, who his home is sold at auction. They become friends and in facing the abuse and hatred of their fellow townsmen finally achieve a victory that leads to the better things of life.

### WHAT THE DOCTOR KNOWS

KIDNEYS MUST BE RIGHT TO INSURE HEALTH.

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's Disease, which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in one year. In the state of New York alone. Therefore, it is particularly necessary to pay more attention to the health of these important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

The mild and healing influence of this preparation in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy. When your kidneys require attention, get Swamp-Root at once from any pharmacy. It is sold by every druggist in bottles of two sizes—10c and \$1.00.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Pendleton Daily East Oregonian.

### William Desmond in "The Last of the Ingrams"

A race of hard driving, hard hearted New England fishermen. Then he finds a girl, who needs this man as he needs her, and together they combat the world with a strength born of love and righteousness and regeneration.

But Jules is a dreamer with the blood of his French mother, and he loses, to his grasping townspeople, every penny of his inheritance, even the ancestral home.

A play that you will remember.
