Safe Home Remedy for Skin-Troubles

Eczema, ringworm, and other itching, burning skin eruptions are so easily made worse by improper treatment that one has to be very careful. There is one method, however, that you need never hesitate to use, even on a baby's tender skin—that is the resinol treatment. Resinol is the prescription of a Baltimore doctor, put up in the form of resinol ointment and resinol soap. This proved so remarkably successful, that thousands of other physicians have prescribed it constantly for over twenty years.

Generally resinol stops itching at once, and heals the eruption quickly and at little cost. Resinol ointment and resinol soap can be bought at any druggist's.

Resinol Soap is not only unusually cleansing and softening, but its regular use gives to the skin and hair that natural beauty of perfect health which cosmetics can only imitate.

GRAND DUKES AND PRINCES JOIN WITH NEW GOVERNMENT

PETROGRAD, March 27.—Grand Dukes Nicholas, Michael, Alexander, Boris, Serge, George, Dimitri, Princes Gabriel, Igor and Alexander have joined in a formal telegraphic notice to the new government declaring their desire to associate with the new Russian government. Steady improvement is visible. The new municipal militia is keeping excellent order.

SPRING COLDS ARE DANGEROUS. Sudden changes of temperature and underwear bring spring colds with stuffed up head, sore throat and general cold symptoms. A dose of Dr. King's New Discovery is sure relief, this happy combination of antiseptic balsams clears the head, soothes the irritated membranes and what might have been a lingering cold is broken up. Don't stop treatment when relief is first felt as a half cured cold is dangerous. Take Dr. King's New Discovery till your cold is gone.—Adv.

WANTS NEW CUT IN THE BRITISH MEALS. Controller Offers Plan to Curb Hotels—Severe Measures Justified.—Says News.

LONDON, March 28.—The food controller has submitted to the cabinet the following scheme for the drastic rationing of hotels: "That in all cases where a meal costs more than one shilling there should be included in each meal only five ounces of meat, including bone and fat, and only two ounces of bread should accompany it." It is also recommended that there should be two meals a day in all hotels. "It is presumed," says the Daily News, "that similar regulations will be applied to restaurants as the food situation is thought to justify severe measures."

TRAINLOAD OF FANS FROM HERE MAY SEE BOUT AT HERMISTON
Promoter Courts is Arranging for Big Attendance at Burns-Carpenter Match.

Effort is being made by Promoter Earl Courts to make up a special train of local racket fans to go to Hermiston Friday evening for the ten round bout between Farmer Burns, the Echo heavyweight, and Jack Carpenter, who has been in Pendleton for several weeks.

There is a great deal of interest in the bout for both men have a big following. Burns will outweigh Carpenter by twenty pounds and in addition has a healthy wallop. However, Carpenter has the advantage of long experience and superior cleverness. His friends do not expect him to knock out the Echo pugger but believe he can win a decision on points.

Two fast preliminaries will be arranged by Promoter Courts.

HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Sore Spot Like Magic

A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

Musterole is a clean, white ointment, made with the oil of mustard and other home simples.

It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub Musterole on the spot where the pain is—rub it on briskly—and usually the pain is gone. No muss, no bother. Just comforting, soothing relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blisters like the old-fashioned mustard plaster used to make.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet and colds of the chest (it often prevents pneumonia).

"Four-Ninety" Touring Car \$635

F. O. B. PENDLETON

The Chevrolet Four-Ninety Touring Car is a car of ideal economy. It gives you the most value for your money. The Chevrolet delivers the maximum power to the rear wheels. It accomplishes this feat through simplicity of mechanism. This compels directness of action. The result is more power and speed and less fuel and expense.

The path of Chevrolet power is short and direct. The vaporized fuel enters directly into the valve-in-head motor. The impart of explosion strikes full against the piston head. It is an act of face-to-face co-operation.

The fullness of the force is exerted immediately on the rear wheels. No friction of a second or horse-power is unduly spent. The Unit power plant type of construction does the business.

And the result is, of course, that you ride faster and farther on one gallon of gasoline in this particular model. That is economy. And that is what you will find in the Chevrolet Four-Ninety.
