## 11 BOYS OF O.A.C. ANSWER THE CALL

**MOBILIZATION OF O. N. G. ON  
MARCH 25 ENTHUSES  
STUDENTS.**

1050 Men in Training at College, 200  
of Which Are Already Qualified as  
Officers in the Reserve Corps.

(East Oregonian Special.)  
OREGON AGRICULTURAL COL-  
LEGE, Corvallis, Ore., March 25.—  
Mobilization of the O. N. G. at mid-  
night on March 25, resulted in eleven  
boys from the Oregon Agricultural  
College responding to their colors by  
reporting for service in Co. K, Third  
Infantry.

One thousand and fifty students are  
training at the college, 200 of which  
are already qualified as officers in re-  
serve corps. The work of this corps  
prepares them to be ready when called,  
doing away with former skirmishes  
incident to the calling of volunteers  
and also that of men being appointed  
as officers through petition regard-  
less of their training.

Letters are received in the college  
president's office every day from former  
graduates asking how to join the  
reserve officers training corps.

Dean H. M. Parks was the first  
faculty member to receive an appoint-  
ment, that of captain in the engineer-  
ing service issued by President Wil-  
son. Dean Parks is also a member  
of the examining board for recruits  
for engineering officers reserve corps.  
W. D. Peaslee, instructor in electrical  
engineering, received a commission  
as captain in the signal service. Other  
members of the faculty to receive ap-  
pointments were: Professor M. C.  
Phillips, mechanical engineer; C. J.  
Wiltshire, operating engineer, with a  
record of two years of service in the  
Boer War; T. A. H. Tweter, civil en-  
gineer; L. F. Wooster, electrical en-  
gineer; C. B. McCullough, civil en-  
gineer, and Wendell J. Phillips of the  
medical department.

The women are not behind in the  
preparation movement, as 200 strong  
are now forming plans to do work in  
the three corps of service. At the  
last meeting not less than 30 simu-  
lated their intentions of serving active  
duty.

"The Star Spangled Banner" has its  
place in the convocation hour pro-  
gram. The martial air is receiving a  
popular rejuvenation and copies of  
the song are in demand.

2 GOOD PRELIMINARIES

connecting the name of the bank  
with the affair.

Only 18 signers were secured, prac-  
tically all were members of the Ver-  
on. Eric Mabe, an employe of the  
Baker Loan & Trust company, stated  
the petition was one of 16 sent by  
Senator Lane, but this was denied.  
Nobach says it came from the Ore-  
gon Neutrality league.

Sheriff Anderson has been asked by  
the state military authorities through  
Mr. Soule, as to supplying men for  
guarding bridges, etc., but has not de-  
cided how far his authority goes. The  
railroad company is looking after its  
own bridges and the sheriff has not  
full knowledge of what is desired of  
him.

Observation of patriotic week was  
inaugurated in Baker yesterday. At  
the high school assembly patriotic ex-  
ercises were held with addresses by  
United States Commissioner Pat-  
erson, District Attorney Lewis and J.  
L. Soule, local recruiting officer for  
the army and navy.

Mr. Soule is organizing the high  
school cadet corps with over 100  
members and also working on the na-  
tional guard organization with good  
success, having received orders to  
make an effort only yesterday. He  
examined a large class today who ap-  
plied for enlistment in army or navy.

Mayor Palmer issued a proclama-  
tion, calling on the young men of the  
community to do their duty in time  
of national peril. A patriotic mass  
meeting is being arranged for tomor-  
row night.

Germany is not, however, backing  
away from the French iron mines,  
which it finds highly useful now and  
would be glad to retain hereafter.

### NERVOUS SPELLS

And Combination of Troubles Relieved  
by a Combination of Medicines.

A quotation from one recent letter:  
"I have been taking Hood's Sarsapa-  
rilla and Pepsin Pills as a course of  
medicine and find this combination  
has worked like a charm. They told  
me I had neuralgia, and certainly I  
was in a very low and discouraging  
state of health. I suffered extremely  
with nervousness and had neuralgia  
pains so I could not sleep nights."

"Those nervous spells were awful!  
I heard about taking Hood's Sarsapa-  
rilla and Pepsin Pills—one before  
meals, the other after—the suggestion  
struck me favorably so that I have  
taken the medicines carefully and  
faithfully with most pleasing results."

"It is a long time now since I have  
had one of those severe nervous spells.  
I can do a good day's housework, can  
work in my garden and walk a mile."  
Mrs. Fred J. Weekley, Bagdad, Fla.  
Your druggist will be pleased to  
supply you with these good medicines.

GRAND DUKE MICHAEL

Grand Duke Michael, brother of  
the deposed Czar Nicholas, who was  
named to succeed the late ruler, has  
announced he would accept the place  
if the people had a voice in the  
choice. He asked for a vote for a  
general assembly which shall settle  
the question of a new ruler.

### PETITION AGAINST WAR CIRCULATED BY GERMANS IN BAKER

Community is Greatly Incen-  
sated by Action of Deutsche  
Verein.

BAKER, March 28.—A wave of in-  
dignation swept over the community  
yesterday when the efforts of Ewald  
Nobach, president of the Deutsche  
Verein, to secure signatures to a peti-  
tion to congress against declaring  
war became generally known. Wil-  
liam Pollman, president of the first  
National bank and the Baker Loan &  
Trust company, made a statement to-  
day, denying knowledge of the peti-  
tion, and objected strenuously against

lutely "bone dry" bill, prohibiting  
even the importation of liquors for  
medical and sacramental use into  
Colorado, was passed by the state

the "WHITMAN'S" sign.

Nobody in America makes  
candy like "WHITMAN'S."  
Others have tried, are still  
trying, but they can't do it.  
"WHITMAN'S" stands for  
the best.

A box of "WHITMAN'S"

She told the judge he hadn't con-
