HEAVY CATTLE SLOW; OTHERS FIRMER

PORTLAND, March 29.—Market for cattle was a very slow affair during the last trading at North Portland. Over night there was little stock offering. Demand for heavy cattle is absolutely nil, this being true not only of the common stuff, but of prime quality. There is a correspondingly improved tone as noted on Monday, for medium quality stuff, and light steers of quality would bring at least extreme values quoted by The Journal; probably a fraction more.

Stockyard interests say that practically all the top quality cattle which has been on feed in the country for private interests, has already been marketed, although killers are said to retain quite fair supplies of their own feedings.

General cattle market range: Prime heavy beef steers \$9.40@9.50; Prime light beef steers 9.50@9.65; Choice beef cows 8.00@8.25; Beef heifers 8.25@8.50; Ordinary to good cows 5.00@7.75; Prime heavy butcher bulls 6.75@7.25; Light bulls 5.00@5.50; Calves 7.00@10.00; Stocker-feeder steers 6.00@7.75; Stocker-feeder cows 5.00@6.00.

Hog Market is Steady. Market for hogs is considered

steadily around \$14.25@14.35 for the bulk of the good stuff at North Portland. There was only a very small run over night, and quotations were scarcely tested.

General hog range: Best heavy 14.25; Best light 14.00@14.25; Rough heavy 13.00@13.50; Pigs 11.00@11.50; Stockers 12.75@13.00.

No Arrivals of Mutton.

There were no arrivals of either mutton or lambs in the North Portland market over night, and trade conditions remain firm, with prices indicating no further changes.

General mutton and lamb market: Best east of mountain lambs \$11.00@12.50; Best valley lambs 12.50@13.00; Wethers 11.50@12.00; Ewes 10.00@11.00; Goats 4.25@4.50; Shorn sheep 1 1-2@2 1-2c below wool offerings.

Wednesday Livestock Shippers. Hogs—J. H. Samuels, Brownsville, 1 load; E. R. Gobert, Silver, 1 load. Cattle—H. T. Sherratt, Pendleton, 1 load. Mixed stuff—Lee Miller, Albany, 1 load cattle and hogs.

4 CARS OF CATTLE SHIPPED TO ECHO

HENRY BLACKWELL RECEIVES STOCK FROM HUNTINGTON AND WILL FEED THEM.

Echo and Stanfield High Schools Have Baseball Game, Echo Winning by a Score of 17 to 9.

(East Oregonian Special.)

ECHO, March 29.—Henry Y. Blackwell received four cars of stock cattle on Tuesday from Huntington, Oregon. He will feed them on Butter creek where he has purchased alfalfa hay. Rev. George B. Van Waters, D. D., of Portland left yesterday morning for La Grande, after several days visit in Echo. He held Episcopal services here on Sunday evening at the Masonic hall.

Louis Scholl, Jr., left this morning for Walla Walla on a short visit with his brothers at that place. Mr. and Mrs. Ed Scrivner of Buhl, Idaho, are here visiting with relatives. Mrs. Heistand Moor is visiting in Pendleton with her mother, Mrs. Chas. Friedley.

Miss Gladys Wattenburger of Heppner is attending school here.

A game of baseball was played on the local diamond yesterday afternoon between the Echo high school team and the Stanfield high school nine. The score was 17 to 9 in favor of the home team.

A lecture on the Passion Play was given here on Monday night at the I. O. O. F. hall by G. A. Webber, lecturer and traveler, under the auspices of the Ladies' Aid. The lecture was illustrated by numerous views. Rev. John F. Cook is rapidly recovering from his serious illness. The Methodist pulpit was occupied on Sunday night by Charles O. Young, lately a student of the Willamette University.

INDIANA COUNTY COMMISSIONER SAID TO HAVE FEARED IT "MIGHT OFFEND SOME ONE"

PORT WAYNE, Ind., March 28.—Following an order to remove the American flag from the windows of the county recorder's office in the court house, William C. Behr, president of the Allen county board of commissioners, made a public apology in the newspapers today for "any act of his that may have seemed to degrade the flag." Patriotic societies had protested.

Recorder Bookwater hung out the flag for the public reception to Fort Wayne's two companies of national guards just back from the border and a big "patriotic revival" planned in connection with that event. Commissioner Schwier asked that it be taken down, fearing, he said, the colors might incite some crank to commit some outrage against the court house. The recorder says he was told the flag might offend some one.

When the recorder refused, the commissioner ordered the janitor to remove the flag.

SPANISH DICTIONARY DEMAND

CHICAGO, March 29.—Coinciding with the issuance of an increased number of passports for German citizens to Mexico, a condition noticed for several weeks, book sellers today reported an unusual demand for Spanish dictionaries.

Colonel Edmundo E. Martinez, Mexican consul at Chicago, said there was no significance in the reported exodus of Germans to Mexico.

Aside from the fact that it is extremely unjust and does not answer the purpose, the old volunteer system of military service has only a few serious defects.

SEEK TO PREVENT RECRUITING

MISMARUCK, N. D., March 29.—Attorney General William Langer of North Dakota last night detailed private detectives to investigate charges of anti-recruiting activities which, according to the attorney general, have reached such a point that the lives of citizens have been threatened if they enlist.

REALTY TRANSFERS

URGES EVERYONE TO QUICKLY GET ON WATER WAGON

To see the tinge of healthy bloom in your face, to see your skin get clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

DRINK GLASS OF HOT WATER BEFORE BREAKFAST TO WASH POISONS OUT.

Apply several drops of this freestone upon a tender, aching corn or callus. Instantly all soreness disappears and shortly you will find the corn or callus so shriveled and loose that you lift it off with the fingers. You feel no pain while applying freestones or afterwards.

Just think! No more corns or calluses to torture you and they go without causing one twinge of pain or soreness. You will call freestone the magic drug and it really is. Genuine freestone has a yellow label. Look for yellow label.

PORTLAND MILK AND BUTTER PRICES SOAR. PORTLAND, March 29.—Leading brands of condensed milk have advanced thirty cents a case wholesale putting "canned cow" out of the ten cents class retail. Butter jumped to forty three cents wholesale in the local market resulting in a dollar price for a two pound roll at the grocery. The advance is due to a fight between creameries, condenseries and cheese factories for milk.

CORNS HURT TODAY? Lift your corns or calluses off with fingers and it won't pain you one bit.

Yes! You can truly lift off every hard corn, soft corn or corn between the toes, as well as hardened calluses on bottom of feet without one bit of pain.

A genius in Cincinnati discovered freestone. It is an ether compound and tiny bottles of this magic fluid can now be had at any drug store for a few cents.

Apply several drops of this freestone upon a tender, aching corn or callus. Instantly all soreness disappears and shortly you will find the corn or callus so shriveled and loose that you lift it off with the fingers. You feel no pain while applying freestones or afterwards.

Just think! No more corns or calluses to torture you and they go without causing one twinge of pain or soreness. You will call freestone the magic drug and it really is. Genuine freestone has a yellow label. Look for yellow label.
