KILLERS ATTEMPT TO DEPRESS HOGS

PORTLAND, April 4.—There was only a very small run of livestock reported in the North Portland yards overnight.

Sales of shorn lambs were made during the morning at \$11.35 which is a dime better than on Monday while shorn wethers went at \$10. The offerings were too small to base a market price on.

General mutton and lamb market: Best east of mountain lambs \$13.00@13.50. Heat valley lambs 12.50@12.25. Wethers 11.50@12.00. Ewes 10.00@10.75. Goats 4.25@ 4.50.

Killers Hold Down Hogs. Hogs are about a dime lower. At least the contract price of Willamette valley stuff would indicate that.

General cattle market range: Best heavy beef steers 13.40@14.40. Best light 12.00@12.50. Rough heavy 11.00@11.46. Pigs 12.75@13.00. Stockers 12.75@13.00.

Cattle Situation Good. While there was practically nothing available in the cattle division of the North Portland market during the day, the trend of the market indicates a steady to firm tone.

General hog market range: Prime heavy beef steers 9.50@ 9.50. Prime light beef steers 8.90@ 8.90. Choice beef cows 8.00@ 8.25. Beef heifers 8.00@ 8.50. Ordinary to good cows 5.90@ 7.75. Prime heavy butcher bulls 6.75@ 7.25. Light bulls 5.00@ 6.50. Calves 7.00@10.00. Stocker-feeder steers 4.00@ 7.00. Stocker-feeder cows 3.00@ 6.50.

Tuesday Livestock Shippers. Mixed stuff—P. H. Dobbs, Washougal, Wash., 1 load cattle, hogs and sheep; E. Burdock, Brooklyn, load cattle, hogs and sheep; Ketchum & Son, The Dalles, 1 load hogs and sheep.

Five Minute Talks by National Leaders. VACHEL LINDSAY.

SPRINGFIELD, Ill., April 3.—"The motion picture is space measured without sound plus time measured without sound."

"What do you think of that as a definition of the little dramas in picture which you see every evening at your favorite theater? That is what Vachel Lindsay, poet, tramp and expert on motion picture art, called it when he was asked to give his ideas at his home here. The definition, he explained, is an imaginative idea of the silent drama.

Prussian autonomy may see the handwriting on the wall, but in Bethmann-Hollweg it has an inefficient prophet Daniel.

BRITISH ARMY MULES VANISH IN NIGHT

Enormous Losses, War Office Shows, Through Theft, Neglect and Blunder.

LONDON, April 4.—The report of the auditor general to the war office on the British army accounts for 1915-16, issued last night throws an instructive light on the way in which some small part, at least, of the hundreds of millions of pounds voted for the army has been wasted, owing to theft, negligence and blundering.

The report blandly states that mules worth \$2000 were picketed on sandy soil at Borden camp and escaped in the night. They were never recovered.

This candid admission has elicited much ironic comment. The Star remarks: "Where these mules went, whether they were eaten by the troops or exported to Holland for the Germans the patient Auditor General cannot tell. They simply vanished."

Some of the people who would leave this country open to assault in a time of violence are pacifists and some are traitors.

Not in Bed in 20 Years. PHILADELPHIA, Pa., April 4.—Peter Curry, seventy-five years old, who says that he has not slept on a

mattress for 20 years, was arrested in a stable at No. 2652 Callowhill street recently by Policeman Dermody and Special Policeman Hammond of the Ninth District.

He was nearly frozen and after Dr. Eagan had examined him at the police station he was taken to the Philadelphia General Hospital.

Policeman Dermody said that the man is a well known character, and that he arrested him in a half frozen condition at Twenty-ninth and Callowhill streets just twenty years ago.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness and that is by a constitutional remedy.

Circular Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reached and this tube will be destroyed forever.

Many cases of deafness are caused by catarrh which is an inflamed condition of the mucous surface of the middle ear. Halls' Catarrh Cure acts thru the blood on the mucous surface of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halls' Catarrh Cure. Circulars free. All druggists.

GLASS OF SALTS CLEANS KIDNEYS

IF YOUR BACK HURTS OR BLADDER BOTHERS YOU, DRINK LOTS OF WATER.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Salts, take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

THE OLD RELIABLE PLANTEN'S C & C OR BLACK CAPSULES REMEDY FOR MEN. AT YOUR DRUGGIST.

HAVE DARK HAIR AND LOOK YOUNG. NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA. Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
