Never Put a Croupy Child to Bed Without Giving a Dose of Foley's Honey and Tar

Mothers know it stops croup because it cuts the thick choking mucus, clears the throat of phlegm, stops the hoarse metallic cough, eases the difficult breathing, then quiet sleep.

Mrs. T. Neurener, East Claire, Wis., writes: "Foley's Honey and Tar completely cured my boy of a very severe attack of croup. We know from experience that it is a wonderful remedy for coughs, colds, croup, whooping cough."

Corns Peel Right Off With "Gets-It"

2 Drops, and the Corn is a "Goner" When you get to walk on the side of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do. Put 2 or 3 drops of "Gets-It"

Use "Gets-It" Your Corns Won't Swell in Water, Bleed, Turn Yellow, Loosen and Peel Off!

on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off.

There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removers since "gets-it" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting.

"Gets-It" is sold everywhere, 25c a bottle, or sent on credit of \$1.00 by R. Lawrence & Co., Chicago, Ill. Sold in Pendleton and recommended as the world's best corn remedy by Tallman & Co., and Pendleton Drug.

GAME VIOLATORS IN THIS COUNTY HAVE HARD TIME

Umatilla Holds Record for Prosecution and Conviction of Illegal Hunters and Fishermen.

Umatilla county, through the efficient work of Deputy Game Warden George Tonkin and the cooperation given him by his assistants and by farmers and stockmen, made a record for prosecution of game law violators superior to that of any other county in the state during the year ending December 31, 1916, according to a compilation of statistics just given out by the state fish and game commission.

From a standpoint of arrests, convictions and amount of fines, Umatilla county was well in the lead. There were 41 arrests made in this county during that year, ten more than in Marion county which stood second and 11 more than in Multnomah county which was third. Of the 44 cases 23 resulted in convictions. Marion county was second in convictions with 29 and Multnomah third with 11155 and Marion third with \$825. Fines were suspended in five cases in this city, seven cases resulted in not guilty verdicts and one case was dismissed.

The months of October, November and December, 1916, resulted in the following cases in this county:

- Jesse Goffe, arrested for using powder in stream to kill fish, fined \$200 and 20 days in jail; Hartley Yetter, arrested for killing Chinese pheasants in closed season, fined \$250, imprisoned; W. D. Warren arrested for killing elk, fined \$200, said; N. Ventura, arrested for hunting at night, fined \$25, said; E. W. Vandorhe, arrested for trapping without license, case dismissed; R. P. Pike, arrested for hunting at night, fined \$25, paid; Frank Allen, arrested for hunting at night, fined \$25, paid; Luke Lane, arrested for killing deer in closed season, found not guilty; Charles Smith, arrested for killing game birds in closed season, fined \$25, paid.

ECHO REBEKAHS NAME ASSEMBLY DELEGATES

MRS. WILLIAM WILDER AND MRS. MILLARD HEWITT ARE CHOSEN.

Echo People Contribute Generously to Nollin Church Fund; Other Newsy Notes of Interest.

(East Oregonian Special.) ECHO, April 6.—Henrietta Rebekah Lodge No. 26, L. O. O. F., of Echo, Wednesday elected Mrs. William Wilder and Mrs. Millard Hewitt as delegates to the Rebekah Assembly to be held at Eugene, Oregon, in May. Mrs. Wilder was also chosen as deputy district president for this lodge.

G. F. Steel and wife of Nollin, while in Echo on Wednesday morning, deeded a tract of land situated at Nollin to the United Brethren church as a building site for a \$2500 church. This land was a donation by Mr. and Mrs. Steel.

The purchase by the E. B. church of the Nollin hall, situated on this ground, for a consideration of \$2 has brought to a climax a matter which has hung fire since the hall was built several years ago by a club of Nollin ladies.

Three years ago the building was sold at sheriff's sale to liquidate the lumber and building bill, since then it has belonged to private parties.

As soon as the hall can be cleared away a \$2500 church building will be erected.

Of this amount \$2000 has already been donated. The largest donor so far is David Shunway, a prosperous Nollin farmer, who gave \$500. Two hundred dollars was donated by Pendleton friends and several neat donations were made here in Echo, Rev. C. F. Cunningham or Holdman, is the pastor in charge. While waiting for the church building, services will be held in the school house.

day saying that "in spite of the international crisis" there was no intention to abandon the national convention fixed for April 12, 13 and 14 in St. Louis.

A letter from President Wilson to Hale is quoted to show the president has no fear that "political activity" and the holding of the convention at this time "might embarrass the president while he and his advisers are seriously looking after our foreign affairs." The letter, dated March 22, says it would give the president genuine pleasure to attend the St. Louis
