

Easter Breakfast

Breakfast is the most important meal of your life, for on it depends the enjoyment of each day—and the bodily and mental condition you take to your work.

A good breakfast requires GOOD groceries, cereals, eggs, bacon, coffee and other enjoyable parts of a satisfying meal. But see that they are GOOD. Unsatisfactory food brings dyspepsia, sour temper and a disagreeable day.

Be sure of YOUR day. Use our groceries—the kind that is eaten by the best business men and women in this town.

The prices are as pleasing as the quality.

CAN WALK 3 MILES

Troubles of Heart, Stomach, Digestion All Removed.

To look at Mr. David T. Remington, of Springfield, Mass., one would say, "he is as sound as a nut."

And so he is, thanks to the new combination of purifying and building-up treatment embodied in Hood's Sarsaparilla and Peppin Pills.

Mr. Remington is one of the best-known men in the State, having been for 21 years in the State House in Boston as Senate Doorkeeper and Sergeant-at-Arms.

He says he had annoying symptoms about his heart, stomach and digestive organs. His old friend, Senator George E. Putnam, of Lowell, urged him to take a course of Hood's Sarsaparilla and Peppin Pills, which he did, and now—"I never felt better in all my life."

"I can walk from my house down town and back 1 1/2 miles each way."

These medicines are obtainable from every druggist. Why not begin this sensible treatment yourself today?
