"THE GROWING DEMAND FOR THE SEPARATE SKIRT IS INFALLIBLE EVIDENCE OF THE AMERICAN WOMAN'S LOVE FOR THE OUT-OF-DOORS."

Never in my recollection have we made so many separate skirts, notably for country and shore attire to be worn with sport coats and sweaters. (Signed) HICKSON.

Like the butterfly that bursts into beauty from the dull uninteresting chrysalis, the separate skirt, designed originally for rainy day wear, or to be used in emergencies to save the suit, has been raised from an humble makeshift station to a leading place in Milady's wardrobe.

With our finger on the pulse of Dame Fashion we have anticipated the extreme popularity of the Separate Skirt and you will find us prepared to supply your every want in wool as well as silk fabrics, in beautiful plaids, stripes and the bizarre figures of the new khaki kool, from the staple skirt of black or navy blue serge to the dressy models of Yo San (the newest in silks). You will find a model to fit your purse, no matter whether you wish to pay as little as \$4.50 or as much as \$25.00. Come and let us show you, it will be a mutual pleasure.

## MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

LOOK AT THE TONGUE! MOVE POISSONS FROM LIVER AND BOWELS AT ONCE!

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat sleep or act naturally, has stomach-ache, diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to affect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Co.

## ELKS MINSTRELS IS SURE ENOUGH GLOOM DISPELLER

PENDLETON LODGE 288 AGAIN SCORES BIG WITH MEZANGE OF MIRTH AND MUSIC.

Soloists Are Good But Honors of Evening Fall to Performers in Sketch and the Musical Hubes; Stage Setting is Exceptionally Pretty.

Pendleton Elks have gone and done it again. They put across another one of their locally famous minstrelsy melanges last night, and an audience that packed the Oregon theater to its last seat applauded enthusiastically the efforts of the home talent entertainers. Another crowded theater is assured for the second and last show this evening.

The Elks varied their usual program this year by opening the show with a Tuxedo sketch with just plot enough to introduce a number of catchy songs. These songs, as well as those in the minstrel show proper, were new, at least in Pendleton, and they caught the fancy of those on the dark side of the footlights.

Solos Are Good. Miss Laura Cahill was heard in a solo number, "Art is Calling," and in a telephone duet with Brooke Dickson, "Hello My Sweetheart." Miss Ada Decker and Arthur Fitz Gerald also sang together in "Dearie Girl." Lord Charingcross sang a tenor solo, "A Girl For Each Month in the Year" and Ray Crystal and Roy Buchanan, the great "S and D" team that made the Peoples Warehouse famous, put over "Wickie Wackie Wackie Woo" with the help of the "crimson" necked wear and checker-board suits. George Phelps is the latest in Pendleton trackface comedians and got away with his "Mandy" part in fine style. Director Lou Steelhammer, assisted by a chorus of monkey-maids, expounded the Darwinian theory in a tuncful way. These same monkey-maids, minus their jungle costumes and garbed as the typical high school girls that they were, acted as the dancing chorus in several other numbers also. There were ten of them, the Misses Vera Temple, Thelma Thompson, Helen Thompson, Madeline Burgess, Vera Cook, Margaret Phelps, Jane Murphy, Vic Crawford and Alice Pinnell. Merle Best and Miss Lucia Callison happily carry on the action of this preliminary part of the program with speaking parts.

Sketch Hit of Evening. Undoubtedly the most clever part of the evening entertainment was the sketch entitled "The High Cost of Living or the Price of an Egg," presented by Mrs. Westbrooke Dickson, Miss Walter Rose, who took the part of Lord Charingcross, sang a tenor solo, "A Girl For Each Month in the Year" and Ray Crystal and Roy Buchanan, the great "S and D" team that made the Peoples Warehouse famous, put over "Wickie Wackie Wackie Woo" with the help of the "crimson" necked wear and checker-board suits. **BEHELD DEAD FOUR YEARS.**  
GRASS VALLEY, Cal., April 9.—Four years ago went came to the relatives of Peter Manseau that the young man had been killed by falling from a tower he had been repairing on the Mexican border.

The aged mother has thought her son dead and all the rest of the family and friends held the same opinion until recently a letter was received from a friend of Albert Manseau, stating that he had seen "Peter" at El Paso, where he was acting as interpreter for the government in connection with the military authorities.

After thirteen years of selling Dr. Kilmer's Swamp-Root it has been my experience that Swamp-Root is a high standing medicine, sells about the best of any medicine of its kind and I know that it has been the means of bringing relief to sufferers of rheumatism. I take it occasionally myself and always obtain good results, and I believe Swamp-Root to be a good medicine perhaps fully as good as you claim it to be.

## LIKE ELECTRIC BUTTON ON TOES

TELLS WHY A CORN IS SO PAINFUL AND SAYS CUTTING MAKES THEM GROW.

Press an electric button and you form a contract with a live wire which rings the bell. When your shoes press against your corn it pushes its sharp roots down upon a sensitive nerve and you get a shock of pain.

Instead of trimming your corns, which merely makes them grow, just step into any drug store and ask for a quarter of an ounce of freestone. This will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. A few drops applied directly upon a tender, aching corn stops the soreness instantly, and soon the corn shrivels up so it lifts right out, root and all, without pain. This drug is harmless and never inflames or even irritates the surrounding tissue of skin.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

Plans for the annual meeting of the Redhead Society in August will be made in a short time.

### FOUR-FOLD BENEFIT

From Two Grand Medicines in Spring. You know that physicians often give two prescriptions, perhaps more, or medicines to be taken together, or alternately or at different times.

One reason may be that the medicines are "incompatible"—do not agree when closely mixed in taking—or that desired results cannot be secured by one medicine alone.

The most successful combination spring medicine treatment that we know of—because perfectly "compatible" and productive of the best results—is in Hood's Sarsaparilla and Peptonin Pills. The former thoroughly searches out and expels impurities from the blood, while Peptonin Pills give the powerful tonic—they literally "put iron into your blood."

Hood's Sarsaparilla should be taken before meals and Peptonin Pills after meals—patients taking them so report the benefit is four-fold—prompt, positive, permanent. Both these medicines are economical and pleasant to take.
