Just a Word About Our Prices

We have not anticipated the market on our goods nor will we. In plain English we are not marking up anything that we now own. Not a single item. You can still buy anything we have, now, at the old prices but, this cannot last always and you know it. Our Ready-to-Wear is priced under the usual market, let alone existing conditions and it is to every ladies' advantage to buy now as you cannot hope for a "Sale" this year. Our low prices will not permit.

NEWS OF PENDLETON

One Drink In.
Dan McKenzie, formerly an extensive farmer near Adams and now in the livestock commission business in Spokane, is spending the day here.

Glac Club Passes Through.
Taking the body of their student manager, Vernon Henry, who was killed in an auto accident at Boise, the members of the University of Idaho Glac Club passed through Pendleton this morning en route to Moscow. Their schedule has been cancelled owing to the unfortunate accident.

Nolin Team Overwhelmed.
Nolin sent her best baseball team to Pendleton Sunday to meet the W. O. W. team. The visitors were overwhelmed by the home team in final score reading something like 17 to 1. Southpaw Darling had too much on the ball for the Nolinites, while his teammates had an easy time ambulating about the bags.

Unlicensed Dogs, Beware!
Chief of Police Nash Saturday began a drive upon the unlicensed canines in the city and rounded up a goodly number of the animals which have been impounded. They will be held long enough to give the owners a chance to redeem them. Dogs not redeemed will be given rapid transportation to another life.

Sells Beauty Parlor.
Mrs. E. C. Day has sold her hair-dressing and manicure parlors to Miss Ora Poague, who has been engaged in a similar business at Salem for the past six years and who is a pupil of Madame Patenaude. Mrs. Day left today for Portland where she will be joined by her husband later and together they will go to Chicago.

Troops at Pasco.
Sixty troopers under Captain Jones are now stationed at Pasco to guard the bridge over the Columbia river at that point, according to word brought over this morning. A number of the local high school boys assigned to similar duty left on the morning train for points east of this city.

Crabb-Watts Case Ends.
The taking of testimony in the Crabb-Watts case was ended at noon today and the federal court reporter returned to Portland on No. 11. There she will transcribe the testimony and submit copies to the attorneys who will then file their briefs. Judge Wolverton is not expected to make a decision for several weeks.

Presbytery Meets Today.
Rev. J. E. Snyder, Rev. J. M. Cornelison, Rev. William Wheeler and Allan Patawa left today by auto for Umapine to attend the annual spring meeting of the Pendleton Presbytery. Presbytery will go up during the day and it is anticipated that there will be at least twenty present. The session will extend until Thursday evening.

Where Will We House Them?
Owing to the Portland-Pocatello mail division having been divided, ten or a dozen mail clerks will bring their families to Pendleton from Portland and suburbs about May 1 and W. L. Collins of Metzger, one of the number, has written the Commercial association asking for information as to the rates on gas, light and water, and as to available houses for rental purposes.

Girls Accompany Hiker.
When G. E. Pinto, the deaf "around-the-world" hiker, left Pendleton this morning for Portland he was accompanied for a distance of five miles by Misses Lillian Findley, Carrie Owings and Agnes and Eloise Brichoux who intend to form a hiking club. Pinto intends walking straight through to Portland without making further stops save for food and sleep.

Golf Driving Contest.
A driving contest for local golfers is to be held at the links tomorrow evening beginning at 5 o'clock, according to an announcement made today by George Eddy, professional. Each player will drive three balls and the greatest average distance wins the event. On Sunday it is the intention to hold another bogey tournament. The appearance of spring weather has been the signal for a revival of interest in golfing and plans are being made for some special event each week.

Trappers Must Stay at Home.
Government hunters and trappers must stay on their present job despite the call of Uncle Sam for more soldiers and sailors. They are needed there more than at the front as they are considered a factor in increasing the food supply inasmuch as they kill off the animals who prey upon stock. This is the substance of a letter received this morning by District Inspector E. F. Averill from his chief in response to the latter's request to form his hunters into a detachment of scouts.

Post Forfeit for Match.
Ray McCarroll, local wrestler, and Jack Kennedy, Hermiton's prize, are to meet on the mat for the Oregon theater on the evening of April 24 for \$100 side bet. McCarroll posted a \$25 forfeit this morning for himself and Henry Hill of Hermiton did likewise for Kennedy. The balance will be

posted before the match. Both boys have many followers and, as they have never met before, their battle will be keenly anticipated.

Following close on the heels of the Elks minstrels will be the minstrels to be staged Thursday night at the Alta theater by the colored folk of the town. They have been rehearsing for some time and have some good voices in their number. They plan to make their organization a permanent affair and intend staging their show in other parts of the county.

Our Nationally Advertised Lines

You probably have asked the other merchant just how it is that we can afford to sell articles so much less than he can do it, and the first thing he tells you is that we do not carry any standard or nationally advertised brands of goods. We have on our shelves more advertised lines of merchandise than probably any other store in Pendleton, and if you will notice the prices quoted below you will discover that we can save you from 10 cents to 50 cents on the price established by the manufacturer. We never buy seconds or job lots, but good honest new and regular merchandise. Take this list and ask our competitor his prices on the same articles, for they all carry them.
