CATERPILLAR HARVESTERS

Side-Hill Self-Propelled

The CATERPILLAR HARVESTER is Benjamin Holt's latest achievement. It is the most wonderful harvester built, requiring no horses, no tractor to pull it and only 3 to 5 men to operate.

The 55 horse motor furnishes abundance of power to drive the separator and propel the machine. We have already sold 49 of these Caterpillar Harvesters for delivery in the Inland Empire. Seven of these Harvesters operated during 1916 in our territory and every one was a PRONOUNCED SUCCESS.

In handling bulk grain these machines allow the owner to use his horses to haul his grain to market AT ONCE.

As the output of these machines is limited, we urge you to place your order now for a CATERPILLAR HARVESTER that you may be sure you get one this year. The supply being small, first come will be first served.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets. That is the joyful cry of thousands since Dr. Edwards' Olive Tablets, the substance for cabaret. Dr. Edwards, a practicing physician for 17 years and colonel's aide-de-camp, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the keynote of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth" and there is a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime. Thousands take one or two every night just to keep right. Try them, 50c and 25c per box. All druggists.

At the conclusion of the program a delightful social hour was enjoyed, the pretty tea table being in charge of Mrs. R. Alexander and Mrs. W. C. E. Pruitt.

The attractive new home of Mrs. C. W. Mathews on Lewis street was the scene of a pretty affair yesterday when the ladies of the Christian church surprised Mrs. H. H. Hubbell with a "stork" shower. The rooms were beautifully decorated for the occasion, a color scheme of pink and white being used. A large stork, with cupid and streamers of pink and white ribbons, together with carnations in the same dainty colors formed the principal feature of decoration. Many beautiful and useful gifts were presented Mrs. Hubbell, testifying to the high esteem in which she is held by her lady friends. During the afternoon dainty refreshments were served with Mrs. James E. Sharp and Mrs. Frank Greulich presiding in the dining room.

Mrs. J. N. Duane was hostess yesterday afternoon for the Research Club, at her home on South Main street. It was unanimously decided to join the Red Cross association in a body. Richardson who took for her subject, "Mexico: Its History." "The Social Life and Customs" was well handled by Mrs. Clarence Penland. Mrs. H. G. Thompson spoke upon the subject of "The Lost Tribes," which was very interesting. Miss Sadie Young and Mrs. George W. Jackson rendered several charming piano solos. John Penland sang two solos, which were a great credit to himself and were much enjoyed. A dainty two-course luncheon served by the hostess concluded a very pleasant afternoon. One afternoon next week the club will meet at the home of Mrs. George King and the entire afternoon will be spent in sewing for the soldier boys.
