UKIAH FOLK ARE BUSY PLANTING

ALL AVAILABLE SPACE IS BEING PUT INTO VEGETABLE GARDENS.

High Water Threatens to Wash Out Bridges; Men Work All Night Saturday Trying to Save One; Grass Growing Very Slowly.

(East Oregonian Special.)
UKIAH, Ore., May 3.—Born at Albe, Monday, April 23, to Mr. and Mrs. John Hinterman, a daughter.

Joe Blackwell and son of Long creek, passed through Ukiah Wednesday en route to Washington in response to a message telling of the accidental death of a son and brother, who was killed by a motorcycle. Particulars were not learned. The body will be taken to Portland for burial.

R. G. Clark and Clyde Helmick came in Tuesday with something over three hundred head of their cattle which they have been wintering near Pilot Rock. They were taken on to Bridge creek and turned on the range.

Jim Johnson of Range was in town Monday night on business.

Mrs. D. B. Smith left Wednesday for Spry, Oregon, to arrange some business matters. Mr. Smith has purchased a checkbook shop and hotel there which he will run hereafter.

Mrs. Smith will return soon to make arrangements to move to their new home. We wish them success in their new business.

Dave Helmick of Bear Valley, who has been visiting with relatives in Ukiah for a week, left on the Long Creek stage Monday for home.

Mrs. Lillian Locke, who has been spending several months in Pendleton returned to Ukiah last Wednesday.

Charley Lorenz is ill at his home with an attack of rheumatism.

Albert Peterson made a business trip to Grant County last week.

Mrs. Walter Allison, who has been staying with her mother on Bridge creek, after her return from Pendleton, returned to her home in Ukiah last Tuesday.

Winnie Casteel of Ukiah, has a position at the Half Way station near Pilot Rock.

The many friends of Manilla Wright who was operated on for appendicitis at St. Anthony's hospital last Wednesday will be pleased to learn that she is recovering nicely and will soon be able to leave the hospital.

Mr. and Mrs. Lowell Gattner and son were in town Thursday after supplies.

Everyone who has room in the back yard is planting garden and both men and women are busy planting.

The heavy rains which have fallen during the last week have caused very high water and the bridge across Owens creek, one mile west of town is in danger of being washed out, as the creek is about to cut across the road at the east end of the bridge.

Nine men worked all day Saturday trying to save it and Saturday night the work nearly all washed out, making the bridge utterly impassable. And the big bridge across Cummins creek, south of town, is also threatened severely.

The infant son of Mr. and Mrs. Louis Johnson is ill with measles.

Harley Kirk came over Saturday from his home at Bridge creek. Another half night dance was given at the Chamberlain Garage Saturday night and was well attended.

Mr. and Mrs. Bert Kenney of Dale are spending a few days at the Peterson hotel.

Bert Gibbs and family visited Sunday in Ukiah.

Miss Powell of Bitter was the guest of Mr. and Mrs. George Caldwell Sunday and Monday. He purchased a disc from the Wagner & Caldwell Hardware Co. while here.

Tom Wilfong is now improving and is able to be up and around and his daughter, Mrs. Helmick will leave for her home on Bridge creek soon.

A storm was cast over Ukiah and vicinity early Monday morning when the news of the tragic death of Mrs. Geo. Kennedy reached here. Mrs. Kennedy was well known here having lived here and she ran the stage office here for Mr. Eldridge and left here in September. Mr. Kennedy has the sympathy of the entire community.

Mrs. Peterson of the Peterson hotel is having the hotel dining room repainted.

Dr. De Vaul has been absent from town for the last week on a big bear hunt at Oriental, with William Allison and Fred Grooms. Everybody is expecting bear steak when he gets back.

Walter Allison has just returned from Texas far basin and reports deep snow there yet.

The weather is very cold and disagreeable, with a mixture of snow, hail and rain, and the grass is growing very slowly. No farming has been done yet, consequently the crops will be late. This has been a long winter with nearly six months of feeding. Something unusual for this country.

Henry Jastinka of Bendleton, was in Ukiah Monday. He is here looking after his interests and visiting his daughter, Mrs. Gattner.

Mr. Ritter of Dale, was in town on Monday after supplies.

Mrs. Hazel Gentry of Albe, is working at the Welch hotel.

Perry Stimpson will work for Charley Hynd during the summer.

Fred Grooms of Dale was in town Monday night on business.

Whispering Cough.
One of the most successful preparations in use for this disease is Chamberlain's Cough Remedy. R. W. McClintock, Bendon, Oregon, Ala. writes: "Our baby had whooping cough and had no more any baby could have it. I gave him Chamberlain's Cough Remedy and it soon got him well. Obtainable everywhere.—ADV."

"Four-Ninety" Touring Car \$635

F. O. B. PENDLETON.

The Chevrolet Four-Ninety Touring Car is a car of ideal economy. It gives you the most value for your money.

The Chevrolet delivers the maximum power to the rear wheels. It accomplishes this feat through simplicity of mechanism. This compels directness of action. The result is more power and speed and less fuel and expense.

The path of Chevrolet power is short and direct. The vaporized fuel enters directly into the valve-in-head motor. The impact of explosion strikes full against the piston head. It is an act of face-to-face co-operation.

The fullness of the force is exerted immediately on the rear wheels. No fraction of a second or horse-power is unduly spent. The unit power plant type of construction does the business.

And the result is, of course, that you ride faster and farther on one gallon of gasoline in this particular model. That is economy. And that is what you will find in the Chevrolet Four-Ninety.

We are the authorized agents for Pendleton and Umatilla county. Carload just received for immediate delivery.

LIVE NEWS OF THE NORTHWEST

EUGENE, Ore., May 2.—President F. L. Campbell of the University of Oregon, who is vice president of the National Association of State Universities will be in Washington, D. C. tomorrow to attend a special meeting of the association to discuss the mobilization of trained university men of the country. Saturday the university heads will meet in joint session with the National Defense Council (Campbell) will be in the next two weeks or more.

PORTLAND, Ore., May 2.—Plans are being made here today for a food preparedness parade in which marchers will carry the hoe. Although those lacking the parade declared today that it would not be a "hard times parade," the marchers will wear habits which will fit in with the hoe scheme. Men will wear overalls and women will don "garden dresses" or hiking costumes. Ann Shannon Moore, the writer, is one of those interested in the parade.

BEND, Ore., May 2.—A simple explosive powder made from charcoal and a solution of nitrate rock found near the Lake-Harney county boundary is on display here today. The rock was found by J. H. Morton and L. M. Dunn of Riley, and P. H. Aikins of Burns. They say that the nitrate deposits cover approximately 3000 acres. Morton and Dunn intend to locate the entire tract as preliminary to organization and exploitation.

SPOKANE, Wash., May 2.—The milk situation here was further complicated today by the discovery that a number of dairymen, expecting \$2 wheat next year, are selling their herds and are preparing to turn their grazing lands into wheat fields. The milk demand now exceeds the supply, and the situation is expected to grow still more acute.

TACOMA, Wash., May 2.—A new use has been found for an election day. The Tacoma Times urges its readers to plant potatoes June 2, the Times suggests a picnic or a fishing trip, or accumulated office work. What's an election good for, anyway, asks the Times.
