

Social and Personal

ANNOUNCEMENT.

Social and club news for this department should be given to the East Oregonian, by phone or otherwise, during the forenoon. Such news turned in after 12 o'clock noon, will frequently have to be held for publication the following day.

Mrs. J. N. Burgess will entertain the North Side Bridge Club members tomorrow afternoon at her home on Jackson street.

Duplicate Whist Club members are meeting with Mrs. W. L. Thompson this afternoon.

Miss Mary Alice Shanard, who leaves Wednesday for her home in Dakota after having spent the winter in Pendleton, is the inspiration for a delightful little sewing party this afternoon for which Miss Dorothy Newberry is hostess. A guessing contest with pretty awards for the cleverest answer is part of the afternoon's diversion which is being enjoyed by Miss Genevieve Phelps, Miss Mary Clark, Miss Helen La Fontaine, Miss Marjorie McMonie, Miss Geraldine Morrison, Miss Vio Crawford, Miss Barbara Stanfield, Miss Gladys Redwell, Miss Helen Nelson, Miss Helen Idelman, Miss Lois Swaggart and the honor guest.

Miss Maxine Schanep of Pilot Rock, is the house guest of Miss Dorothy Newberry for a short time.

A pretty farewell attention was paid Miss Mary Alice Shanard Saturday evening when Miss Helen Idelman entertained with a daintily appointed dinner party in her honor at the Idleman home on Jackson street. Covers were laid for Miss Maxine Schanep of Pilot Rock, Miss Dorothy Newberry, Miss Gladys Redwell, Miss Genevieve Phelps, Miss Mary Alice Shanard and the hostess. Following the dinner an evening of games was enjoyed.

The Girls' National Honor Guard will meet tomorrow evening in the city hall and all members are urged to be present.

John Dickson returned this morning from a brief visit in Portland.

Little Miss Mary Louise Dickson left Saturday evening for a two weeks

Terry A. Johnson of Walla Walla, was in the city Sunday.

John Bell, Weston farmer, spent Saturday in Pendleton.

R. S. Austin of Nolin transacted business in the city Saturday.

Mrs. Edna Potts of Helix came in on the N. P. train this morning.

Mrs. Howard Drew came in from her home at Helix this morning.

Donald McDonald of Pilot Rock was a week end visitor in the city.

Mrs. E. P. Dodd and little daughter returned this morning to Hermiton after spending the weekend here.

W. L. Thompson, highway commissioner, is making a trip to the Walla Walla county to attend good roads meetings.

John Dickson, accompanied by his little niece, Mary Louise Dickson, left Saturday night for Portland to spend a few days.

Mr. and Mrs. Lester Hurst will entertain the Fortnightly Bridge Club tomorrow evening at their home on McKay creek.

H. A. Hover of Helena, Montana, who is a member of the company placing farm lands of that state on the market, is in the city today.

BRAND WHITLOCK IN TRENCHES

American Minister Confers With the King of Belgium.

HAVRE, May 12.—Brand Whitlock, the American minister to Belgium, has made his first visit to the king of the Belgians on the battle front. He had a lengthy conference with the king concerning conditions in Brussels and recent developments in the war, and enjoyed his experience on the firing line, to which he was accompanied by Mrs. Whitlock and several other American women.

The king and Minister Whitlock were closeted alone for an hour, after which the king and queen received the whole party, who had luncheon with them. Afterward the visitors were conducted to the Belgian front and later went to the Belgian trenches in the neighborhood of Ramecapelle and Pervyse, where they saw the extent of the inundated regions and were actually under fire.

PENDLETON SHOOTERS WIN FIRST VICTORY

Eight Nimrods Succeed in Making a Score of 117 Yesterday.

Though only eight nimrods turned out yesterday at the Round-Up Gun Club grounds to shoot against the Canemah Gun Club of Oregon City, they succeeded in making a good score and winning the first victory for Pendleton in the Columbia-Willamette tournament. They made a score of 117, which was two bluebirds better than that made by Oregon City.

Dan Poyman and Horace Stillman each broke 24 birds, while J. J. Hamley, Finis Kirkpatrick and Al Despain made scores of 21. Earl Cotts broke 22, Dean Shull 21 and Dr. J. E. Sharp 19. The score of 117 is the best made this season by the locals with a single exception when the mark was beaten one.

REVIVAL MEETING FULL OF INTEREST

(Contributed.)

Two full-visioned powerful messages were delivered by Dr. Henry yesterday. In the afternoon Dr. Henry spoke upon the "Relationship of this war and the fulfillment of prophecy. He said the world in the most part was threatened with bankruptcy. Directly and indirectly the whole world is influenced by this failure of civilization.

The scripture is replete concerning the second coming of Jesus Christ. That the signs suggested in the scriptures are now present seems evident. Two evangelical signs are given. First that the gospel must permeate the whole world. The fact is that with the exception of Afghanistan and Tibet the world has been given the word of God in its written and preached form. These two sections have also been profoundly influenced by Christian hospitals and therefore they have to some degree been given an opportunity of redemption.

The subject of the evening sermon was based upon the universally known text, John 2:14. It was a unique message in which Dr. Henry made clear the fact that God has made it easy for a man to be saved and difficult for him to be lost. To keep men from evil God has made a barricade between man and sin. No man can be lost without corrupting their innocence. After losing their original innocence it is impossible to regain it. Again a man must pro-

stitute the exercise of his highest mental endowment—reason. Righteousness is the acme of reason, while its opposite is irrational. It is never necessary to teach a child to trust. The power to confide is innate. The native soul quality of faith must be ignored if we persist in experimentalism. The faith is a universal attribute. Ninety-two per cent of our business is done with checks, which means faith in men and banking institutions.

The sermon was a strong plea for Christian life. Tonight will be choir night and every one who has been in the choir is expected to be present. Prof. Erwin urges every seat occupied. A picture will be made of the singers at the close of the service.

Dr. Henry will speak upon the subject, "Sowing Wild Oats." The Boosters will sing.

Only three nights more! You are urged to attend.

Final Plans Discussed.

WASHINGTON, May 14.—Final plans for sending an American force to France were discussed in a two hour conference between Joffre and members of his staff, Secretary Baker and Major General Scott. At the conclusion Baker said: "The visit of Marshal Joffre and his staff was for a general summing up of the conferences with our experts." Joffre and members of his party were silent.

BOYS' AND GIRLS' AID SOCIETY NEEDS FUNDS

J. G. Kilpack Made New Financial Secretary of the Organization.

J. G. Kilpack of the Boys' and Girls' Aid Society of Oregon is spending the week in the city. Mr. Kilpack has recently been appointed financial secretary of that organization for the reason that funds are at a low ebb. Mr. Kilpack said: "For over 20 years the society has shown its willingness to go all over the state, spending time and money in taking care of the homeless, neglected and abused children and has never had any systematic plan of raising its funds for this work and as we are now facing a financial crisis our board realizes that it is imperative that the work be put upon a proper basis. With that end in view I have started a membership campaign to get the public to become members of our society by contributing five dollars a year or more to our work. While people are willing and desir-

ous of helping other countries in this time of national stress, I feel that we should not allow our own home charities to suffer. England and Germany are both suffering from a big increase in juvenile delinquency as a result of economic reasons, anti-educational influences and the doctrine of late inoculation in the minds of the children, so I feel that it is up to us to use every means in our power to combat everything that tends to sacrifice our children to the god of war. While we are spending so

much upon the conservation of our food resources let us not forget the conservation of our boys and girls, the men and women of tomorrow."

18 MAROONED LAKE SUPERIOR

Five Risk Lives in Trip to Shore to Aid Mates.

MARQUETTE, Mich., May 11.—Without food for three days and in a serious condition 18 men of the crew of the steamer Munsing of the Cleveland Cliffs Iron company are

marooned on the steamer in a big ice flow in Lake Superior, off this port. Word of the plight of the Munsing crew was brought by five members of the crew who crawled ashore on the thin ice. The five risked their lives to get help for their shipmates. They were forced to swim part of the way and wade through slush ice. They were almost exhausted after a 10-hour battle from the ship to shore. With five coast guards they made an attempt to return to the ship with provisions, but failed.

HAVE YOU BOUGHT A BOND?

The above photograph shows the mounting its war wares. The demand for war bonds is greater than even the most optimistic foresaw, and from every class of investor there is a scramble to get aboard the financial "band wagon."

Why Not Be Sure?

Even if it cost you good money to have an expert test your battery regularly, you'd have it done, just to be sure that it wouldn't suddenly quit cold.

But for the asking at the Willard Service Station, you can get a Willard Service Card that entitles you to semi-monthly hydrometer tests by our bat-

tery experts. And the hydrometer test is the best insurance against battery trouble.

If you do run into trouble, however, we can do your repair job right, and—no matter what make or model of car—we have a rental battery for your use while the work is being done.

Come in at once for a Service Card—then use it regularly.
