BAKER WOOL SELLS FOR 50 1/2 CENTS IN PORTLAND

Large Clip of Very Light Cross Bred Brings Record Price.

PORTLAND, May 18.—Although cold weather is delaying shearing in eastern Oregon, a considerable part of the clip has been removed in the early sections and the market is developing more activity. Prices are steadily advancing under a strong demand.

The best price paid so date was 50 1/2 cents. This was for a large clip of very light crossbred Baker wool, a local speculator being the buyer. Other sales of Baker county

wool were at 48 cents for coarse and 41 1/2 cents for fine. The heaviest buying has been in the Echo section, where about 300,000 pounds have changed hands, mostly mixed clips at 40 cents to 42 1/2 cents. This is the highest price that has been paid for fine wool in that state.

Attention. Officers and members Pauline Rebecca Lodge No. 13. Meeting will be called promptly at 7 o'clock Friday evening in order that adjournment can be made in time for members to attend the graduating exercises. By order of Noble Grand.—Adv.

ELMER A. SPERRY.

Elmer A. Sperry, aviation expert and inventor of the Sperry gyroscopic stabilizing device for aeroplanes, who, according to unofficial reports from Washington, has submitted to the navy consulting board and the navy department a device which will prove to be a complete and definite means of eliminating the menace of the German submarines. It is said to have been to the Sperry invention that W. L. Saunders, chairman of the naval consulting board, referred when he stated recently that means had been found to successfully cope with the U-boats.

If Your System Is Poisoned

With acids, you cannot know what it is to be healthy. Acids poison the blood and are the source of many diseases affecting the heart and arteries, skin and mucous surfaces, joints and muscles, and the brain and general nervous system. Some of these diseases are Rheumatism in various forms, Catarrh, Eczema, Pimples, boils, rashes, and other skin diseases, Malaria, Scrofula and general blood troubles. In order to restore yourself to a healthy condition, you must drive these acids from your system and purify your blood. S. S. S. has been purifying and revitalizing the blood of thousands for fifty years. It is a purely vegetable remedy, and is the most efficient agent known for cleansing the blood and building up the system. Ask for it at your druggist's, and don't accept a substitute. For special medical advice write to Medical Department, Swift Specific Co., 308 Swift Building, Atlanta, Ga.
