ABSENTEES ARE TO REGISTER BY MAIL

War Department Provides Special Method for Men Who Will Be Away from Home Precincts On Day of War Census.

PORTLAND, May 19.—One of the questions most frequently asked relative to the procedure of taking the war census is how persons who are absent from their home precincts on the day of the census may register.

For their convenience, the war department has provided a special method whereby they may register by mail.

Five days after publication of the president's proclamation naming a war census, there will be a supply of registration blanks at the office of the county clerk of every county in the United States, or at the office of the mayor of every city of more than 20,000 population.

The county clerk, or in the case of cities of more than 20,000, the city clerk, is authorized to record the answers of men absent from their home precincts who apply to him, and to certify to their registration cards. In Portland, the city auditor, who corresponds to city clerk of other cities, is authorized to do this.

But after the clerk has made out the registration card, it is still up to the man for whom it is made out to see that the card reaches the registrar of his home precinct by war census day. He will be given the card, which he must mail to the registrar of his home precinct, care of the sheriff of his home county.

To make the procedure clear, the following imaginary case is cited for illustration:

Suppose that John Brown, resident of Pendleton and of military age—from 21 to 30, inclusive—is traveling on the road and will be absent from his home town the day of the war census.

About the fifth or sixth day after the president's proclamation, he finds himself, say, in the town of Eugene.

His procedure should then be as follows: He should go at once to the office of the sheriff of Lane county, which is in Eugene, and have his registration card filled and certified. The card will be given to him and he must then mail it to the registrar, Precinct care of Sheriff, Umatilla County.

Should he live in Portland, a city of more than 20,000, instead of Pendleton, he should mail the card to the Registrar, Precinct care Mayor, Portland.

May Be Addressed to Sheriff. Many men, however, do not remember the number of their home precinct. In such case, address the card to the sheriff, and fill out also on the envelope so addressed, the following information:

Gladys Hallett, Alta Sunday and Monday.

Registration card of Street and number Post office of R. F. D.

If you desire a registration certificate, inclose a self-addressed stamped envelope with your registration card.

These instructions are of the utmost importance and should be followed exactly, for if the registration The burden of having his card reach the registrar of his home precinct by War Census day, the absentee is considered as not having registered and is subject to the prescribed penalties, card of the absentee fails to reach the registrar in an hour.

If the absentee comes from outside this state, he registers under the same procedure as outlined above. State lines make no difference.

SIXTH BRIDE LAST, PROMISES MAN, 39

Outlaps Nat Goodwin When He Finds Ideal Woman.

PROVIDENCE, R. I. May 19.—Otis Lester Kelley, a machinist, five times divorced during his 39 years of life, has announced his marriage to Miss Viola Eleanor Linton, of Pawtucket. His sixth bride is 19 years his junior. She is a divorcee.

"The other five times were all mistakes," Kelley told newspaper men. "I've now found my ideal woman and I'll never marry again."

Kelley now is a lap ahead of Nat Goodwin.

Before the fourth Mrs. Kelley sued for and got a divorce, her husband had taken another bride at Cumberland, R. I. He was arrested for bigamy in 1915.

The newest Mrs. Kelley's husband was 4 feet 3 inches tall and weighed less than 100 pounds. She won her divorce on the ground of cruel and abusive treatment.

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out; to feel clean inside; no sour bills to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headaches, colds, rheumatism or rashes, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of Limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of Limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening and purifying so limestone phosphate and hot water before breakfast, act on the stomach, liver, kidneys and bowels

The Most Beautiful Car in America

YOU may be one of the thousands of people who have planned to buy a Paige Linwood "Six-39" this spring. If so, let us suggest that you place your order immediately.

There is a tremendous demand for these beautiful five-passenger models. Orders are pouring into the factory from all sections of the country, and it is a foregone conclusion that our "Linwood" production will fall far short of the demand.

Then, also, remember that the cost of manufacturing materials is steadily advancing. Each day it becomes more difficult—and consequently more expensive—to secure the steel, aluminum, copper and brass that are found in a car like the "Linwood."

Right now, you can buy one of these cars for \$1175. If you delay the matter too long, you may have to pay considerably more. Or, as we said in the beginning, it may be impossible to secure early delivery on a Linwood at any price.
