BELIEVES RUSSIA WILL MAKE SEPARATE PEACE

COPENHAGEN, May 22.—The Berlin Vossische Zeitung editorially predicted that Russia would soon seek a separate peace with Germany. The text of the article received here urges that Germany state as clearly as possible her own peace conditions and offer Russia financial help after the war.

If they take to playing politics in Washington it will be necessary to call one of those well known laws.

SEEKS TO PROHIBIT WAR REGISTRATION

SAN FRANCISCO, May 22.—Application for a writ of prohibition preventing the mayor or city clerk of Oakland from conducting the registration of citizens under the selective service bill was filed in the California supreme court by Attorney Walter Dunn on behalf of Ferdinand Claudius. The application alleges the act violates the thirteenth amendment to the federal constitution forbidding slavery or involuntary servitude.

GIVING NUN NEW CANCER TREATMENT

Dr. Alexander S. Borowitz of New York City, who has been experimenting for more than ten years in an effort to discover a cure for cancer, has treated more than 5000 cases. In 64 per cent of them there has been improvement. These have not shown a recurrence of the disease. But physicians are extremely conservative and they refuse to admit a cure has been discovered until the treatment has proved successful over a long period of years. The doctor is here shown treating a nun, in whose case the cancer was arrested.

BLACK WHITE TAN SHOE POLISHES 2 IN 1 10c. GENEVA, May 22.—A German girl aviator belonging to a rich family at Constance, whose fiancé was a member of the flying corps and who was killed in France during an aerial raid last November, has taken up his work as a pilot and aerial scout. Franklin L., who is 21 years old, has the rank of lieutenant in the army, dresses like an officer and few know her secret. According to the Konstanzer Zeitung, she has brought down three enemy machines on the Vosges-Belfort front and has learned to handle a machine gun in an airplane like a man. With hair cut short and a strong face, the journal adds, the woman cannot be distinguished from other young officers. She has been fighting in the air for four months and has had two narrow escapes, being forced to land, but has not been wounded.
