## OPPONENTS TO WEBB STREET PAVING ARE GIVEN NEW CHANCE

Council Adopts Resolution Declaring All Proceedings On This Street Null and Void After Refusing Remonstrance.

Opponents to the paving program on East Webb street are to have one more chance to halt proceedings despite the fact that the council refused to recognize their recent remonstrance. After adopting a resolution last night refusing to accept the remonstrance on the grounds that it did not represent 50 per cent of the property involved, the council immediately adopted another resolution declaring all proceedings on this street null and void, and will start all over again for the third time.

The council did this in order to play fair with the remonstrators, inasmuch as they had been given to understand that a 66 2-3 per cent remonstrance would be recognized.

### Cosbie Street Next.

A petition asking for the paving of Cosbie street from Court to Alta was presented last evening and referred to the street committee. The petition was incorrectly worded inasmuch as it read from the north line of Court to the south line of Alta, thus taking in two intersections already paved.

The billboard ordinance was again referred back to the city attorney last evening in order that a provision be incorporated to hold the city safe in case of an accident. The owner of the billboard will probably have to furnish bonds.

He hopes to develop the greatest naval band in the world and expects to have under him more than 500 musicians.

People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Arner, Caldwell, Idaho, writes: "I do not believe that our family has been without Chamberlain's Cough, Croup and Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." Obtainable everywhere.—Adv.

GERMAN PROTEST IS RECEIVED BY BUZEL RIO DE JANEIRO, June 4.—Germany's formal protest against Brazil's seizure of German interned vessels has been received. The imperial government expressed great surprise that an action was taken without a declaration of war. Foreign Minister Poeschl is expected to answer the note tomorrow. It is authoritatively stated he will merely cite full precedents and refuse to be drawn into a controversy.

Popular salutation among city dwellers: "How is your back yard garden?"
