AMERICAN LEGION PUTS FLAG BESIDE ST. PAUL'S ALTAR

Banner Placed in Cathedral With Inaugural Ceremonies to Remain to End of War.

LONDON, June 7.—It was like another American day at St. Paul's today when the colors of the American Legion in the Canadian contingent were placed beside the altar to remain there until after the war. There were five flags, one from each battalion—the 37th, 211th, 212th, 213th and 217th. They were escorted to the Cathedral by 200 Canadian soldiers. As the troops passed up the central aisle, the crowd which filled the edifice sang "Mine Eyes Have Seen the Glory of the Coming of the Lord," and later "Onward, Christian Soldiers." At the conclusion of the service, "The Star Spangled Banner" was sung, followed by "God Save the King."

The service was attended by Ambassador Pace, Consul-General Skinner, high officers of the Canadian force and physicians and nurses from the Red Cross units which have arrived here most recently from St. Louis and Philadelphia.

The large silk flag of the 87th battalion has the place of honor, surrounded by smaller flags of the other four battalions.

Strength comes from well digested and thoroughly assimilated food. Hood's Sarsaparilla tones the digestive organs, and thus builds up the strength. If you are getting "run down," begin taking Hood's at once. It gives nerve, mental and digestive strength.—Adv.

AT LAST NOTE OF TAPS HIS LIFE LIGHT GOES OUT

George T. Davis, G. A. R. Chaplain, Drows Dead on a Grave Just After Reading Ritual.

NEW YORK, June 6.—George T. Davis, a prominent resident of New Rochelle, Chaplain of the Grand Army of the Republic, died in a hospital at 11:15 o'clock yesterday morning, just as he finished reading the ritual over the graves of soldiers of the Civil War.

Mr. Davis was surrounded by fifteen veterans with bare heads. With the finishing of the ritual, taps was blown. As the last note sounded the Chaplain pitched forward and fell upon the grave of Robert Storr.

The veterans were so unmoved by the tragic incident that they were unable to take part in the parade or the exercises at Hudson Park.

TRAIN OF LOGS IN RUNAWAY

Two Were Killed in Accident Near Albany, Ore.

ALBANY, Ore., June 6.—When the trunks failed to hold a train on a logging railroad 14 miles southeast of here it ran away down grade. At a curve several loaded cars broke off and upset. Benjamin Rockwell, the conductor, and W. H. Rambon, a laborer, were killed. The engineer and fireman jumped after reversing the engine and escaped unhurt. Four persons in the cabooses held fast until that portion of the train remaining intact finally stopped.

Some men believe in the divine right of others to fight for their country.

CALDER REVEALS ALLEGED EVILS OF U. S. HOSPITAL SHIP SOLACE

United States Senator William M. Calder of New York, who read to the United States Senate a "round robin" signed by thirty naval sailors aboard the United States hospital ship Solace, alleging ill-treatment and unsanitary conditions on that vessel. Among the charges made by the men were that, while ill with high fevers, they were compelled to carry their own baggage on board the ship; that drinking water was very scarce and always lukewarm; dishes were washed in the lavatory where vessels were standing around with germs of scarlet fever and mumps. All food was served to men on one platter.

Pro-German sentiment does not fail to capitalize the egotism of those conceited Americans who like to be applauded for harebrained pacifism.
