CHURCH AT ADAMS IS FLOURISHING

MANY HAVE BEEN CONVERTED AND SERVICES ARE LARGE- LY ATTENDED.

Home Guards Are Drilling Faithfully: Other Personal and News Notes of Interest.

(East Oregonian Special.)
ADAMS, June 13.—The following have been converted since Mr. Haslem came to the church of Adams: Mr. and Mrs. Ira Stout and daughter, Martha Stoll, Bill Thermond, Fred Crethers, J. H. Inman and son, and the following letters were received into the church: Mr. and Mrs. Pearlsh. Sunday evening a gospel team was organized. The largest crowds now attend the church services than there ever were before. People are certainly rallying to the church since Mr. Haslem came.

The children's day program was a splendid success. The program consisted of the following selections: First, two songs by Mrs. Haslem; prayer, Mr. Haslem; responsive reading; recitation, "Somebody's Mother," Doris Lueallen; solo, "My Mother's Prayer," Mr. Haslem; recitation, "The World's Afloat," Eugene Kirk; recitation, "A True American," Wendell McIntire; drill by Roberts Morrison; Laurens Dames, Gertrude Caton, and Glen Payne, Linn McCollum and Alvin Des Voignes; solo, "Bloom Year Flowers," Mrs. Haslem; recitation, "Use a Smile," Crystal Caton; solo, "Roses, Roses," Esther Ried; address, Mrs. L. L. Lueallen; duet, Misses Esther and Jessie Chenault; recitation, Glen Payne; song by audience and prayer. A large crowd was present to hear the program and all enjoyed it very much.

The following were visitors at the county seat Tuesday: Misses Jessie Chenault, Esther Ried, Mr. and Mrs. Will Bunch and Mr. Bunch.

J. C. Chenault and M. C. McIntire are building a barn on the place of Mr. Chenault.

The prayer meeting will be held Wednesday evening at 7:45 in the Baptist church and everybody is invited to come and take part.

Mr. and Mrs. Frank Krebe arrived home Monday evening after being gone for over a week visiting at the home of Mr. and Mrs. A. H. Kirby of Thornton, Wash.

Mr. and Mrs. Alex McKenzie of Walla Walla were visiting in Adams Monday.

The men met Monday evening for their usual military drill. Two squads were present and a good practice was held. Mr. Haslem and Oils Lueallen taking charge of the squads.

The Sunday school is increasing ever Sunday. Last Sunday there were eighty nine present and next Sunday one hundred are expected. The men's class seems to be beating all the other classes in attendance and collection. Last Sunday there were twenty in the men's class and fifteen in the women's class.

Misses Esther Ried and Christal Watson and Charles Bunch and Will Bunch motored to the county seat Tuesday evening.

Mrs. Jack Chase and son Elwood motored to Astoria Monday.

L. L. Rogers of Pendleton was in Adams the first part of the week.

Mr. and Mrs. Paul Hales and daughter Rita were in Adams Monday evening from their ranch out from Adams.

Suffered With Burning Pimples

For Two Years. On Arms and Limbs. Became One Large Eruption. Itched All the Time. Healed by Cuticura. Costing \$1.25.

"I suffered for almost two years with pimples on my arms and limbs. They were small and red to start with but by irritating them they became larger and finally became one large eruption, or a number of eruptions which had a yellowish look. I work around intense heat so that they burned and itched all the time and I scratched. I was ashamed to wash when the other men would as they looked so bad. Then seeing Cuticura Soap and Ointment advertised I wrote for a free sample. I bought more, and I was healed." (Signed) James H. McManaway, 1131 St. Louis Ave., East St. Louis, Ill., Aug. 12, 1916.

Cuticura Soap to cleanse, purify and beautify. Cuticura Ointment to soften, soothe and heal, are ideal for every-day toilet purposes.

HUNDRED CARIBS ARE LAST OF GREAT TRIBES

They Live in Isolated Place in West Indies.

The Carib Indian was the first representative of Lo, the poor red man, to meet the tide of European travel. He was the one found by Columbus and the later Spanish explorers in the West Indies, and he has given the Caribbean sea his name. Thus he is assured a monument as long as geography shall last, and he needs it, because as a living race he has practically disappeared.

How many thousands of Caribs dwell in the West Indies in 1492 is largely a matter of conjecture. They quickly began to die under the hand of the conqueror, who worked them as slaves and shot them when they made war. Today it is doubtful whether there are 100 pure-blooded Caribs alive. Practically all of them live on the British island of Dominica, on a reservation set apart for them, called Salybia.

The reservation is very difficult of access, for there is no sheltered harbor or landing place. The only method of approach is by one of the coasting steamers which circle the island. When the steamer gets opposite Salybia with anyone who wants to land aboard, she stops and whistles. If the weather is good and the water smooth enough, a canoe puts out and takes the passenger ashore. If the weather is too rough the passenger must needs content himself to go on around the island and try again on the next round.

CONVICTS PREFER PRISON.

SALT LAKE CITY, June 12.—James Maxwell and Edward Madison, convicts who escaped from the state penitentiary, today returned to their own accord and asked admittance to the prison.

"We did not mean to stay away for good; we only wanted to see what a few hours of liberty was like," they said.

If Your System Is Poisoned

With acids, you cannot know what it is to be healthy. Acids poison the blood and are the source of many diseases affecting the heart and arteries, skin and mucous surfaces, joints and bowels, and the brain and general nervous system. Some of these diseases are Rheumatism in various forms, Catarrh, Eczema, Pimples, Itch, rashes, and other skin diseases, Malaria, Scrofula and general blood troubles. In order to restore yourself to a healthy condition, you must drive these acids from your system and purify your blood.

S. S. S. has been purifying and revitalizing the blood of thousands for fifty years. It is a purely vegetable remedy, and is the most efficient agent known for cleansing the blood and building up the system.

Ask for it at your druggist's, and don't accept a substitute. For special medical advice write to Medical Department, Swift Specific Co., 308 Swift Building, Atlanta, Ga.
