UMAPINE RESIDENTS IN AUTO ACCIDENT

ROY GRIMES CUT ABOUT THE FACE WHEN RUNABOUT HITS SAUNDERS CAR.

James Kirk and Ed Hoon Elected to School Board; Vote is Also Taken to Continue High School; Red Cross to Have Social Tomorrow Night.

(East Oregonian Special.)

UMAPINE, June 21.—The annual high school election was held Monday afternoon with a large crowd in attendance. James Kirk was re-elected a director unanimously for the three year term while Ed Hoon was voted in as clerk, succeeding Charlie Wellman, who has left this community. It was also decided to continue the high school and as there had been some talk about discontinuing it for a while, farmers left their hay fields in order to cast a favorable ballot. There were but three dissenting votes.

Autos In Collision.

Mr. and Mrs. Dana Saunders in their car and George Smith and Roy Grimes in a runabout had a collision Saturday evening when Mr. and Mrs. Saunders were going to Walla Walla and the occupants of the "bus" were returning to Umapine. The cars were approaching the curve on the macadam road just the other side of the Walla Walla river bridge when Mrs. Saunders saw the car approaching. They met on the curve and Mrs. Saunders, who was driving, saw also that George Smith was cutting the corner. She attempted to get out of the way by taking the wrong side of the road and as a result the Saunders car was hit broadside. The runabout was wrecked and Roy Grimes was badly cut about the face when he went through the windshield. Beyond a bad shaking up no one was seriously hurt. Mrs. Saunders, it is said, would not have attempted to cross over but was afraid of an embankment on her side of the road.

Loy Hodgson, state representative, received a letter this week from N. Stanfield, speaker of the house, notifying him of his appointment on a committee to ascertain whether or not the state industrial accident commission was upon a sound enough basis to conduct their business without aid from the state hereafter.

Has a Good Opinion of Chamberlain's Cholera Morbus.

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Ensoort, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."—Adv.
