C. C. Scott, deputy state fire warden, is in Pendleton today on a trip.

**DIFFERENT—BUT SATISFACTORY.**  
Indigestion causes worry, nervousness, sick headaches, biliousness, coated tongue, bad breath, bloating, gas, constipation and constant distress. W. A. Mellae, Raleigh, Ga., writes: "Foley Cathartic Tablets cleanse my system thoroughly and do not gripe or hurt at all. I recommend them to others and all find them entirely satisfactory and wonderfully different and more pleasant than anything ever seen." They cleanse the bowels, sweeten the stomach, invigorate the liver. Tallman & Co.

of inspection through the forests of Umatilla, Morrow, Grant and Wheeler counties outside the national reserves. He does not anticipate that there will be many forest fires this season on account of the moisture.

**Saw Bear While Fishing.**  
While fishing last week on the north fork of Meacham creek near Bear Creek, C. K. Cranston saw a black bear. The animal did not see him and apparently did not get scent of him. It ambled up a dry canyon and Mr. Cranston followed it for some distance. He had no gun with him.

**To Join Salem Company.**  
Eugene "Happy" Laman, employed by the Dean Tatum Co. and Bill Carey, well known young man of the city, have about made up their minds to let their fortunes during the war with those of Co. M of Salem which is now in eastern Oregon. Corporal Hansen expects to sign them up this evening.

**Judge Crawford's Wife Dies.**  
Mrs. Rozella Crawford, wife of Judge T. M. Crawford of La Grande, died yesterday at the Eastern Oregon State Hospital where she had been a patient for some years. The body will probably be sent to La Grande for interment. Mrs. Crawford was 61 years old.

**Circus Crowded Out Ball Game.**  
The scheduled baseball game between the Pendleton Pilot Rock and Milton Freeewater teams could not be played yesterday because Round-Up Park had been occupied by the Barnes circus. When the baseball boys scheduled the game it was their understanding that the circus would not arrive here until Sunday evening. However, the trains pulled in yesterday morning and the game had to be cancelled.

**To Recruit for Guards.**  
The United States recruiting station at Pendleton, Oregon, has received orders to recruit in the future for the 2nd regiment of Oregon infantry and also for the 2nd regiment of Washington infantry. Both of these regiments having been mustered into the federal service. Any young man residing anywhere in Oregon or Washington who wish to join one of these two regiments can do so by applying to any of the sub-stations of the U. S. army recruiting station, and if found qualified will be forwarded to Portland to join said regiments.

**Fishing Good Yesterday.**  
Fishing was better yesterday than it has been any Sunday since the season opened. The trout were biting well and many good catches were made. From the river about Bingham Springs, from Meacham creek, from McKay creek and even as far away as Camas creek baskets of speckled beauties were returned. A party that made its way to Johnson creek brought back a nice catch. A number of anglers yesterday caught the limit. Ray Snyder was one of these. He caught his 50 early in the day in Meacham creek. There were about 30 local men distributed along Meacham creek yesterday. F. P. Guilmet got as nice a catch as any one. He hooked 28 in north fork and they are on exhibit today in

**Marriage Was Short One.**  
Married in Delaware on February 8, 1914, William P. Hirst alleges that his wife, Elizabeth, deserted him on May 26 of the same year and he has filed suit for divorce through his attorneys, Peterson & Bishop.

**Cavalry Dance Tuesday Night.**  
The dance in Happy Canyon pavilion to provide money for the mess fund of Troop D will be given tomorrow evening instead of on the date first announced because of a conflicting entertainment on the other date. The cavalry boys are making all arrangements for the dance and will have charge of it. A company's mess fund is provided from private sources and enables the boys to have

some delicacies on their bill of fare occasionally. No company goes out of a town without a mess fund and Pendleton will have too much pride in her cavalry troop to send it away without the means of brightening up the regular army menu once in awhile.

**Just What She Needed.**  
When women complain of weariness, loss of strength and vitality, backache, pains in sides and hips, dull headaches, dizziness, floating specks, and similar ailments, they too often accept these troubles as their lot because they are women, when the ailments may be the result of disordered kidneys. Mrs. Mary V. Bunker, Milton-on-the-Gludson, N. Y., writes: "I am now on my second bottle of Foley Kidney Pills. They seem to be just what needed. Try them." Tallman & Co.

## Oh! What Waists for \$1.00

We're accustomed to see the best there is in dollar waists for we sell the Wirthmor—and so it takes something decidedly out-of-the-ordinary to cause us to enthuse. But we just couldn't suppress our enthusiasm when we unpacked this new shipment of Wirthmors—the models were so very appealing. That these waists will sell most readily is a foregone conclusion—so to intending purchasers we counsel an early call to our Down Stairs Store.
