To See Son Get Commission.
Conductor Gus Bartholet of the Pendleton-Pasco run and Mrs. Bartholet will leave Thursday for West Point to visit their son, Frank Bartholet, who will be graduated from the U. Co. E. Boys Boost Round-Up.
The 50 Pendleton members of Co. E, Idaho National Guard, are doing some strong boosting for the Pendleton Round-Up, according to Mrs. Rose Campbell, who has returned from Boise where she spent four days with her son who is in Co. E. Everywhere they have gone, she says, they have advertised the Round-Up. The Pendleton boys, she states, feel rather lonely because they are so far from home and because they are an Oregon contingent in the guard of another state. Few relatives visit them, their mail is meager, compared with that received by their Idaho comrades and they receive no recognition from their home town. They will soon leave for Palo Alto, Calif.

Johnson-Rudd Fend Again.
Another incident in the long-drawn-out feud between L. B. Johnson

and sons and Charles H. Rudd occurred yesterday when Rudd had the elder Johnson arrested on a charge of violating the health ordinance by "throwing putrid and stinking animal and vegetable matter" near the building occupied by Rudd. Acting Recorder Halley continued the case upon Johnson's promise to clean up. Johnson owns the building on West Webb occupied by the Rudd tailor shop and ever since he lost a civil suit to elect Rudd, there has been trouble.

Deceased had no relatives in this county but is supposed to have relatives in the Dakotas and Ohio. He had lived at Athena for several years and recently suffered a paralytic stroke.

To Start Jitney Bus.
A real honest-to-goodness jitney bus is now operating in Pendleton. Paul Kraft, former O-W. brakeman, has decided to run his car on several of the prominent streets on a certain schedule and will charge a five cent fare. He will run up and down Jackson street, down Court to Round-Up Park and back on Webb, up Alta street to the hospital and back on Court to Main. His schedule is printed in this paper elsewhere. If his venture is a success, he plans to put on other jitneys.

out to the letter, the examining board consisting of Harry Ittner, Harry Wilcox and Dr. G. C. Wallace, went to the home of the young man to see him and make their examination.

Physically unfit—but an O. K. was placed after his name on the list, for his services to his country would have been of the best. There was no slacker's blood in him. He wanted to come down to be examined, he told the men, but he "couldn't quite make it."

"I'll be elsewhere," he said, "when the boys go into battle."

Do You Really Know that

Warner's Rust-Proof Corsets

ARE ACTUALLY RUST-PROOF?

Have you tested them to prove this?

We wish you would—then you would know what we mean when we say "rust-proof."

It is not enough for a corset to shape well—it must wear equally well. Every day it must prove its virtue through shaping comfortably, wearing without splitting, without breaking, or rusting in these "piping hot" days that test even the best corsets.

You can depend on your Warner's.
